The ESOP designation supersedes the entity type for purposes of this form. An ESOP is an employee-owner program that provides a company's workforce with an ownership interest in the company.

Who Must File—The shareholders are liable for tax on their share of the S Corporation income, whether or not distributed, and must include their share on the individual income tax return.

If you were a Kentucky resident for the entire year, your filing requirement depends upon your family size, modified gross income, Kentucky adjusted gross income, and income from self-employment.

Any person with gross receipts exceeding the threshold amount determined under KRS 141.066 from self-employment must file a Form 740, regardless of the amount of adjusted gross income or the number of tax credits claimed. Generally, all income of Kentucky residents, regardless of where it was earned, is subject to Kentucky income tax. See Form 740 Instructions.

Schedule K-1 (Form 720S) does not show the amount of actual dividend distributions the S corporation paid to you. The S corporation must report such amounts to you on Form 1099-DIV. You report actual dividend distributions on federal Schedule B (Form 1040). Refer to the shareholder instructions you received for federal Schedule K-1 (Form 1120S) for information concerning your basis in corporate stock, elections to be made by you separately on your income tax return and not by the S corporation, etc.

Every individual, including an estate and trust, who is a resident of Kentucky and is a shareholder in an S corporation is required to report 100 percent of his or her share of income (loss), credits, deductions, etc. for Kentucky individual income tax purposes. **A nonresident shareholder must report the portion of his or her share of income attributable to the S corporation's business in Kentucky.** A resident is an individual domiciled within Kentucky or an individual who is not domiciled in Kentucky but maintains a place of abode in Kentucky and spends in the aggregate more than 183 days of the taxable year in Kentucky. A **nonresident** is any individual who is not a resident of Kentucky.

Nonresidents with income from Kentucky sources and part-year residents receiving income while a Kentucky resident or from Kentucky sources while a nonresident must file a Kentucky return. **S Corporation income is not exempted by reciprocal agreements between Kentucky and any other state.** Form 740-NP must be filed by an individual with income from Kentucky sources and a combined gross income from all sources exceeding the threshold amount determined under KRS 141.066. Full-year nonresidents must report all income from Kentucky sources and from property located in Kentucky. Persons moving into Kentucky must report income received from Kentucky sources prior to becoming residents and income received from all sources after becoming Kentucky residents. Residents moving out of Kentucky during the year must report income from all sources while a resident and from Kentucky sources while a nonresident.

At-Risk Limitations—Generally, if you have a loss from any activity carried on as a trade or business or for the production of income by the S corporation and you, the shareholder,

have amounts invested in that activity for which you are not at risk, you will be required to complete federal Form 6198, At-Risk Limitations, to figure the allowable loss to report on your Kentucky income tax return. Your deductible loss from each activity for the tax year generally is limited to the amount you are at risk or could actually lose in the activity, whichever is less. To help you complete Form 6198, if required, the S corporation will provide a schedule showing your share of income, expenses, etc., for each at-risk activity.

Passive Activity Limitations—The passive activity limitations in IRC §469 are figured at the shareholder level and may apply to any loss reported in Section A, Lines 1, 2, or 3 and any other related items of income, loss, and deductions reported on Schedule K-1 (Form 720S). Refer to the federal Shareholder's Instructions for federal Schedule K-1 (Form 1120S) to determine if the passive activity limitations apply to your share of loss(es) reported on Schedule K-1 (Form 720S) and if you must file Form 8582-K, Kentucky Passive Activity Loss Limitations.

SPECIFIC INSTRUCTIONS

Kentucky Resident Shareholders (Form 740 Filers)

You, as the shareholder, will need to determine the net difference between your federal Schedule K-1 amounts and your Kentucky Schedule K-1 amounts. This will adjust the items of income, loss, and deductions used to compute your federal adjusted gross income to the Kentucky amounts shown on Schedule K-1. To determine this difference, complete Section E, Lines 1 through 3.

Line 1—Include on this line the Kentucky Schedule K-1 amounts from Lines 1 through 5 and 8. Also, include the amounts from Lines 6 and 10 that do not pass through to Form 740 or 740-NP, Schedule A as itemized deductions.

Line 2—Include on this line the federal Schedule K-1 amounts from Lines 1 through 9 and 11. Also, include the amounts from Lines 10 and 12 that do not pass through to Form 740 or 740-NP, Schedule A as itemized deductions.

NOTE: If Form 8582-K is required, adjust the amounts entered in Section A, Lines 1, 2, and 3 to exclude any income, loss, deduction, or expense related to a passive activity. Complete the passive activities adjustment worksheet (Form 8582-K) to determine additions to or subtractions from federal adjusted gross income. **See Form 740 instructions for Schedule M, Line 5 and/or Line 14.**

If amounts in Section A, Lines 4(d) and 4(e) are subject to the capital loss limitations, do not include in Section A, Lines 1 and 2. Complete federal Schedule D using Kentucky amounts to determine additions to or subtractions from federal adjusted gross income.

Line 3—Enter difference of Section E, Lines 1 and 2. If Line 1 is greater than Line 2, enter the difference as an addition to

federal adjusted gross income on Schedule M, Line 2. If Line 2 is greater than Line 1, enter the difference as a subtraction on Schedule M, Line 11.

Caution: If the amount in Section E, Line 1 is a (loss) and Line 2 is a (loss), the smaller dollar amount of (loss) is the greater amount, and to determine the difference, subtract the smaller dollar amount from the larger dollar amount. If the amount on either Line 1 or Line 2 is an income amount and the amount on the other line is a loss amount, the income amount is the greater amount; therefore, add the two amounts to determine the difference.

Nonresident Shareholders (Form 740-NP Filers)

A nonresident individual who is required to file Form 740-NP, Kentucky Individual Income Tax Return Nonresident or Part-Year Resident, or who elects to file Form 740-NP to take advantage of capital loss and net operating loss carryovers must enter the amounts from Schedule K-1 as follows:

If the percentage in Item B(2) is "100%," the amounts on Lines 1 through 5 and 8, portions of Lines 6 and 10, and the portion of Line 13(b) actually deducted for the current year must be entered on the appropriate lines of Form 740-NP and related schedules.

If the percentage in Item B(2) is less than 100 percent, the amounts on Lines 1 through 5 and 8, portions of Lines 6 and 10, and the portion of Line 13(b) actually deducted for the current year must be multiplied by this percentage and entered on the appropriate lines of Form 740-NP and related schedules. Amounts on Line 11(a) and the portions of Lines 6 and 10 which pass through to Schedule A (Form 740-NP) should not be multiplied by the percentage in Item B(2) since these amounts will be multiplied by the percentage on Form 740-NP, Page 4, Line 32 (Percentage of Kentucky Adjusted Gross Income to Federal Adjusted Gross Income).
