

2019v1.0
Release Memo

This is the first production release (**2019v1.0**) of the 2019 XML schemas for the CA Business Stand-Alone Electronic Funds Withdrawal (EFW) Payment e-file program. This release incorporates the **IRS 7004_2019v1.0** e-file types.

NOTE: We do not anticipate making additional changes to the Business Stand-Alone EFW Payment schemas. We will go into production with 2019v1.0. This version will be available for PATS testing on **November 12, 2019 at 6:00 A.M. PST.**

We will begin accepting Business Stand-Alone EFW payments in production on **January 2, 2020.**

The **2019v1.0** California Business Stand-Alone EFW Payment e-file directory includes the following:

- Schemas for the 2019 Business Stand-Alone EFW Payment program
- An Instances Folder that contains the following:
 - Sample instances of the CA Business Stand-Alone EFW payment program
 - Sample files of the Transmission and Submission schemas including examples of our Manifest, Receipt, and Acknowledgement Schemas
 - A sample Transmission in its proper zipped archive structure
- The first production release of business rules (**2019v1.0**) with changes highlighted
- The **IRS 7004_2019v1.0** e-file Types (Our schemas directly reference these Types)

Please refer to the Diffs documents (Schema File Comparisons) for more detailed information about the changes in this release.

Thank you for your continued participation in the CA e-file Program.
