

Instructions For Form AR8453-WHT

SPECIAL INFORMATION

The State of Arkansas requires a completed and signed Form AR8453-WHT for the partnership return filed electronically. The Form AR8453-WHT must be signed by an authorized officer of the corporation, the sole proprietor, or the general partner or limited liability company member manager of the partnership, the ERO and the paid preparer.

The "Declaration for Electronic Filing" document used for e-filing is Form AR 8453-PE. The document is an affidavit in which the general partner or limited liability company member manager attests to the truth of the information contained in the Declaration and attached return information. It has the same legal effect as if the sole proprietor, the general partner or limited liability company member manager has actually and physically signed the return.

IMPORTANT NOTES FOR EROs

- Effective January 1, 2014 and for future years, Electronic Filers, Transmitters, and Electronic Return Originators must retain all signed AR8453-WHT forms with all required schedules, attachments and information for three years from the due date of the return or the Arkansas received date, whichever is later.
- You should confirm the identity of the officer.
- Provide the sole proprietor, general partner or limited liability company member manager with a signed copy of Form AR8453-WHT for his or her records upon request.
- Provide the officer with a corrected copy of Form AR8453-WHT if changes are made to the return.
- EROs can sign the form using a rubber stamp, mechanical device (such as a signature pen), or computer software program.

LINE INSTRUCTIONS

Name, Address, and Federal Employer Identification Number

Print or type the information in the spaces provided. Please verify that the Federal Employer Identification Number (FEIN) is clear and correct.

Part II - Declaration of Officer

The sole proprietor, general partner or limited liability company member manager signature allows the State of Arkansas to disclose to the ERO and/or the transmitter the reason(s) for delays in the processing of the return.

If the ERO makes changes to the electronic return after Form AR8453-WHT has been signed by the sole proprietor, general partner or limited liability company member manager but before it is transmitted, the ERO must have the sole proprietor, general partner or limited liability company member manager complete and sign a corrected Form AR8453-WHT if the total income on line 1 differs from the amount on the electronic return by more than \$25.

Part III - Declaration of Electronic Return Originator (ERO) and Paid Preparer

The State of Arkansas requires the ERO's signature.

A paid preparer must sign Form AR8453-WHT in the space for Paid Preparer's Use Only. Only handwritten paid preparer signatures are acceptable. If the paid preparer is also the ERO, he/she should not complete the paid preparer's section. Instead, the box labeled "Check if also paid preparer" should be checked.
