2023 Instructions for Form 541-B

Charitable Remainder and Pooled Income Trusts

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and to the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), California Adjustments - Residents, or Schedule CA (540NR), California Adjustments - Nonresidents or Part-Year Residents, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

A Purpose

Use Form 541-B, Charitable Remainder and Pooled Income Trusts, to report the financial activities of a charitable lead trust, charitable remainder trust, or a pooled income fund. Use this form to provide information regarding charitable deductions and distributions of or from a split-interest trust, distributions to non-charitable beneficiaries, information about donor and asset contributions and to report accumulations of income for charitable remainder trusts.

B Who Must File

Do not file Form 541-B if there are no California fiduciaries, California noncontingent beneficiaries, or California sourced income.

The fiduciary or fiduciaries for all charitable remainder trusts as defined in IRC Section 664, pooled income funds as defined in IRC Section 642(c)(5), or charitable lead trusts must file Form 541-B for each calendar year to report the information required in R&TC Section 18635, unless all net income is required to be currently distributed.

Split-interest trusts **do not** have to file Form 541-A, Trust Accumulation of Charitable Amounts. A trust allowed a deduction under IRC Section 642(c), must file Form 541-A. For more information, get Form 541-A.

C When to File

Form 541-B is due on or before April 15, 2024. If you need additional time to file, California grants an automatic six-month extension. The automatic extension will apply if the fiduciary files the tax return by the 15th day of the 10th month following the close of the taxable year (fiscal year), or by October 15, 2024 (calendar year.)

If the due date falls on a weekend or holiday, the deadline to file is extended to the next business day.

If **the trust owes tax**, see Specific Line Instructions, Part II, Unrelated Business Taxable Income. If you are unable to file Form 541, California Fiduciary Income Tax Return, by the tax return's due date and a tax is owed, get form FTB 3563, Payment for Automatic Extension for Fiduciaries, for more information.

D Which Parts to Complete

Form 541-B has several parts. Parts that do not reference a specific trust apply to all split-interest trusts. Charitable lead trusts, pooled income funds, and charitable remainder trusts must supply additional information as noted on the form and in the instructions.

E Where to File

Mail Form 541-B to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0001

F Trust Instrument

If this is the first tax return for a charitable remainder annuity trust or a charitable remainder unitrust, include a copy of the trust instrument and a written declaration under penalties of perjury that the instrument is a true and complete copy.

G California Tax Exemption

A charitable remainder annuity trust or a charitable remainder unitrust is exempt from California income tax, except for years when it has unrelated business taxable income (UBTI). Even though exempt from California income tax, such a trust must file Form 541-B for the calendar year.

H Amended Tax Return

If the fiduciary is filing an amended Form 541-B, check the box labeled "Amended Tax Return." Complete the entire tax return and correct the lines needing new information. On an attached sheet, explain the reason for the amendments and identify the lines and amounts being changed on the amended tax return. Include the fiduciary name and federal employer identification number (FEIN) on each attachment.

I Final Tax Return

For the last taxable year of a charitable remainder annuity trust or a charitable remainder unitrust, check the box labeled "Final Tax Return."

J Signature

The trustee or an authorized representative must sign Form 541-B. Any person preparing the trust's tax return for compensation, who is not a regular full-time employee of the trust, must also sign Form 541-B.

Paid Preparer's Information

Anyone who is paid to prepare a tax return must sign the return and complete the "Paid Preparer's Use Only" area of the return.

The paid preparer must do all of the following:

- Complete the required preparer information. Tax preparers must provide their preparer tax identification number (PTIN).
- Sign in the space provided for the preparer's signature.
- Give you a copy of the return in addition to the copy to be filed with the Franchise Tax Board (FTB).

If you, as trustee (or an employee or officer of the trust), complete Form 541-B, leave the "Paid Preparer's Use Only" area of the return blank.

If someone prepares this return and doesn't charge you, that person should not sign the return.

Paid preparer authorization

If the trust wants to allow the FTB to discuss its 2023 tax return with the paid preparer who signed it, check the “Yes” box in the signature area of the tax return. This authorization applies only to the individual whose signature appears in the “Paid Preparer’s Use Only” section of the tax return. It does not apply to the firm, if any, shown in that section.

If the “Yes” box is checked, the trust is authorizing the FTB to call the paid preparer to answer any questions that may arise during the processing of its tax return. The trust is also authorizing the paid preparer to:

- Give the FTB any information that is missing from the tax return.
- Call the FTB for information about the processing of the tax return or the status of any related refund or payments.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

The trust is not authorizing the paid preparer to receive any refund check, bind the trust to anything (including any additional tax liability), or otherwise represent the trust before the FTB.

The authorization will automatically end no later than the due date (without regard to extensions) for filing the trust’s 2024 tax return. If the trust wants to revoke the authorization before it ends, notify the FTB in writing or call 800.852.5711.

If the trust wants to expand or change the paid preparer’s authorization, go to ftb.ca.gov/poa.

Divide the trusts income (both current and cumulative) into three categories:

- Ordinary income
- Capital gains and losses
- Nontaxable income

Enter all allowable deductions and any expenses that would be allowed except deductions allocable to tax-exempt income.

Allocate any expense that is not deductible in determining taxable income and not allocated to nontaxable income to corpus. Allocate all income and excise taxes to trust corpus.

The following deductions are not permitted in computing ordinary income, capital gains, or nontaxable income: federal, state, and local income and excise taxes; charitable contributions, IRC Section 642(c); net operating losses, IRC Sections 172 and 642(d); distributions to beneficiaries, IRC Section 661; and capital loss carryovers, IRC Section 1212.

2. Allowable deductions not allocated under (1) above are allocated on the basis of gross income after directly attributable deductions, to the extent of such income.
3. Deductions not allocated under either (1) or (2) above may be allocated in any manner.

Add the deductions that were allocated to all the classes of income within each category and enter the amount on the appropriate line. (**Note:** Any deduction allocated to corpus is not shown on any line in Section E.)

The following deductions are not permitted in computing ordinary income, capital gains, or nontaxable income: federal, state, and local income and excise taxes; charitable contributions, IRC Section 642(c); net operating losses, IRC Sections 172 and 642(d); distributions to beneficiaries, IRC Section 661; and capital loss carryovers, IRC Section 1212.

Part II Unrelated Business Taxable Income

California law conforms, as modified, to the federal provisions for charitable remainder annuity trusts and charitable remainder unitrusts by providing that the trust's income shall be tax-exempt, except for any UBTI.

The trust is taxable on UBTI, within the meaning of IRC Section 512 and related regulations.

Complete Form 541 to report the UBTI and to compute the tax.

Complete Form 541-B to report non-UBTI income.

Part III Schedule of Distributable Income (IRC Section 664 trust only)

- Ordinary income
- Capital gains and losses
- Nontaxable income

If there is a loss in the current year in any one of the three categories, the loss may not be used to reduce a gain in any other category. A loss in any one category may be used to reduce undistributed gain from an earlier year within the same category. Excess loss may be carried forward to reduce gain in the future years within that same category.

Examples of appropriate descriptions are:

- The trust claimed a deduction during the year under IRC Section 642(c) whether the amount was set aside or paid.
- The trust made payment for charitable purposes during the year but claimed the IRC Section 642(c) deduction in the prior year.

Attach a statement describing in detail the purpose for which charitable disbursements were made from income set aside in prior taxable years and amounts which were paid out of principal for charitable purposes.

Part V Balance Sheet

Complete the balance sheet using the accounting method the trust uses to keep its books and records. All filers must complete columns (a) and (b). All unitrusts must also complete column (c).

In completing column (c) for unitrusts, if an average value is used for more than one valuation date, enter "average" for the valuation date at the top of the column and report each valuation date in the attached explanation for line 71. Also, for purposes of this column, fair market value (FMV) includes both accrued income and accrued liabilities.

- Report each loan separately, even if more than one loan was made to the same person or the same terms apply to all loans made. Salary advances and other advances for personal use and benefit and receivables subject to special terms or arising from transactions not functionally related to the trust's charitable purposes must be reported as separate loans for each officer, director, etc.
- Receivables that are subject to the same terms and conditions (including credit limits and rate of interest) as receivables due from the general public and that arose in connection with an activity functionally related to the trust's charitable purposes may be reported as a single total for all the officers, directors, etc. Travel advances made in connection with official business of the trust may also be reported as a single total.

For each outstanding loan or other receivable that must be reported separately, the schedule should show all of the following information:

- Borrower's name and title
- Original amount
- Balance due
- Date of note
- Maturity date
- Repayment terms
- Interest rate
- Security provided by the borrower
- Purpose of the loan
