If you prepare your clients' tax returns by hand, you must use the official forms as printed and distributed by the FTB or an FTB-approved substitute version.

By following these guidelines, you help expedite processing and get your clients' refunds to them faster.

As a tax practitioner, you do not need approval from us to computer-prepare your clients' tax returns. However, make sure that the tax software you use produces FTB-approved forms. Ask your software provider for a copy of its FTB-approval letter for the form(s) you want to prepare.

If you use electronic software that allows you the ability to create tax forms that your clients will file with the FTB, they may need our approval first.

To ensure you receive software updates and other information necessary to produce FTB-approved forms, register with your software provider, as necessary, upon receiving the product.

Important Reminders

- Taxpayers may request Direct Deposit of their refund to two separate bank accounts on all Personal Income Tax Returns. If taxpayers have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, they may have their refund directly deposited to their ScholarShare accounts.
- For Personal Income Tax Returns, the ARRP "RP" area is configured by the software you use and, when applicable, will print these codes to designate special processing:
 - 9 = Disaster
 - C = Spouse/Registered Domestic Partner (RDP) deceased
 - D = Taxpayer deceased
 - E = IRC 965
 - O = Outside the USA
 - U = Military Combat Zone/Overseas

See the special instructions for "Disaster, Outside the USA, and Military Designations on Substitute Computer-Generated Forms 540, 540 2EZ, and 540NR" on this page.

- For Business Entity Income Tax Returns, the "RP" area is configured by the software you use and, when applicable, will print these codes to designate special processing:
 - 9 = Disaster
 - E = IRC 965 F = CFC Motion Picture Credit

See the special instructions for "Disaster and CFC Motion Picture Credit Designations on Substitute Computer-Generated Forms 100, 100S, 100W, 100X, 565, and 568" on page 5.

"Amount of Payment" – Exception for All Estimate Payment Forms

To better meet taxpayers' expectations and enable us to optimize efficient processing of scannable estimate payment forms (Forms 100-ES, 540-ES, and 541-ES), we allow software programs to leave the taxpayer's "Amount of payment" dollar amount blank. This provides a solution for your clients who determine their estimate payment amount at a later date allowing them to enter the payment amount by hand.

To help ensure accurate processing of your clients' payments, use the current year's payment forms when paying current year tax liabilities.

California Secretary of State (SOS) File No.

- The SOS file no. is always numeric and must begin with a "19" or "20." (The "19" and "20" represents the first two digits of the year the file number was assigned to the taxpayer by the SOS.) (e.g., "200412345678")
- The SOS file no. should be 12 digits long.
- If the SOS file no. is not available to you, the software you use ٠ will zero fill the SOS File No. field. (e.g., 00000000000)

Use of Hyphens in Street Address Field

Hyphens can only be used in the street address field for all personal income tax forms, business income tax forms, payment forms, and vouchers (scannable and substitute versions).

Disaster, Outside the USA, and Military Designations on Substitute Computer-Generated Forms 540, 540 2EZ, and 540NR

We continue to enlist the support from preparers to identify their clients with a disaster, outside the USA, or military special processing requirement. In addition to instructions to "write the disaster, outside the USA, or military special circumstance, in black or blue ink, in the top margin on Side 1," of substitute computer-generated Forms 540, 540 2EZ, and 540NR, the tax software you use will print code "9" (Disaster), code "O" (Outside the USA), and code "U" (Military) in the ARRP area's "RP" box. (Check with your software provider to see if they support this option.)

Disasters

Taxpayers affected by certain disasters are legislatively granted additional time to file tax returns and make tax payments, including estimated tax payments (Internal Revenue Code Section 7508A/ California Revenue and Taxation Code Section 18572). We **do** abate interest and any late filing or late payment penalties during the extension period.

Please ensure the following information is written in black or blue ink in the top margin of your clients' California tax return:

 Disaster – enter the specific name of the disaster (e.g., "DISASTER – River Complex, French, Washington, Windy, KNP Complex, and Hopkins Fires 2021).

Although the disaster code in the ARRP area's "RP" box will tell us the taxpayer was affected by some disaster, we also need the **specific disaster** identified **in black or blue ink** in the top margin of the return. With this specific information, we can process the return quickly with the correct extension, if an extension was granted, and adjust interest and penalties as needed.

For more details about how to claim a state tax disaster loss deduction for your clients, get FTB Pub. 1034, Disaster Loss How to Claim a State Tax Deduction.

Outside the USA

For taxpayers residing or traveling outside the USA on April 18, 2022, the deadline to file their tax return and pay the tax is June 15, 2022. Interest will accrue from the original due date until the date of payment. If additional time is needed to file, an automatic six-month extension will be allowed. To qualify for the extension, file the tax return by December 15, 2022.

When filing the tax return, write "**Outside the USA on April 18, 2022**" at the top of the tax return **written in black or blue ink**, or include it according to your software's instructions. To avoid any late-payment penalties, pay the tax liability by June 15, 2022.

Due to the federal Emancipation Day holiday observed on April 15, 2022, tax returns filed and payments mailed or submitted on April 18, 2022, will be considered timely.

Military – Combat Zone/Overseas

Combat Zone – Service members of the Armed Forces (including National Guard and reservists called to active duty) and civilians acting under the direction of the Armed Forces in support of those forces, are allowed an extension of 180 days after leaving a combat zone or qualified hazardous duty area (QHDA) for filing returns and paying taxes without interest or penalties. In addition to the 180 days, they are allowed an additional extension of up to 107 days (the number of days they were in a combat zone or QHDA during the filing season).

We need the following information **written in black or blue ink** in the top margin of the return:

- Combat Zone
- Location or area served:
- Dates of deployment: From MM/DD/YYYY To MM/DD/YYYY

With this information, we can allow the correct extended due date, adjust interest and penalties as needed, and prevent premature billings from being mailed.

Military Overseas – Service members of the Armed Forces (including National Guard and reservists called to active duty) and Merchant Marines working beyond the boundaries of the United States, are allowed an extension of 180 days after returning from overseas for filing returns and paying tax without interest or penalties.

We need the following information written in black or blue ink in the top margin of the return:

- · Military Overseas
- Dates of deployment: From MM/DD/YYYY To MM/DD/YYYY

With this information, we can allow the correct extended due date, adjust interest and penalties as needed, and prevent premature billings from being mailed.

For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

Disaster and CFC Motion Picture Credit Designations on Substitute Computer-Generated Forms 100, 1005, 100W, 100X, 565, and 568

We continue to enlist the support from preparers to identify their clients with a disaster or CFC Motion Picture Credit special processing requirement on business entity tax returns. In addition to instructions to "write the disaster or CFC Motion Picture Credit in black or blue ink, in the top margin on Side 1," of substitute computer-generated Forms 100, 1005, 100W, 100X, 565, and 568, the tax software you use will print code "9" (Disaster) and code "F" (CFC Motion Picture Credit) in the RP area's "RP" box. (Check with your software provider to see if they support this option.)

Disasters

Follow the Disaster instructions for Substitute Computer-Generated Form 540, 540 2EZ, and 540NR on this page.

CFC Motion Picture Credit

Taxpayers attaching form FTB 3541, California Motion Picture and Television Production Credit, to the tax return should write "CFC Credit" in black or blue ink at the top margin of the tax return.

The FTB Conforms with IRS Notice 2007-79

We will accept the same alternative forms of signature as described in IRS Notice 2007-79. Specifically, it permits income tax return preparers to sign original returns, as well as e-file authorizations such as forms FTB 8453, California e-file Return Authorization for Individuals, FTB 8454, e-file Opt-Out Record for Individuals, FTB 8455, California e-file Payment Record for Individuals, FTB 8879, California e-file Signature Authorization for Individuals, by rubber stamp, mechanical device, or computer software program. These alternative methods of signing must include either a facsimile of the individual preparer's signature or the individual preparer's printed name.

Income tax return preparers who use alternative methods of signing must provide all of the other preparer information that is required on returns and extensions, such as the name, address, relevant employer identification number, the preparer's individual identification number (preparer tax identification number), and phone number.

To Verify Personal Income Tax Estimate Payments

A significant number of personal income tax returns are delayed during processing because taxpayers claim the wrong amount of estimate payment. Confirming personal income tax estimate payments first will resolve many issues where your clients claim amounts or payments that we do not have on record. This could expedite processing and reduce the number of notices your clients receive in connection with claiming the wrong amount of payments.

How can you help? Go to **ftb.ca.gov** and login or register for MyFTB to view:

- · Estimated tax payments
- Payment history
- Account summary
- FTB-issued 1099G and 1099-INT information
- Wage and withholding information

To complete one of the requests listed above for your client, tax professionals will need to register with a valid email address, your social security number, and one of the following identification numbers:

- Preparer tax identification number (PTIN)
- Electronic filer identification number (EFIN)
- California Tax Education Council (CTEC) number
- California Certified Public Accountant (CPA) number
- Enrolled agents: Use your PTIN or EFIN.

To view a client's account, tax professionals should have their client's permission and must provide the following information from the client's tax return:

- Client's SSN or federal ITIN
- Client's last name
- Year of the tax return
- Filing status used on the tax return
- · California Adjusted Gross Income (AGI) on the tax return

To ensure the security of taxpayer information, **be sure to use the log off button to exit** the "MyFTB." For information about your client's federal income tax account, please contact the IRS at 800.829.1040.

Envelope Guidelines

Follow these guidelines if you provide pre-printed envelopes or labels to customers for delivery to the FTB. Doing so will expedite processing and reduce processing problems.

- Use white envelopes only no colored envelopes.
- Use sans serif fonts.
- Ensure envelopes you use contain the correct address and ZIP +4 extension.

Check with your envelope supplier to make sure your supply of envelopes have current year FTB mail addresses in sans serif font, or go to **ftb.ca.gov** and search for **mailing address**.

What is Needed to Computer-Prepare California Tax Forms

Tax practitioners must produce computer-prepared forms using:

- · Software that produces FTB-approved forms
- Personal computer hardware required by the software to produce FTB-approved forms (i.e., printer fonts, etc.)
- Good quality, white, standard, stock machine paper (8 1/2 x 11 at minimum 20 lb. weight)
- Black ink
- Software user manuals that include instructions for correctly producing FTB-approved forms

In addition, reading your software provider's user manual (and ALL **"Read Me's,"** etc.) will help ensure you have the necessary hardware and printer fonts to correctly produce FTB-approved forms. **Note: "Read Me's"** are a great resource tool to learn about enhancements or revisions made to the software you use.

All printing must be:

- Laser or ink jet
- Courier 12-point or standard print font (no bold font)
- Alpha characters must be in upper case
- Original printed output (no corrections or photocopies accepted)
- On one side of the paper (scannable forms only; see list on page 3)

General Information About Substitute Forms 540, 540 252, and 540NR

We use an automated processing system to capture information from Substitute Forms 540, 540 2EZ, and 540NR, rather than having the information entered manually by key data operators.

Substitute Forms 540, 540 2EZ, and 540NR are formatted as absolute position forms where all data is in a fixed position on the form. The entity areas (Name and Address) of these forms are arranged in a scannable layout while the rest of each form is like the official forms.

To ensure the integrity of the tax return data, if any corrections are made, you must reprint the entire substitute Form 540, 540 2EZ, or 540NR tax return before your client (or you) mail it to the FTB.

We will capture the tax practitioner's identification number, i.e., federal employer identification number (FEIN), and PTIN from all personal and business entity (corporation, partnership, limited liability company) income tax returns.

Guidelines on How to Enter Taxpayer Entity Information on Computer-Prepared Personal Income Tax Returns (Substitute Forms 540, 540 2EZ, and 540NR)

Miscellaneous Information

Tax Preparer Identification Number: Paid Preparer Information

The IRS requires a paid tax preparer to get and use PTIN. If the preparer has a FEIN, it should be entered only in the space provided.

Direct Deposit of Refund (DDR)

DDR is available to your clients who file their personal income tax return Forms 540, 540 2EZ, and 540NR electronically or on paper and to your business entity clients who file Forms 100, 100S, 100W, and 109. When your clients select this option, be sure to complete **ALL DDR fields** in the "Direct Deposit of Refund" area Side 5 on Form 540; Side 4 on Form 540 2EZ; Side 5 on Form 540NR; Side 2 on Forms 100, 100S and 100W; and Side 2 on Form 109. **Mandatory Electronic Payments** – Your personal income tax clients are required to remit their payments electronically if they make an estimate or extension payment exceeding \$20,000 or if the total tax liability shown on their original tax return exceeds \$80,000 for any taxable year that begins on or after January 1, 2009. Once your clients meet the threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. Individuals that do not send the payment electronically will be subject to a 1% noncompliance penalty. Electronic payments can be made using Web Pay on FTB's website, electronic funds withdrawal (EFW) as part of the e-file return, or their credit card. For more information, go to **ftb.ca.gov** and search for **mandatory epay.**

Payment Options

- Electronic Funds Withdrawal Instead of paying by check or money order, use this convenient option if you e-file. Simply provide your bank information, amount you want to pay, and the date you want the balance due to be withdrawn from your account. Your tax preparation software will offer this option.
- Web Pay Your clients can enjoy the convenience of online bill payment with Web Pay. This secure service lets them pay the current amount owed and schedule future payments, such as estimated tax, up to one year in advance. They select the amount to pay and when to pay it. We deduct the payment from their bank account on the date selected. Your client's SSN or ITIN, bank account and routing number is needed to use this service. For more information, go to **ftb.ca.gov/pay**.

Business entity income tax clients can make payments electronically at the FTB website with Web Pay. Your business entity clients can make an immediate payment or schedule payments up to a year in advance. For more information, go to **ftb.ca.gov/pay**.

• **Credit Card** – Whether your clients e-file or file by mail, they may use their Discover, MasterCard, Visa, or American Express to pay their tax (tax return balance, extension payment, estimated tax payment, or tax due with bill notice). They can make payments online or by phone. For more information about fees, etc., call 800.272.9829, or visit **officialpayments.com**.

Check or Money Order – Using the current year's form to make a current year payment, your clients should:

1. Make a check or money order payable to the "Franchise Tax Board."

Using black or blue ink, make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

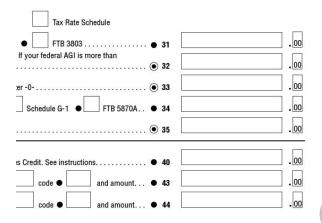

- 2. Write their tax ID number (SSN or ITIN, FEIN, CA corporation no., or CA SOS file no.), tax form, and tax year on the check or money order.
- 3. Mail the payment to the correct address. Go to **ftb.ca.gov** and search for **mailing address**.

What are Keying Symbols?

Keying symbols are important. Although we process most personal income tax returns through our automated imaging system, there are times when certain returns require manual intervention by us. Keying symbols are shown on all computer-prepared tax returns. They will print to the left of specified tax data line numbers. They reduce time and guide key data operators to enter the correct tax return information.

Exact placement, shape, and size of keying symbols that will be present on the 2021 personal and business income tax returns is shown below in the snapshot of a 2021 Form 540.

Before you give your clients their tax returns to file, please verify that these symbols are present. If they are not present, please read your software company's user manual to make sure you have the minimum hardware and printer fonts necessary to print FTB-approved forms. If you cannot determine why the keying symbols do not print correctly, contact your software provider's technical support staff.

Fiscal Year Filers

If any of your clients file their personal income tax return on a fiscal year basis, the tax software you use must accommodate their needs. Not all tax software products support the filing of fiscal year personal income tax returns. As a result, you may need to complete the tax returns for your fiscal year clients by hand.

Always remember to enter the fiscal year date as the filing date for your fiscal year clients; otherwise, we will process the tax return as a calendar year tax return. When this happens, the tax return most likely will appear to be delinquent in some way. As a result, your fiscal year clients could receive a delinquent or late payment of tax penalty or an under payment of estimated tax penalty and may be assessed interest.

Contact your software provider and confirm the tax software you use supports fiscal year filing for personal income tax filers.

Prior Year and Amended Returns

Do not use 2021 software to file a prior year tax return. File current year forms for current year tax liabilities. (e.g., Use the 2022 Form 540-ES to make 2022 estimate tax payments.)

Amend personal income tax Forms 540, 540 2EZ, and 540NR by completing the applicable amended personal income tax return and checking the amended checkbox. Also complete and attach Schedule X to the applicable amended return.

Amend corporate income tax Forms 100, 100S, and 100W by completing Form 100X, Amended Corporation Franchise or Income Tax Return.

Amend partnership and limited liability company (LLC) Forms 565 and 568 by completing a new Form 565 or 568. Check the box marked "Amended return" on Side 1 of each form. For more information on how to file amended partnership and LLC returns get the Form 565 or Form 568 tax booklet.

Do not use any of the forms shown above to make installment payments for your clients that owe tax. Only we can set up an installment agreement plan for your clients. Get form FTB 3567, Installment Agreement Request, for information on how to request an installment agreement plan for your clients. For more information or to download forms to request an installment agreement, go to **ftb.ca.gov** and search for **installment agreement**.

Remind your clients NOT to mail any payment form, listed above to the FTB if the "Amount of payment" is zero (0).

Claiming Additional Credits on Personal and Business Entity Tax Returns (Forms 100, 100S, 100W, 540, Form 540 NR, and Schedule P (541))

When your clients claim additional credits, the credit acronym, code, and amount should print on the applicable lines of Forms 100, 100S, 100W, 540, and Form 540NR. The Form 541 does not have space for credit acronyms.

When a client claims credits on Schedule P (100, 100W, 540, 540NR, or 541) and the credits are listed in more than one section, the tax software you use should total column (b) of the credits that have the same codes and bring the total forward to the applicable line of the tax return being filed.

If your client has any other credits to claim on Schedule P (100, 100W, 540, 540NR, or 541), the tax software you use should add the amounts from column (b) for those credits and bring the total forward to the applicable line of the tax return being filed. To see the list of credits go to Page 13.

California's e-file Program

California R&TC Section 18621.10 requires any business entity that files an original or amended tax return that is prepared using tax preparation software to e-file their tax return with the FTB. For more information, go to **ftb.ca.gov** and search for **business efile**.

California R&TC Section 18621.9 requires practitioners who prepare more than 100 individual state income tax returns annually and who prepare one or more current year returns using tax preparation software to e-file. For more information about mandatory e-file, go to **ftb.ca.gov** and search for **mandatory efile**.

The FTB and the IRS have approved over 200,000 tax practitioners to provide e-filing services to more than 18 million California taxpayers expected to e-file during the current filing season. Participating in the California e-file Program has many benefits for you and your clients. Here are some highlights:

- Faster refunds Refunds can be deposited directly into your client's bank account.
- Proof of receipt We provide acknowledgement that we have accepted the tax return for processing.
- Opportunity to correct errors Our system performs up-front edits on all incoming e-file tax returns. We let you know if we detect any errors, what those errors are, and allow you time to make any corrections. This step reduces subsequent notices to your clients.
- Accurate tax returns Because most errors can be resolved before we accept your tax return for processing, less than one percent of e-file tax returns require special handling.
- Safe We use the latest technologies to ensure the security and privacy of all taxpayer information. Our Secure Web Internet File Transfer System (SWIFT) only allows HTTPS and FTPS protocols plus 128-bit Encryption using digital certificates from VeriSign. We have never experienced a breach of security in our e-file program.

California e-file Program Enrollment Requirements (Individual and Business e-file)

FTB does not require e-file providers to submit a separate enrollment application for authorization to electronically file individual or business tax returns.

Providers approved to participate in the IRS Electronic Filing (e-file) Program are automatically enrolled in the California e-file Program. In addition, we will automatically receive any updates that you make to your IRS account.

Requirements for e-file participation:

To be automatically enrolled in our e-file program, you must be an accepted participant in the IRS e-file Program. We receive confirmation from the IRS after they accept you into their program.

Use your IRS-assigned EFIN to e-file with the FTB. If you transmit returns, use your IRS-assigned Electronic Transmitter Identification Number (ETIN) with the FTB.

Comply with the guidelines in FTB Pub. 1345, Handbook for Authorized e-file Providers.

Once you receive your IRS EFIN, you can verify your enrollment with California by contacting e-Programs Customer Service at 916.845.0353.

Filing Business Entity Returns

To ensure accurate and timely processing of your clients' business entity returns that require Schedules K-1 (100S, 541, 565, or 568), use software that produces FTB-approved schedules. Make sure that the substitute forms you use meet our requirements. Schedules K-1 (565 and 568) filed with incomplete information may cause us to contact the partnership or limited liability company (LLC) for more information or return the Schedules K-1 to the partnership or LLC. Either circumstance may subject the partnership or LLC to penalties.

Do not file

- Schedule K-1 data on CD or portable USB/Flashdrive
- Federal Schedule K-1 (1065)
- Database printout information
- Abbreviated schedules

Substitute Schedules K-1 (565 or 568) Filing Requirements

If you choose to develop your clients' Schedules K-1 (565 or 568) in paper format, you must follow the same substitute forms review and approval requirements used by tax software developers, transfer agents, and others. You must complete and return to the FTB form FTB 1096, Agreement to Comply with FTB Pub. 1098, Annual Requirements and Specifications. FTB Pub. 1098, Annual Requirements and Specifications for the Development and Use of Substitute, Scannable, and Reproduced Tax Forms, includes the information you need to develop FTB-approved forms. For more information and access to form FTB 1096 or FTB Pub. 1098, email the FTB's Substitute Forms Program at **SubstituteForms@ftb.ca.gov**.

The paper format of Schedules K-1 (565 or 568) may be either a one-sided or two-sided format. The one-sided format includes only those tax data lines applicable to the partner or member. The two-sided format includes all tax data lines. Software companies choose the format to include in their tax products and both formats require approval from the FTB.

Common Trusts and Investment Clubs

Common trust funds and investment clubs should use Form 565, Partnership Return of Income, to report their filing information. To help ensure accurate processing, common trust funds are required to use the principal business activity (PBA) code 525920 Investment clubs are required to use PBA code 523900. For more information, see the instructions for federal Form 1065, U.S. Return of Partnership Income.

Power of Attorney (POA) and Tax Information Authorization (TIA)

To file a POA Declaration or Tax Information Authorization, use the online submission in MyFTB for faster processing. However, the following paper forms are available for tax payers without online access:

- FTB 3520 PIT, Individual or Fiduciary Power of Attorney Declaration
- FTB 3520 BE, Business Entity or Group Nonresident Power of Attorney Declaration
- FTB 3520 RVK, Power of Attorney Declaration Revocation
- FTB 3534, Tax Information Authorization
- FTB 3535, Tax Information Authorization Revocation

Use the most current version of the POA forms. The authority provided by the declaration forms will expire six years from the date the forms are signed or a revocation form FTB 3520 RVK is filed. We will no longer automatically revoke previously accepted POA Declarations with overlapping tax years or income periods. POA Declarations filed before January 1, 2018, will generally remain in effect until revoked or expired.

We will only accept the FTB 3520 PIT or FTB 3520 BE forms and will reject the former FTB 3520 form and non-FTB POA Declaration forms. For more information on submitting the forms online or by mail, go to **ftb.ca.gov/poa**.

We will only accept and process the FTB 3534 TIA. We will no longer process the comparable IRS Form 8821, Tax Information Authorization. For more information on submitting the forms online or by mail, go to **ftb.ca.gov/TIA**.
