Schedule A Reconciliation Adjustments of Federal Taxable Income to Alabama Taxable Income

§40-18-33, Code of Alabama 1975, defines Alabama Taxable Income as federal taxable income without the benefit of the federal net operating loss plus specific additions and less specific deductions. The specific additions and deductions are reflected in the lines provided below. Other reconciliation items include transition adjustments to prevent duplicate deduction or duplicate taxation of items previously deducted or reported on Alabama income tax returns.
