Act 461 of the 2016 Regular Session provides that the secretary may accept a physical copy of a taxpayer's Internal Revenue Service form requesting an extension of time to file a federal income tax return as an extension of time to file a Louisiana income tax return.

The Secretary of the Louisiana Department of Revenue may grant an extension of time for filing returns not to exceed six months from the date the Louisiana income tax return is due. By completing and submitting this form by May 15, 2018, you can extend the date to file your Louisiana income tax return to November 15, 2018. You must also attach a copy of a completed federal form 4868 or a copy of the confirmation that the electronically filed federal extension request was accepted.

For fiscal year filers, please indicate your fiscal period below when requesting your 6-month extension to file your Louisiana Individual Income tax return. The due date for fiscal filers is the 15th day of the 5th month after the close of the fiscal year.

By filing this transmittal, you are requesting only an extension of time to file. **This form does not grant an extension of time to pay the tax due.** Payments received after the return due date will be charged interest and late payment penalty.

For calendar year ended 2017, or other tax year beginning \_\_\_\_\_, 2017, ending \_\_\_\_\_, 2018.
