

What's New

Growing Alabama Credit. Act Number 2016-102 and Section 40-18-413 authorize a tax credit to pass-through entities that make cash contributions to economic development organizations (EDO) approved by the Renewal of Alabama Commission. The credit is the amount of the cash contribution made not to exceed the reservation amount as verified by the EDO. The credit cannot exceed 50% of the income tax liability for the current year. This credit is nontransferable and may be carried forward for up to five years.

Apportionment Factor Update. Alabama Act 2021-1 amends Section 40-27-1, to change the apportionment factor to a single sales factor. All business income shall be apportioned to this state by multiplying the income by the sales factor. Origin sales shipped from this state in which the purchaser is the United States government, or the taxpayer is not taxable in the state of the purchaser are no longer included in the sales factor.

Electing Pass-Through Entity. Alabama Act 2021-1 allows Alabama S-Corporations and Subchapter K entities (pass-through entities or PTEs) to elect to pay Alabama income tax at the entity level. Entities making this election (Electing PTEs) must notify ALDOR by filing Form PTE-E via My Alabama Taxes at any time during the tax year but no later than the 15th day of the third month following the close of that tax year for which the entity elects to be taxed as an Electing PTE. Entities making this election are required to file Form EPT, in addition to Form 65 or Form 20S, and submit estimated tax payments.

Business entities must apply through My Alabama Taxes (MAT) at www.myalabamataxes.alabama.gov and receive approval before some credits are claimed on Schedule PC. Once logged into MAT, a taxpayer will need to locate the Pass Through Entity Tax as their account type then select "Submit a Credit Claim" and follow a short series of instructions/steps to claim a credit. Any supporting documentation for the credit certificate is required to be attached in MAT. The process of "Submitting a Claim" through MAT must be completed to allow the recipients a credit claim. Taxpayers needing assistance with signing up for a My Alabama Taxes Account or with reserving a tax credit may call (334) 242-1170 Option 6.

Issues Concerning the Preparation of the 2021 Alabama S Corporation Income Tax Return

Schedule PC. The Alabama Department of Revenue requires the use of Schedule PC, Pass Through Credits, when claiming tax credits. The schedule allows the taxpayer to compute the total amount of tax credits allowable. The amounts entered on the Schedule PC will carry over to the Form 20S, page 1, line 32 and/or Schedule K, line 21. See instructions for Schedule PC for additional information.

Nexus. Act 2015-505 establishes a factor presence nexus standard for nonresident business activity. Substantial nexus in Alabama is established if any of the following thresholds are exceeded during the tax period: \$54,000 of property, \$54,000 of payroll, \$538,000 of sales, or 25% of total property, total payroll or total sales.

General Instructions

Required Attachments. To be considered a complete return and not subject to treatment as a delinquent return due to improper preparation, the following must be attached:

1. A complete copy of Federal Form 1120S including all Federal K-1s, statements, and attachments. Voluminous schedules may be omitted; however, a list of all omitted schedules must be attached and provided if requested.
2. Completed Alabama Schedule K-1 for each person or tax entity that was a shareholder at any time during the taxable year.

Paid Preparer Information. The check box provided above the signature line on page 2 is used to authorize the Department to discuss Form 20S with the paid preparer. Checking this box can facilitate the process of resolving a problem with the return. Paid preparers must sign and provide the information requested in the Paid Preparer's section of the form. The signature can be made by hand, by rubber stamp, by mechanical device, or a computer program. The preparer must provide the entity with a copy of the prepared return.

Time and Place for Filing. The Alabama Form 20S is due by the 15th day of the

3rd month after the end of the tax year. Returns or payments bearing a U.S. Postal Service cancellation no later than midnight of the due date will be considered timely filed.

Estimated Income Tax Payments. A corporation that has an Alabama income tax liability in excess of \$500 must pay estimated tax. The first payment is due by the 15th day of the 4th month of the taxable year. The 2nd, 3rd, and 4th payments are due by the 15th day of the 6th, 9th, and 12th months, respectively.

The number of required installments shall be 25 percent of the required annual payment. Required annual payment generally means the lesser of (a) the total of the above taxes shown on the return for the tax year, or (b) the sum of (i) the built-in gains tax shown on the return for the tax year, and (ii) any excess net passive income tax shown on the corporation's return for the preceding tax year. Refer to Alabama Code Section 40-18-80.1.

Estimated tax payments not paid by each quarterly due date will be subject to interest on the underpayment—determined by applying the underpayment rate established by 26 U.S.C. §6621 (as provided by Alabama Code Section 40-18-80.1) to the underpayment for the period of underpayment. In addition, the 10% penalty provided for in Alabama Code Section 40-2A-11 applies to estimated tax payments not paid by the quarterly due date.

Form 2220AL. Relief from the interest and penalty due on underpayment of estimated tax may be granted to eligible taxpayers who file Alabama Form 2220AL and meet certain exceptions. See Form 2220AL instructions for more information.

Extensions. Any extension of time to file an income tax return allowed by federal income tax purposes will be recognized for Alabama purposes. However, the extension of time for filing the return is not an extension of time for payment of tax. The amount of tax due must be paid on or before the due date of the return without regard to the extension of time to file the return.

Make check payable to Alabama Department of Revenue and enclose completed Form PTE-V only if you are making a payment with Form 20S. Do not attach Form PTE-C or the Form PTE-C payment to the Form 20S.
