Enter on Form K-40 the school district number for the district **where you resided on December 31, 2024**, even though you may have moved to a different district since then. This list will assist you in locating your school district number. The districts are listed under the county in which the headquarters are located. Many districts overlap into more than one county, therefore, if you are unable to locate your school district in your home county, check the adjacent counties or call your county clerk or local school district office.
