TAX CREDIT**

GENERAL INSTRUCTIONS

PURPOSE OF FORM

Use Form N-354 to figure and claim the organic foods production tax credit under section 235-110.94, Hawaii Revised Statutes (HRS).

WHO MAY CLAIM THIS CREDIT

For taxable years beginning AFTER December 31, 2016, and BEFORE December 31, 2021, each qualified taxpayer having qualified expenses to produce organic agriculture products that obtains a credit certificate issued by the Department of Agriculture may claim a nonrefundable organic foods production tax credit.

FLOW-THROUGH ENTITIES

In the case of a partnership, S corporation, estate, or trust, the tax credit allowable shall be determined at the entity level. Distribution and share of the credit shall be determined by rule.

CREDIT REQUIREMENTS

The tax credit is equal to the qualified expenses of the qualified taxpayer, up to a maximum of \$50,000.

The total amount of tax credits allowed under this section shall not exceed \$2,000,000 for all qualified taxpayers in any taxable year; provided that any taxpayer who is not eligible to claim the credit in a taxable year due to the \$2,000,000 cap having been exceeded for that taxable year shall be eligible to claim the credit in the subsequent taxable year.

To claim this credit, you must attach to your Hawaii income tax return:

- (1) Form N-354 (Complete Part II and attach.)
- (2) A completed Schedule CR (For tax returns for which Schedule CR is required.)
- (3) A completed Schedule K-1 (Required only if you are a member of a flow-through entity claiming a credit for the entity's organic foods production.)

If the credit exceeds the taxpayer's net income tax liability, the excess of credit over liability may be used as a credit against the taxpayer's income tax liability in subsequent years until exhausted.

DEADLINE FOR CLAIMING THE CREDIT

The deadline to claim the credit, including amended claims, is 12 months after the close of your taxable year. You cannot claim or amend the credit after the deadline.
