Welcome to the Maryland 2024 Tax Year Booklet

Reflecting on the first two years of a four-year term, I am proud that our team has worked to modernize our agency and engage with Marylanders. We launched Maryland Tax Connect – a new and improved self-service portal for business tax filing and our agency’s first-ever report on the State of the Economy! This year’s rotation of covers highlights some of Maryland’s unique cultural institutions, showcasing our state’s museums that preserve its rich history and culture. While we couldn’t feature all the incredible museums to visit across Maryland, we proudly celebrate these three treasured institutions. Read below to learn more and send us your ideas on the attributes that make Maryland special that we should highlight in the coming years!

The Washington County Museum of Fine Arts

Founded by Anna Brugh Singer and her husband William H. Singer, Jr. in Hagerstown, Maryland, the Washington County Museum of Fine Arts opened its doors in 1931 and expanded twice - in 1949 and 1994. The firm Hyde & Shepherd designed the building in the neo-Georgian style and features red brick construction trimmed with local limestone. The American Association of Museums accredited the museum in 1997 and it is the only art museum in Western Maryland to hold this honor. The museum’s collection has grown to include over 6,000 art objects.

The Chesapeake Bay Maritime Museum

The Chesapeake Bay Maritime Museum was founded in 1965 as a project of the Historical Society of Talbot County, which obtained three waterfront houses along St. Michael Harbor. The museum was once a site for seafood packing houses, docks, and work boats, and it currently houses a wide range of exhibits, artifacts, and vessels from the Chesapeake Bay. The museum has interactive displays that showcase the Bay’s history and physical and economic environments. It makes for a great visit for adults and children alike!

The Baltimore Museum of Industry

Founded in 1977, the Baltimore Museum of Industry (BMI) interprets the diverse and significant human stories behind labor and innovation in Baltimore, cultivating a sense of belonging and inspiring visitors to think critically about the intersection of work and society. Located in an 1860s oyster cannery on a five-acre waterfront campus, the BMI offers dynamic indoor and outdoor exhibitions, live demonstrations, tours, and hands-on activities for visitors of all ages. Current exhibitions explore the rise and fall of Bethlehem Steel at Sparrows Point, labor activism and unions in 21st century Baltimore, and the role of corner bars as social gathering spaces at the turn of the century.

The Francis Scott Key Bridge spanning Baltimore’s Patapsco River carried workers for nearly a half century—to steel mills, sugar refineries, and offices downtown. When it collapsed on March 26, 2024, it was being repaired by middle-of-the-night laborers filling potholes so Marylanders would have a safer ride to their jobs. In response, the museum has launched an oral history project to preserve the stories of people whose livelihoods have been impacted by the bridge collapse. The stories and materials collected will form the basis of public programs and a future long-term exhibition at the BMI about the Port, its history, and the jobs it sustains.

A MESSAGE FROM THE COMPTROLLER

Dear Marylander,

Greetings! Thank you for taking the time to review our 2024 Maryland State Tax Forms and Instructions. We compile this publication each year to help guide Marylanders through the tax filing process and provide updates on tax code changes.

Our team at the Office of the Comptroller has been hard at work over the last year to begin an important revitalization in the agency. Guided by our agency-wide vision – to work in partnership to create a state that is more equitable, more resilient, and more prosperous so that every Marylander can reach their full potential – we set forth an ambitious agenda to modernize the agency and our infrastructure, obtain much-needed resources to better serve Marylanders throughout the state, and ensure Maryland is well-positioned for responsible long term economic growth and success.

The Comptroller's Office released the agency's inaugural State of the Economy Report in January, using economic data from 2023. My team led this collaborative effort to better understand the forces at play that have led the state to receive less revenue in the past year. Future reports will dive into specific areas uncovered by our findings. You can find all our research reports at marylandtaxes.gov/research to learn more.

As part of a much-needed modernization effort, we have launched Maryland Tax Connect, a self-service portal that now allows Maryland businesses to file their taxes online with increased ease and security, enabling taxpayers to interact with the Comptroller's Office more efficiently. The portal is designed to allow taxpayers to complete essential functions and is accessible from a mobile device or a desktop. Our goal is for all Maryland taxpayers to be able to pay their state taxes and track their tax payments in this new system by 2026. For more information, visit marylandtaxes.gov/MDTaxConnect.

I am also pleased to report that we had another successful legislative session this past year. With broad stakeholder support, and in partnership with Governor Moore, Senate President Ferguson, and Speaker Jones, we obtained additional resources for the Comptroller's Office, including new positions to advance hiring efforts across the agency and \$8.5 million for cybersecurity, training, audit efforts, equipment upgrades, maintenance, fraud, and accessibility-related projects, including translation services.

We also passed all six of our priority bills in our legislative package. Over the long term, these bills will help Marylanders by providing tax assistance funding for low-income residents of Maryland, supporting our agency's compliance efforts, preventing and punishing tax preparer scams, promoting online filing, and providing resources to help raise awareness of personal income tax credits.

We look forward to working with you, your community, or your business. Only by building solid partnerships can we ensure the growth and thriving of our communities and businesses. Please call our team for assistance at 1-800-MD-TAXES or email us at taxhelp@marylandtaxes.gov.

Be well and please keep in touch!

My best,

Brooke E. Lierman

IF YOU ARE NOT REQUIRED TO FILE A MARYLAND RETURN BUT HAD MARYLAND TAXES WITHHELD OR YOU QUALIFY TO CLAIM A REFUNDABLE CREDIT

To claim a refund for Maryland income taxes withheld or to claim a refundable credit (see Instruction 21), you must file a Maryland return. Taxpayers who are filing for refund only, should complete all of the information at the top of Form 502 and the following Lines:

- 1-16**
- 22*, 29***
- 35-44**
- 46, 48**

*Enter a zero unless: (i) you claim an earned income credit on your federal return, or (ii) you do not meet the minimum age requirement under the federal credit, but are otherwise eligible for the federal credit, for those without a qualifying child.

Attach applicable withholding statements (Forms W-2 and 1099), Form 502CR, and Maryland Schedule K-1 (510/511). The total amount withheld on all Forms W-2 and 1099 must equal the withholding you are claiming. Complete direct deposit information (Instruction 22) if desired and sign the return.

2 USE OF FEDERAL RETURN.

First complete your 2024 federal income tax return.

You will need information from your federal return to complete your Maryland return. Complete your federal return before you continue. Maryland law requires that your income and deductions be entered on your Maryland return exactly as they were reported on your federal return. If you use federal Form 1040NR, visit marylandtaxes.gov for further information. All items reported on your Maryland return are subject to verification, audit, and revision by the Maryland State Comptroller's Office.

3 MARYLAND HEALTHCARE COVERAGE.

The Maryland General Assembly enacted Chapter 423 in the 2019 Session requiring the collection of certain information, including whether an individual is uninsured at the time the tax return is filed and whether the individual is interested in having Maryland Health Connection ("MHC") determine whether an individual may be eligible for insurance affordability programs, such as no-cost or low-cost minimum essential health care coverage.

Check the appropriate box on Form 502 for you and/or your spouse if you are uninsured as of the date you file your return. If you would like MHC to determine pre-eligibility for health insurance affordability programs for any uninsured member of your household, you must also check the box on Form 502 indicating you authorize the Comptroller to share information from

your tax return with MHC, which is operated by the Maryland Health Benefit Exchange.

For each dependent identified on Form 502B, check the appropriate box to indicate if that dependent is an uninsured individual as of the date the return is filed.

You must provide the date of birth for any uninsured individual who is interested in obtaining minimum essential health coverage.

If you authorize information sharing, we will share the following information with MHC:

- Name, SSN/ITIN, and date of birth of each individual identified on your return;
- Your current mailing address, email address, and phone number;
- Filing status reported on your return;
- Total number of individuals in your household included in your return;
- Insured/uninsured status of each individual included in your return;
- Blindness status;
- Relationship (self, spouse, or dependent) to the primary taxpayer for each individual included in your return; and
- Your federal adjusted gross income amount from Line 1.

Information shared with MHC will be used to determine eligibility for insurance affordability programs or to assist with enrollment in health coverage. If you would like more information about the health insurance affordability programs or health care coverage enrollment, visit Maryland Health Connection at marylandhealthconnection.gov/easyenrollment/.

4 NAME AND ADDRESS.

Print using blue or black ink.

Enter your name exactly as entered on your federal tax return. If you changed your name because of marriage, divorce, etc., be sure to report the change to the Social Security Administration before filing your return. This will prevent delays in the processing of your return.

Enter your current address using the spaces provided. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. On Current Mailing Address Line 2, if applicable, enter the floor, suite or apartment number for your current mailing address. If using a PO Box address, leave Current Mailing Address Line 2 blank. Enter City or Town, State, and ZIP Code + 4.

If using a foreign address, complete the lines indicated for Country Name, Province/State/County, and Postal Code.

5 SOCIAL SECURITY NUMBER(S) (SSN).

It is important that you enter each digit of your Social Security number in the space provided at the top of your tax return. Missing or unreadable digits will delay the processing of your return. Your name must match the name on your current Social Security card to ensure you receive your personal exemption. If your name does not match the name on your Social Security card, contact the federal Social Security Administration at 800-722-1213, or visit ssa.gov.

The Social Security number(s) must be a valid number issued by the Social Security Administration of the United States Government. If you, your spouse, or dependent(s) do not have a Social Security number and you are not eligible to get a SSN, **you must apply for an Individual Taxpayer Identification Number (ITIN) with the IRS and you should wait until you have received it before you file; and enter it wherever your Social Security number is requested on the return.**

A missing or incorrect SSN or ITIN could result in the disallowance of any credits or exemptions you may be entitled to and result in a balance due.

A valid SSN or ITIN is required for any claim or exemption for a dependent. If you have a dependent who was placed with you for legal adoption and you do not know their SSN, you must get an Adoption Taxpayer Identification Number (ATIN) for the dependent from the IRS.

If your child was born and died in this tax year and you do not have a SSN for the child, complete just the name and relationship of the dependent and enter code **322**, on one of the code number lines located to the right of the telephone number area on page 4 of the form; attach a copy of the child's death certificate to your return.

6 MARYLAND POLITICAL SUBDIVISION INFORMATION (REQUIRED).

Fill in the lines for your Maryland physical address of the taxing area as of December 31, 2024, including political subdivision lines, based on your residence on the last day of the taxable period. Part-year residents fill in the lines for your Maryland physical address, including political subdivision lines, based on your last day of residence in Maryland in the taxable period. Military personnel who are legal residents of Maryland should fill in the lines for your Mary-

land physical address, including political subdivision lines, based on the Maryland physical address that is used for claiming Maryland as your Home of Record on file with the Defense Finance and Accounting Service for tax year 2024.

- Find your 4-Digit Political Subdivision Code in the LIST OF INCORPORATED CITIES, TOWNS, AND TAXING AREAS IN MARYLAND and enter this number on the 4 DIGIT POLITICAL SUBDIVISION CODE line.

Then selecting the 4 Digit Political Subdivision Code, be sure that you have selected the proper political subdivision from the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND. Do not rely on your ZIP Code + 4 to identify the proper political subdivision. For example, most residents within the ZIP Code of Upper Marlboro do not reside in the political subdivision of the Town of Upper Marlboro. Therefore, entering the Town of Upper Marlboro on the 4 DIGIT POLITICAL SUBDIVISION CODE line for those with a ZIP Code in Upper Marlboro may not be correct. Also, some political subdivisions have similar names such as Bel Air in Allegany County and Town of Bel Air in Harford County or Town of Chevy Chase and Town of Chevy Chase View. You may contact your county seat for further information relating to the incorporated boundaries of incorporated cities, towns, and taxing areas in your county.

The personal exemption is \$3,200. This exemption is reduced once the taxpayer's federal adjusted gross income exceeds \$100,000 (\$150,000 if filing Joint, Head of Household, or Qualifying Surviving Spouse with Dependent Child). This reduction applies to the additional dependency exemptions as well; however, it does not apply to the taxpayer's age or blindness exemption of \$1,000. Use the chart to determine the allowable exemption amount based upon the filing status. **NOTE:** For certain taxpayers with interest from U.S. obligations see Instruction 13, Line 13, code hh for applicable exemption adjustment.

ing separate Maryland returns according to Instruction 7, you should report the income you would have reported had you filed a separate federal return. The income from jointly held securities, property, etc., must be divided evenly between spouses.

If you itemized your deductions on the joint federal return, one spouse may use the standard deduction and the other spouse may claim those deductions on the federal return that are "attributable exclusively" to that spouse, plus a prorated amount of the remaining deductions. If it is not possible to determine these deductions, the deduction must be allocated proportionately based on your share of the income.

"Attributable exclusively" means that the individual is solely responsible for the payment of an expense claimed as an itemized deduction, including compliance with a valid court order or separation agreement; or the individual jointly responsible for the payment of an expense claimed as an itemized deduction can demonstrate payment of the full amount of the deduction with funds that are not attributable in whole or in part, to the other jointly responsible individual.

If both spouses choose to itemize on their separate Maryland returns, then each spouse must determine which deductions are attributable exclusively to each spouse and prorate the remaining deductions using the Maryland Income Factor. See Instruction 26k. If it is not possible to determine deductions in this manner, they must be allocated proportionately based on their respective shares of the income. The total amount of itemized deductions for both spouses cannot exceed the itemized deductions on the federal return.

If you choose to use the standard deduction method, use STANDARD DEDUCTION WORKSHEET (16A) in Instruction 16. Each spouse must claim their own personal exemption. Each spouse may allocate the dependent exemptions in any manner they choose. A dependent may not be claimed twice. The total number of dependents claimed may not exceed the overall number of dependents.

Complete the remainder of the form using the instructions for each line. Each spouse should claim their own withholding and other credits. Joint estimated tax paid may be divided between the spouses in any manner provided the total claimed does not exceed the total estimated tax paid.

9 PART-YEAR RESIDENTS.

If you began or ended legal residence in Maryland in 2024 see Instruction 26.

10 EXEMPTIONS.

EXEMPTIONS ALLOWED

You are entitled to claim qualified exemptions on your Maryland return. The amount of your Maryland exemption may be limited by the amount of your federal adjusted gross income. See Exemption Amount Chart (10A).

You and your spouse are permitted to claim additional exemptions if, on the last day of the taxable year, you or your spouse is age 65 or older or blind. These additional exemptions are in the amount of \$1,000 each. An individual who turns 65 or becomes blind after the last day of the taxable year, but before they file their return, does not qualify for the additional exemption. If any other dependent claimed is 65 or over, you also receive an additional exemption of up to \$3,200. Make sure you check both boxes (4) and (5) of Form 502B for each of your dependents who are age 65 or over. You must provide the date(s) of birth for all individuals listed on the 502B.

13 SUBTRACTIONS FROM INCOME.

Determine which subtractions from income apply to you. Write the correct amounts on Lines 8 through 14 of Form 502. Instructions for each line:

Line 8. STATE TAX REFUNDS. Copy onto Line 8 the amount of refunds of state or local income tax included in Line 1 of Form 502.

Line 9. CHILD AND DEPENDENT CARE EXPENSES. You may subtract the cost of caring for your dependents while you work. There is a limitation of \$3,000 (\$6,000 if two or more dependents receive care). Enter on Line 9 the **smaller** of (a) the amount on Line 6 of federal Form 2441 or (b) \$3,000 (\$6,000 if two or more dependents receive care). You may also be entitled to credits for these taxable expenses. See instructions for Part B and Part CC of Form 502CR.

Line 10a. PENSION EXCLUSION. You may be able to subtract some of your taxable pension and retirement annuity income. This subtraction applies only if:

- a. You were 65 or over **or** totally disabled, or your spouse was totally disabled, on the last day of the tax year, **AND**
- b. You included on your federal return taxable income received as a pension, annuity, or endowment from an "employee retirement system" qualified under Sections 401(a), 403 or 457(b) of the Internal Revenue Code. [A traditional IRA, a Roth IRA, a rollover IRA, a simplified employee plan (SEP), a Keogh plan, an ineligible deferred compensation plan or foreign retirement income does not qualify.]

Note: For additional information regarding qualified plans pension exclusion, refer to FAQs #2 on page iii Resident Booklet; and Form 502R Instructions; and the chart of Form 502R.

Each spouse who receives taxable pension or annuity income and is 65 or over or totally disabled may be entitled to this exclusion. In addition, if you receive taxable pension or annuity income but you are not 65 or totally disabled, you may be entitled to this exclusion if your spouse is totally disabled. Complete a separate column in the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) for each spouse. Combine your allowable exclusion and enter the total amount on Line 10a, Form 502. On Line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

To be considered totally disabled, you must have a mental or physical impairment which prevents you from engaging in substantial gainful activity. You must expect the impairment to be of long, continued, or indefinite duration or to result in your death. You must attach to your return a certification from a qualified physician stating the nature of your impairment and that you are totally disabled. If you have previously submitted a physician's certification, attach your own statement that you are still totally disabled and that a physician's certification was submitted before.

If you are a part-year resident, complete PENSION EXCLUSION COMPUTATION WORKSHEET (13A) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on Line 5 by the number of months of Maryland residence divided by 12.

However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. Note that, in any case, the proration factor may not exceed 1.

Complete the PENSION EXCLUSION COMPUTATION WORKSHEET (13A). Copy the amount from Line 5 of the worksheet onto Line 10a, Form 502. On Line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

Note: You must complete and attach Form 502R to Form 502 if you or your spouse are claiming a pension exclusion on Line 10a of Form 502. See Form 502R for additional information.

Line 10b. PENSION EXCLUSION FOR RETIRED FOREST/PARK/WILDLIFE RANGER. An individual taxpayer may not claim BOTH the standard Pension Exclusion and the Pension Exclusion for Retired Forest/Park/Wildlife Ranger. If you are 65 or older on the last day of the calendar year, you are totally disabled, or your spouse is totally disabled, and you have received qualified pension income, you should complete the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) regardless of your prior work history. It is permissible for one spouse to claim the standard Pension Exclusion and the other spouse to claim the Pension Exclusion for Retired Forest/Park/Wildlife Ranger, if each spouse meets the applicable required criteria.

If you meet the following criteria, use the RETIRED FOREST/PARK/WILDLIFE RANGER PENSION EXCLUSION COMPUTATION WORKSHEET (13E) to calculate your eligible pension exclusion:

- a. You were 55 or over on the last day of the tax year, AND
- b. You were not 65 or older, or totally disabled, or have a spouse who is totally disabled, AND
- c. You included on your federal return taxable income received as a pension, annuity, or endowment from an "employee retirement system" qualified under Section 401(a), 403 or 457(b) of the Internal Revenue Code (a traditional IRA, a Roth IRA, a rollover IRA, a simplified employee plan (SEP), a Keogh plan, an ineligible deferred compensation plan for foreign retirement income does not qualify.), AND
- d. The retirement income is attributable to your service as a Forest/Park/Wildlife Ranger of the United States, the State of Maryland or a political subdivision of Maryland.

Each spouse who meets the above requirements may be entitled to the exclusion. If each spouse is eligible, complete a separate column on the RETIRED FOREST/PARK/WILDLIFE RANGER PENSION EXCLUSION COMPUTATION WORKSHEET (13E). Combine your allowable exclusions from Line 8 of the worksheet and enter the total amount on Line 10b, Form 502. On Line 10b, Form 502 check the applicable box(es) for yourself and/or spouse.

If you are a part-year resident, complete the RETIRED FOREST/PARK/WILDLIFE RANGER PENSION EXCLUSION COMPUTATION WORKSHEET (13E) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on Line 8 by the number of months of Maryland residence divided by 12. However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received. Copy the prorated amount from Line 8 of the worksheet onto Line 10b, Form 502.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. In any case, the prorated factor may not exceed 1.

If multiple subtractions apply, be sure to identify all of them on Form 502SU and attach it to your Form 502.

Note: If only one of these subtractions applies to you, enter the amount and the code letter on Line 13 of Form 502; then the use of Form 502SU may be optional.

- hh. Exemption adjustment for certain taxpayers with interest on U.S. obligations. If you have received income from U.S. obligations and your federal adjusted gross income exceeds \$100,000 (\$150,000 if filing joint, head of household, or qualifying surviving spouse, enter the difference, if any, between the exemption amount based on your federal adjusted gross income and the exemption amount based upon your federal adjusted gross income after subtracting your U.S. obligations using the EXEMPTION ADJUSTMENT WORKSHEET (13C).

If the amount is greater than zero (0), enter this amount as a subtraction on Line hh of Form 502SU.

Example:

Pat and Chris Jones had a federal adjusted gross income of \$180,000. They also had \$40,000 on interest from U.S. Savings Bonds and had a dependent son whom they claimed on the Maryland tax return. Using Instruction 10, they found the exemption amount on their Maryland return (based upon \$180,000 of income) was \$2,400 (\$800 for three exemptions). If it were not for the \$40,000 of U.S. Savings Bonds, their federal adjusted gross income would have been \$140,000 and their exemption amount would have been \$9,600 (\$3,200 for three exemptions). Therefore, Pat and Chris Jones are entitled to claim a subtraction of \$7,200 (\$9,600 - \$2,400) on Line hh of Form 502SU.

Tuition assistance that qualifies for this subtraction is paid under the Fallen Transportation Workers Scholarship Program.

Line 14. TWO-INCOME SUBTRACTION. You may subtract up to \$1,200 if both spouses have income subject to Maryland tax and you file a joint return. To compute the subtraction, complete the TWO-INCOME MARRIED COUPLE SUBTRACTION WORKSHEET (13D).

Line 15. TOTAL SUBTRACTIONS. Add Lines 8 through 14. Note: In the event of legislative changes (for example, emergency legislation or a veto override of legislation from a prior legislative session) that retroactively affect tax year 2024, the Comptroller will provide additional instruction on the use of Form 502LU. The amount on Line 8 of Form 502LU is added to Line 15 Total subtractions.

14 ITEMIZED DEDUCTIONS.

If you figure your tax by the ITEMIZED DEDUCTION METHOD, complete Lines 17a and b on Form 502. (See Instruction 16 to see if you will use the ITEMIZED DEDUCTION METHOD.)

Copy the amount from federal Form 1040, Schedule A, Line 17, Total Itemized Deductions, on Line 17a of Form 502. Certain items of federal itemized deductions are not eligible for State purposes and must be subtracted from Line 17a. State and local income taxes used as a deduction for federal purposes must be entered on Line 17b (there are certain limitations on the deduction amount of state and local tax. For more information, visit marylandtaxes.gov). Also, any amounts deducted as contributions of Preservation or Conservation Easements for which a credit is claimed must be added to Line 17b.

You are not required to itemize deductions on your Maryland return because you have itemized deductions on your federal return. Figure your tax each way to determine which method is best for you.

If your unreimbursed business expenses include depreciation to which an adjustment is required for Maryland purposes, complete Form 500DM to calculate the addition modification "I" or subtraction modification "bb."

15 FIGURE YOUR MARYLAND ADJUSTED GROSS INCOME.

Complete Lines 1–16 on Form 502. Line 16 is your Maryland adjusted gross income.

16 FIGURE YOUR MARYLAND TAXABLE NET INCOME.

To find your taxable income you must subtract either the standard deduction from the worksheet or the itemized deductions you have entered on Line 17 of Form 502. The ITEMIZED DEDUCTION METHOD will lower your taxes if you have enough deductions. If you are not certain about which method to use, figure your tax both ways to determine which method is best for you. Check one of the deduction method boxes to indicate which method you will use.

STANDARD DEDUCTION METHOD

The STANDARD DEDUCTION METHOD gives you a standard deduction of 15% of Maryland adjusted gross income (Line 16) with minimums of \$1,800 and \$3,650 and maximums of \$2,700 and \$5,450, depending on your filing status. Use STANDARD DEDUCTION WORKSHEET (16A) for your filing status to figure your standard deduction. Write the result on Line 17 of Form 502. Then follow the instructions for EXEMPTIONS.

ITEMIZED DEDUCTION METHOD

You may itemize your deductions only if you itemized deductions on your federal return. See Instruction 14 for completing Lines 17a and b of Form 502. Enter the result on Line 17. You are not required to itemize deductions on your Maryland return simply because you itemized on your federal return. Figure your tax each way to determine which method is best for you.

EXEMPTIONS

After completing the EXEMPTIONS area on your return (page 2), enter the total exemption amount on Line 19 of Form 502.

PART-YEAR RESIDENTS AND NONRESIDENT MILITARY TAXPAYERS

You must adjust your standard or itemized deductions and exemptions. If you are a part-year resident, see Instruction 26. If you are a nonresident military member filing a joint return with your civilian spouse, see Technical Bulletin 1.

17 FIGURE YOUR MARYLAND TAX.

You must use the tax tables if your taxable income is less than \$100,000.

The 2024 Maryland tax rate schedules are shown so you can see the tax rate that applies to all levels of income; however, do not use them to figure your tax. Instead, use the tax tables if your income is under \$100,000; otherwise, use the appropriate row in the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES (17A) at the end of the tax tables to figure your tax. The tax tables and the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES I AND II have been based on these tax rate schedules.

Find the income range in the tax table that applies to the amount on Line 20 of Form 502. Find the Maryland tax corresponding to your income range. Enter the tax amount on Line 21 of Form 502. If your taxable income is \$100,000 or more, use the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES (17A) at the end of the tax table.

If you or your spouse do not possess a valid SSN but are otherwise eligible for the federal credit and are filing your Maryland return using an ITIN, you may claim the state earned income credit by calculating the federal earned income credit disregarding the SSN requirement. If you filed a joint federal return but a separate Maryland return, you may claim a combined total of up to one-half the federal credit. Calculate the Balance Due (Line 45 of Form 502) or Overpayment (Line 46 of Form 502). Read instructions under UNDERPAYMENT OF ESTIMATED TAX and then go to BALANCE DUE or OVERPAYMENT.

UNDERPAYMENT OF ESTIMATED TAX

If you had income from which tax was not withheld or did not have enough tax withheld during the year, you may have owed an estimated tax. All taxpayers should refer to Form 502UP to determine if they owe interest because they underpaid estimated tax during the year.

If you owe interest, complete Form 502UP, write the amount of interest (line 18 of Form 502UP) and check the box on Line 49 of Form 502. Attach Form 502UP.

Generally, you do not owe interest if:

- you owe less than \$500 tax on income that is not subject to Maryland withholding;
- each current year payment, made quarterly as required, is equal to or more than one-fourth of 110% of last year's tax, that was developed; OR
- you made quarterly payments during the year that equal 90% of this year's tax.
- If 90% of your taxable income was taxable to another state or your income was received unevenly, see Instruction 23 for more information.

Special rules apply if your gross income from farming or fishing is at least two-thirds of your total estimated gross income. See Form 502UP for additional information and instructions for claiming this exemption from interest.

INTEREST FOR LATE FILING

Interest is due at the rate of 11.4825% annually or 0.9568% per month for any month or part of a month that a tax is paid after the original due date of the 2024 return but before January 1, 2026. If you want part or all of your overpayment applied to your 2025 estimated tax, then write the amount you want applied on Line 47. Overpayments may first be applied to previous years' tax liabilities or other debts as required by federal or state law. If you must pay interest for underpayment of esti-

If you indicate that this is the case, **STOP!** Do not enter your routing and account numbers, as the direct deposit option is not available to you. We will send you a paper check.

By choosing direct deposit of your refund and checking the appropriate box, you authorize the State of Maryland to disclose to your bank, to the State's depository bank and their financial partners, and NACHA any tax return information necessary to make the deposit, such as your refund amount, your name, and the name(s) as it appears on the bank account. Complete Lines 51a, b, c, and d of Form 502 if you want us to deposit your refund directly into your account at a bank or other financial institution (such as a mutual fund, brokerage firm, or credit union) in the United States.

Check with your financial institution to make sure your direct deposit will be accepted and to get the correct routing and account numbers. **If you enter the incorrect account or omit any required information, the State of Maryland will not be responsible for recovering that refund and/or for making the direct deposit payment electronically.**

Line 51a.

Check the appropriate box to identify the type of account that will be used (checking or savings). You must check one box only or a refund check will be mailed.

Line 51b.

The routing number must be **nine** digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be mailed.

If you are not sure of the correct routing number or if your check states that it is payable through a financial institution different from the one at which you have your checking account, contact your financial institution for the correct routing number.

Line 51c.

The account number can be up to 17 characters (both numbers and letters). Omit spaces, hyphens, and special symbols. Enter the number from left to right. If we are notified by the financial institution that the direct deposit is not successful, a refund check will be mailed to you. Have a bank statement for the deposit account available if you contact us concerning the direct deposit of your refund.

Line 51d.

Indicate the name(s) as it appears on the bank account.

DISCLOSURE By requesting a direct deposit of your Maryland tax refund and entering your bank account number, routing number, account type, and name(s) as it appears on your bank account and on your income tax return, you authorize the Comptroller's Office to disclose this information regarding your refund amount to the Maryland State Treasurer's Office (who performs banking services for the Comptroller's Office).

SPLITTING YOUR DIRECT DEPOSIT

If you would like to deposit portions of your refund (Form 502, Line 48) to multiple accounts, do not complete any direct deposit information on your income tax return. Instead, you must enter code number **588** on one of the code number lines located to the right of the telephone number area on your return; complete, and attach Form 588. Visit marylandtaxes.gov to obtain a Form 588.

NOTE: You may not use Form 588 if you are filing Form 502INJ, Maryland Injured Spouse Claim Form, or if you plan to deposit your refund in a bank outside of the United States.

Individual taxpayers now have the option to use all or part of their Maryland income tax refund to purchase U.S. Series I Savings Bonds. See Form 588 for additional details.

23 TELEPHONE NUMBERS, CODE NUMBERS, SIGNATURES AND ATTACHMENTS.

TAX PREPARERS

If another person prepared your return, that person must print name, sign the return and enter their Preparer's Tax Identification Number (PTIN). The preparer declares, under the penalties of perjury, that the return is based on all information required to be reported of which the preparer has knowledge. Income tax preparers who, for compensation, completed 100 or more original Maryland individual income tax returns (paper and electronic forms) for Tax Year 2023 are required to file all original individual income tax returns electronically for Tax Year 2024, except when a taxpayer specifically requests a preparer to file by paper or when a preparer has received a valid written waiver from the Comptroller.

At the bottom of the return at the signature area, we have provided a check box for you to authorize your preparer to discuss your return with us. Another check box is provided for you to authorize your preparer not to file your return electronically.

Penalties may be imposed for tax preparers who fail to sign the tax return and provide their PTIN, or who failed to file electronically when required.

SIGNATURES

You must sign your return. Your signature(s) signifies that your return, including all attachments, is, to the best of your knowledge and belief, true, correct and complete, under penalties of perjury. Both spouses must sign a joint return. If your spouse cannot sign because of injury or disease and tells you to sign, you can sign your spouse's name in the proper space on the return followed by the words "By (your name), spouse." Be sure to also sign in the space provided for your signature. If a power of attorney is necessary, complete Form 548 and attach to your return.

If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. **However, you will have until April 30th to make your electronic payment. Note: An online payment where the bank mails the Comptroller of Maryland a paper check is not considered an electronic payment.** You may file your return electronically through your personal computer. **Do not send a paper copy of the return if you electronically filed.** For more information, visit marylandtaxes.gov.

ELECTRONIC PAYMENT OF BALANCE DUE

If your paper or electronic tax return has a balance due, you may pay electronically at marylandtaxes.gov by selecting Bill Pay. The amount that you designate will be debited from your bank or financial institution on the date that you choose.

Your check or money order should be attached to the completed Form PV. Do not attach the check or money order to your return.

ALTERNATIVE PAYMENT METHODS

For alternative methods of payment, such as a credit card, visit marylandtaxes.gov.

ELECTRONIC 1099G

At the bottom of the return in the signature area, we have provided a check box just above the signature for you to indicate that you agree to receive your statement of refund (Form 1099G) electronically. If you have requested an electronic 1099G, we will notify you by email in January that your 1099G is available to be viewed and printed at marylandtaxes.gov, if you are a registered user.

Note: We can only honor your request on an electronically-filed return or through your registered request on our website. If you are filing a tax form by paper, we do not capture this request and therefore cannot honor your request to send you an electronic Form 1099G under current IRS regulations.

MAILING YOUR RETURN

For returns filed with payments, attach check or money order to Form PV. Make checks payable to Comptroller of Maryland. Do not attach Form PV or check/money order to Form 502. Place Form PV with attached check/money order on top of Form 502 and mail to:

Sending your return by certified mail will not result in special handling and may delay your refund.

If you wish to send your items by a private delivery service (such as FedEx or UPS) instead of the U.S. Postal Service, use the following address:

**Comptroller of Maryland
Revenue Administration Division

DUE DATE

Returns must be mailed by April 15th, 2025, for calendar year taxpayers. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. If filing on a fiscal year basis, see Instruction 25.

EXTENSION OF TIME TO FILE

Follow the instructions on Form PV found on the PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW) to request an automatic extension of the time to file your 2024 return. Filing Form PV extends the time to file your return, **but does not extend the time to pay your taxes.** Payment of the expected tax due is required with Form PV on or before April 15th, 2025. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. You can file and pay by credit card or electronic funds withdrawal (direct debit) on our website. **If no tax is due and you requested a federal extension, you do not need to file Form PV or take any other action to obtain an automatic six-month extension.** If no tax is due and you did not request a federal extension, file your extension online at marylandtaxes.gov or by phone at 410-260-7829. Only submit Form PV if tax is due.

COMBAT ZONE EXTENSION

Maryland allows the same six-month extension for filing **and paying** personal income taxes for military and support personnel serving in a designated combat zone or qualified hazardous duty area and their spouses as allowed by the IRS. For more detailed information, visit irs.gov. If you are affected by the extension enter **912** on one of the code number lines to the right of the telephone number area.

25 FISCAL YEAR.

You must file your Maryland return using the same tax year and the same basis (cash or accrual) as you used on your federal return.

To file a fiscal year return, complete the fiscal year information at the top of Form 502, and print "FY" in bold letters in the upper left hand corner of the form. Whenever the term "tax year" appears in these instructions, fiscal year taxpayers should understand the term to mean "fiscal year." Use the 2024 forms for fiscal years which begin during calendar year 2024.

Fiscal year returns are due on the 15th day of the 4th month following the close of the fiscal year.

26 SPECIAL INSTRUCTIONS FOR PART-YEAR RESIDENTS.

Your return must show all income reported on your federal return, regardless of when or where earned. However, you are permitted to subtract income received when not a resident of Maryland. The following instructions describe the adjustments which must be made for a part-year resident return and returns filed by certain military taxpayers (see Instruction 29) and married couples who file a joint return when one spouse is not a resident of Maryland.

- a. You must file Form 502.
- b. Whenever the term "tax year" is used in these instructions, it means that portion of the year in which you were a resident of Maryland. If you began residence in Maryland in 2024, the last day of the "tax year" was December 31, 2024. If you ended residence in Maryland in 2024, the last day of the "tax year" was the day before you established residence in another state.
- c. Complete the name and address information at the top of Form 502. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. On Current Mailing Address Line 2, if applicable enter the floor, suite, or apartment number for your current mailing address. If using a PO Box address, leave Current Mailing Address Line 2 blank.

- d. Complete the Maryland political subdivision information using Instruction 6. The Maryland political subdivision information includes the 4 DIGIT POLITICAL SUBDIVISION CODE, MARYLAND POLITICAL SUBDIVISION, MARYLAND PHYSICAL ADDRESS LINE 1, MARYLAND PHYSICAL ADDRESS LINE 2, CITY, ZIP CODE + 4, and MARYLAND COUNTY fields. Use the county, city, town, or taxing area of which you were a resident on the last day of your Maryland residence.
- e. Complete the filing status area using the same filing status that you used on your federal return. Married couples who file joint federal returns may file separate Maryland returns under certain circumstances. See Instruction 7. If you are a dependent taxpayer, use filing status 6.
- f. Complete the EXEMPTIONS area. Additional exemptions are allowed for age and blindness for Maryland purposes which will be computed in this area.
- g. Complete the Part-year/MILITARY area on the front of Form 502. Place a "P" in the box and show the dates of residence in Maryland. Certain military taxpayers following these instructions should place an "M" in the box and enter the non-Maryland military income. If you are both part-year and military, place a "P" and "M" in the box. Married taxpayers with different tax periods filing a joint Maryland return should enter a "D" in the box, follow the remainder of this instruction and write "different tax periods" in the dates of residence area. Married taxpayers who file a joint return when one spouse is not a resident of Maryland should place a "P" in the part year resident box and enter the name and the other state of residence of the nonresident spouse.
- h. Enter on Line 1 the adjusted gross income from your federal return for the entire year regardless of your length of residence.
- i. Complete the ADDITIONS TO INCOME area using Instruction 12. If you had losses or adjustments to income on your federal return, write on Line 5 those loss or adjustment items that were realized or paid when you **were not** a resident of Maryland.
- j. Complete the SUBTRACTIONS FROM INCOME area using Instruction 13. **You may include only subtractions from income that apply to income subject to Maryland tax.** Include on Line 12 any income received during the part of the year when you were **not** a resident of Maryland.
- k. You must adjust your standard or itemized deductions and exemptions based on the percentage of your income subject to Maryland tax. Complete the MARYLAND INCOME FACTOR WORKSHEET (26A) to figure the percentage of Maryland income to total income.
- l. If you itemize deductions, complete Lines 17a and b. Prorate the itemized deductions using the following formula:
- | | | | | |
|-------------------------------|---|------------------------------|---|------------------------------------|
| NET ITEMIZED DEDUCTIONS | X | MARYLAND INCOME FACTOR | = | MARYLAND ITEMIZED DEDUCTIONS |
|-------------------------------|---|------------------------------|---|------------------------------------|
- Enter the prorated amount on Line 17 of Form 502 and check the ITEMIZED DEDUCTION METHOD box. Another method of allocating itemized deductions may be allowed. Send your written request along with your completed Maryland return, a copy of your federal return including federal Schedule A and a copy of the other state's return. If the other state does not have an income tax, then submit a schedule showing the allocation of income and itemized deductions among the states. The Maryland return must be completed in accordance with the alternative method requested. This request should be sent to the Revenue Administration Division, Taxpayer Accounting Section (Special Allocations), P.O. Box 1829, Annapolis, MD 21404-1829.
- m. If you are not itemizing deductions, you must use the standard deduction. The standard deduction must be prorated using the Maryland income factor. Calculate the standard deduction using a worksheet in Instruction 16. Prorate the standard deduction using the following formula:

| | | | | |
|-----------------------|---|------------------------------|---|-----------------------------------|
| STANDARD DEDUCTION | X | MARYLAND INCOME FACTOR | = | PRORATED STANDARD DEDUCTION |
|-----------------------|---|------------------------------|---|-----------------------------------|

Enter the prorated amount on Line 17 of Form 502 and check the STANDARD DEDUCTION METHOD box.

- n. The value of your exemptions (Line 19) must be prorated using the Maryland income factor. Prorate the exemption amount using the following formula:

| | | | | |
|------------------------------|---|------------------------------|---|---------------------------------|
| TOTAL EXEMPTION AMOUNT | X | MARYLAND INCOME FACTOR | = | PRORATED EXEMPTION AMOUNT |
|------------------------------|---|------------------------------|---|---------------------------------|

Enter the prorated exemption amount on Line 19 of Form 502.

27 FILING RETURN OF DECEASED TAXPAYER.

Enter code 321 on one of the code number lines located to the right of the telephone number area on page 4 of Form 502. Use the following special instructions:

FILING THE RETURN

If an individual required to file an income tax return dies, the final income tax return shall be filed:

- a. By the personal representative (an executor or administrator) of the individual's estate;
- b. If there is no personal representative, by the decedent's surviving spouse; or,
- c. Jointly by the personal representatives of each if both spouses are deceased.

JOINT RETURN

If the spouse of the deceased taxpayer filed a joint federal return with the decedent, generally a joint Maryland return must be filed. (See Instruction 7.)

The word "DECEASED" and the date of death should be written after the decedent's name at the top of the form. The name and title of any person, other than the surviving spouse, filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration or, if the return is filed solely by the surviving spouse, attach a death certificate.

ALL OTHER RETURNS

If the return is filed by the personal representative, write the words "Estate of" before the decedent's first name and the date of death after the last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of the Letter(s) of Administration or federal **Form 1310**.

Note: A copy of the decedent's will cannot be accepted as evidence that you are the personal representative. The address of the person claiming the deceased taxpayer's refund should be written on the Current Mailing Address lines, and the address of the deceased taxpayer should be written in the Maryland Physical address section on page 1 of **Form 502**.

If there is **no personal representative**, write the word "deceased" and the date of death after the decedent's last name. The name and title of the person filing the return should be clearly noted on the form, and a copy of federal Form 1310 **must** be attached if requesting a refund. The form can be found at irs.gov.

KILLED IN ACTION

Maryland will abate the tax liability for an individual who is a member of the U.S. Armed Forces at death, and dies while in active service in a combat zone or at any place from wounds, disease, or injury incurred while in active service in a combat zone. To obtain an abatement, a return must be filed. The abatement will apply to the tax year in which death occurred, and any earlier tax year ending on or after the first day the member served in a combat zone in active service.

Maryland will also abate the tax liability of an individual who dies while a military or civilian employee of the United States, if such death occurs as a result of wounds or injury incurred outside the United States in a terrorist or military action. In the case of a joint return, Maryland applies the same rules for these taxpayers as does the IRS. For more information on filing a return, see Publication 3 Armed Forces Tax Guide available at irs.gov. Place code number **915** on one of the lines marked "code numbers" to the right of the telephone number area, if you are filing a return for a taxpayer who was killed in action meeting the above criteria.

ESTATE TAX RETURN REQUIRED

In addition to an income tax return, a Maryland estate tax return is required for every estate whose federal gross estate, plus certain additions, equals or exceeds the Maryland estate tax exemption amount for the year of the decedent's death. For decedents dying in tax year 2019 and later, the Maryland estate tax exemption amount is \$5,000,000. An estate tax return must be filed within nine months of the date of death. For more information, see the Maryland Estate Tax Return, Form MET-1.

28 AMENDED RETURNS.

If you need to change a return that you have already filed, or if the IRS changes your return, you must file an amended return.

FILING AN AMENDED RETURN

You must file an amended return to make certain changes to your original return. These include changes in income, filing sta-

tus, amount of deductions, the number of exemptions, and the amount of additions to income and subtractions from income.

Note: Changes made as part of an amended return are subject to audit for up to three years from the date the amended return is filed.

Use Form 502X to file an amended return and include a copy of your federal return. Form 502X and instructions may be obtained by visiting marylandtaxes.gov or by calling 410-260-7951.

CHANGES TO YOUR FEDERAL RETURN

If the IRS makes any changes to your federal return, you must notify the State of Maryland. Send notification to the Revenue Administration Division within 90 days of the final determination of the changes by the IRS. If you file an amended federal return that changes your Maryland return, you must file an amended Maryland return.

IF YOUR ORIGINAL RETURN SHOWED A REFUND

If you expect a refund from your original return, do not file an amended return until you have received your refund check. Then cash the check; do not return it. If your amended return shows a smaller refund, send a check for the difference with the amended return. If your amended return shows a larger refund, the Revenue Administration Division will issue an additional refund check.

ADDITIONAL INFORMATION

Do not file an amended return until sufficient time has passed to allow the original return to be processed. For current year returns, allow at least six weeks.

Generally, a claim for a refund or overpayment credit must be filed within three years from the date the original return was filed or within two years from the date the tax was paid, whichever is later. An original return filed early is considered filed on the date it was due. If a claim is filed within three years after the date the original return was filed, the credit or refund may not be more than that part of the tax paid within three years, plus any extension of time for filing the return, immediately preceding the filing of the claim. If a claim is filed after the three year period, but within two years from the time the tax was paid, the refund or credit may not be more than the tax paid within two years immediately before filing the claim for a refund or credit.

A claim for refund based on a federal net operating loss carryback must be filed within three years from the due date of the return for the tax year of the net operating loss (farming loss only).

If the claim for refund resulted from a federal adjustment or final decision of a federal court which is more than three years from the date of filing the return or more than two years from the time the tax was paid, a claim for refund must be filed within one year from the date of the adjustment or final decision.

If the claim for refund resulted from a notification received from another state for income taxes due which is more than three years from the date of filing the Maryland return or more than two years from the time the tax was paid, a claim for refund resulting from a credit for taxes paid to that state must be filed within one year of the date of the notification that the other state's tax was due.

If the claim for refund or credit for overpayment resulted from a final determination made by an administrative board or an appeal of a decision of an administrative board, that is more than three years from the date of filing the return or more than two years from the time the tax was paid, the claim for refund must be filed within one year of the date of the final decision of the administrative board or final decision of the highest court to which an appeal of the administrative board is taken.

No refund for less than \$1.00 will be issued. No payment of less than \$1.00 is required.

2. With overseas pay:

Same as above, may subtract up to \$15,000 in military pay earned outside U.S. boundaries or possessions, depending upon total military income. If you filed a joint federal return, see Instruction 7.

PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW)

ESTIMATED TAX WORKSHEET INSTRUCTIONS

Purpose of declaration. The filing of a declaration of estimated Maryland income tax is a part of the pay-as-you-go plan of income tax collection adopted by the State. If you have any income such as pensions, business income, lottery, capital gains, interest, dividends, etc., from which no tax is withheld, or wages from which not enough Maryland tax is withheld, you may have to pay estimated taxes. The law is similar to the federal law.

Who must file a declaration. You must file a declaration of estimated tax if you are required to file a Maryland income tax return and your gross income would be expected to develop a tax of more than \$500 in excess of your Maryland withholding.

You must file a declaration with payment in full within 60 days of receiving \$500 or more of income from awards, prizes, lotteries or raffles, whether paid in cash or property if Maryland tax has not been withheld. A married couple may file a joint declaration. If you are filing a joint declaration, both Social Security numbers must be entered. If filing on behalf of a minor, the name and Social Security number of the minor must be entered.

When to file a declaration. You must pay at least one-fourth of the total estimated tax on Line 15 of this form on or before **April 15, 2025**. The remaining quarterly payments are due **June 15, 2025, September 15, 2025** and **January 15, 2026**. You may pay the total estimated tax with your first payment. If you are filing on a fiscal year basis, each payment is due by the 15th day of the 4th, 6th, 9th and 13th months following the beginning of the fiscal year.

Overpayment of tax. If you overpaid your 2024 income tax (Form 502 or 505), you may apply all or part of the overpayment to your 2025 estimated tax. If the overpayment applied equals or exceeds the estimated tax liability for the first quarterly payment, you are not required to file the declaration. If the overpayment applied is less than the estimated tax liability, you should file the declaration and pay the balance of the first installment.

How to estimate your 2025 tax. The worksheet is designed to develop an estimate of your 2025 Maryland and local income tax. Be as accurate as you can in forecasting your 2025 income. You may use your 2024 income tax as a guide, but if you will receive more income than you did in 2024, you must pay at least 110% of your prior year tax to avoid interest for underpayment of estimated tax. For the purpose of estimating, rounding all amounts to the nearest dollar is recommended.

Nonresidents who want to estimate 2025 Maryland taxes may use the Nonresident Estimate Tax Calculator at marylandtaxes.gov.

Specific Instructions

Line 1. Total income expected in 2025 is your estimated federal adjusted gross income.

Line 2. Net modifications. You must add certain items to your federal adjusted gross income. See Instruction 12 of the tax instructions. You may subtract certain items from federal adjusted gross income. See Instruction 13 of the tax instructions. Enter on this line the net result of additions and subtractions.

Line 4. Deductions. You may compute your tax using the standard deduction method or the itemized deduction method.

Standard deduction. Compute 15% of Line 3.

If Filing Status 2, 4, 5: If the amount computed is less than \$3,650, enter \$3,650; if the amount is between \$3,650 and \$5,450, enter that amount; if the amount is more than \$5,450, enter \$5,450.

Itemized deductions. Enter the total of federal itemized deductions less state and local income taxes.

- c. \$3,200 for each allowable dependent, other than taxpayer and spouse. The amount is doubled for allowable dependents age 65 or over.

EXTENSION WORKSHEET INSTRUCTIONS

Who must file for an extension?

If you cannot complete and file your Form 502, 505, 510C or 515 by the due date, you should complete the Tax Payment Worksheet to determine if you must file for an extension. If Line 6 of the worksheet shows you owe tax, you must file Form PV and pay the full amount due by April 15, 2025, (or the 15th day of the fourth month following the close of the tax year). If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

NOTE: Filing an extension does not extend the time for paying your taxes.

Do not file for an extension if, after completing the PVW, you find that you do not owe additional tax. However, be aware that if an unpaid liability is disclosed when you file your return, you may owe penalty and interest charges in addition to the tax. See **"Will penalties and interest be owed?"**.

Automatic Maryland six-month extension

If you filed a federal extension and expect to owe zero tax to Maryland we grant you an automatic six-month extension of time to file your Form 502, 505, 510C, or 515. **You are not required to file for an extension in order to obtain this automatic extension.** However, you should use Form PV to pay any tax due of forms 502, 505, and 515, but you should use Form EL102B to pay any tax due or payment with extension of Form 510C in order to avoid any late-payment penalty and interest on tax not paid by April 15, 2025.

Note: In the case of Form 510C, the PVW must be completed to estimate the payment.

Requesting a Maryland extension when not requesting a federal extension:

- (1) Request your extension by telefile at 410-260-7829 from Central Maryland or 1-800-260-3664 from elsewhere; or,
- (2) Request your extension at marylandtaxes.gov.

When should Form PV be mailed without a payment?

Never.

When requesting an extension beyond six months:

No extension request will be granted for more than six months, except in the case of individuals who are out of the United States. Even when an individual is out of the U.S. an extension will not be granted for more than one year. An extension request for beyond six months without a payment should be filed by telefile or on our website. For more information, visit marylandtaxes.gov.

When to file:

If you owe any tax, file Form PV along with your payment on or before April 15, 2025. If you are filing on a fiscal year basis, file by the regular due date of your return. If any due date falls on a Saturday, Sunday or legal holiday, the return and payment must be filed by the next business day.

How to file:

For an extension request with payment, use electronic funds withdrawal (direct debit) from savings or checking account, or to make payment(s) by credit card, visit marylandtaxes.gov; otherwise, make check or money order payable to: **COMPTROLLER OF MARYLAND.**

For returns filed with payments, attach check or money order to Form PV. Make check or money order payable to Comptroller of Maryland. On your check or money order, you must include the Social Security number/Individual Taxpayer Identification Number of the taxpayer if filing individually. If filing jointly, you must include the Social Security number/Individual Taxpayer Identification Number of the primary taxpayer, tax type, and tax year on the check/money order. Failure to include this information will delay the processing of your payment.

Mail to: **Payment Processing
PO Box 8888
Annapolis, MD 21401-8888**

Will penalties and interest be owed?

You will owe interest on tax not paid by the regular due date of your return. The interest will accrue until you pay the tax. Even if you had a good reason for not paying on time, you will still owe interest.

If tax and interest are not paid promptly, a penalty will be assessed on the tax.

When should I include a copy of Form PV if I am requesting an extension of time to file?

Only include Form PV with Form 502, 505, or 515 if you are filing an extension request along with a payment by check or money order. If you are making an extension payment electronically, you do not need to include Form PV. Do not include Form PV to request an extension if you are not making an extension payment.

GENERAL INSTRUCTIONS

Section 10-815 of the Tax-General Article of the Annotated Code of Maryland requires every individual, or individuals filing jointly, who receives taxable income that is not subject to Maryland withholding, or from which not enough Maryland tax is withheld, to make estimated tax payments and file Form PV if the income can be expected to develop a tax of more than \$500 in excess of the Maryland withholding. Furthermore, Sections 13-602 and 13-702 stipulate that any individual so required to file, who either (1) fails to file on the date or dates prescribed; (2) fails to pay the installment or installments when due; or, (3) estimates a tax less than ninety (90) percent of the developed tax shown on the return for the current tax year and less than 110% of the tax that was developed for the prior year, shall be subject to penalty and interest.

WHO MUST FILE

If you believe you are liable for interest for one of the reasons outlined above, or if you believe you are not liable for interest due to an unequal distribution of income, complete and submit this form with your tax return.

If you meet one of the exceptions shown on page 1, you are not required to file this form.

If you want us to figure the interest for you, complete your return as usual. Do not file Form 502UP. You will be notified of any interest due.

SPECIFIC INSTRUCTIONS

Lines 1 through 10 are used to determine the minimum amount required to be paid by estimated or withholding tax to avoid interest.

Line 1 Enter your Maryland adjusted gross income from Line 16 of Form 502 or Line 8 of Form 505NR. Alternatively, if you itemize deductions, you may elect to enter taxable net income from Line 20 of Form 502 or net income from Line 11 of Form 505NR.

Lines 2-4 Enter the amount specified from your 2024 Form 502 or 505.

Line 5 Multiply the amount on Line 5 of Form 502TP by the highest state rate used on your tax return. Add to this result the amount on Line 5 of Form 502TP multiplied by your local (or special nonresident) tax rate.

Line 9a **2023 tax:** Enter Line 34 of 2023 Form 502 (reduced by any credits on Line 9 of Part CC of 2023 Form 502CR); or Line 37 of 2023 Form 505 (reduced by any credits on Line 45 of 2023 Form 505 and any credits on Line 9 of Part CC of 2023 Form 502CR).

If your 2023 tax was corrected or amended, be sure to include any additional tax when calculating your total tax for the year.

Lines 11 through 15 will determine which periods are underpaid and the amount of underpayment.

Line 11 Enter in each column the income received for the period of the year covered by that column. If your income was received evenly throughout the year, enter one-fourth of Line 1 in column 1, one-half of Line 1 in column 2, three-fourths of Line 1 in column 3 and an amount equal to Line 1 in column 4. You may elect to report your income based on the actual dates of receipt. If so, enter income received between January 1 and March 31 in the first column; enter income received between January 1 and May 31 in the second column; enter income received between January 1 and August 31 in the third column and 100% of your income in the fourth column.

NOTE: Regardless of whether you use an even distribution or base your entries on the actual receipt dates, each successive column will include the amount from the prior columns. See the example in the instructions for Line 14.

Line 14 Enter in each column the sum of any estimated payments you have made and any Maryland tax withheld from the beginning of the year to the due date at the top of that column. Include any nonresident tax paid by S corporations, partnerships, or limited liability companies on your behalf.

NOTE: Just as in Line 11, each successive entry will include the amount from the prior columns. For example, if you paid \$500 in estimated payments each quarter, the first column will contain \$500, the second \$1,000, the third \$1,500, and the fourth \$2,000. Overpayments in later quarters may not be used to offset underpayments in previous quarters.

Lines 16 through 18 determine the amount of interest due for each underpaid quarter.

Line 16 The factors represent the interest rate for the portion of the year between the due date of each quarter and the due date of the next quarter. Interest is computed at a rate of 0.8339% per month for due dates prior to January 1, 2025.

Interest is computed at a rate of 0.9568% per month after December 31, 2024. For more information, visit marylandtaxes.gov.

If your estimated tax payment was not timely, but was paid earlier than the due date of the next quarter, adjust the factor as follows:

1st Period - For payments due by April 15, 2024 that were not paid by April 15, 2024 but paid earlier than June 15, 2024, count the number of months from the due date of April 15, 2024 that the payment was late. Treat a partial month as one month. Divide that number by twelve and multiply it by the 10.0075% annual rate. Apply this adjusted factor to the underpaid amount on Line 15.

2nd Period - For payments due by June 15, 2024 that were not paid by June 15, but paid earlier than September 15, 2024 count the number of months from the due date of June 15, 2024 that the payment was late. Treat a partial month as one month. Divide that number by twelve and multiply it by the 10.0075% annual rate. Apply this adjusted factor to the underpaid amount on Line 15.

3rd Period - For payments due by September 15, 2024 that were not paid by September 15, 2024 but paid earlier than December 15, 2024, count the number of months from the due date of September 15, 2024 that the payment was late. Treat a partial month as one month. Divide that number by twelve and multiply it by the 10.0075% annual rate. Apply this adjusted factor to the underpaid amount on Line 15. For payments made on or later than December 15, 2024, apply the interest factor of 0.0340 to the underpaid amount on Line 15.

4th Period - For payments due by January 15, 2025 that were not paid by January 15, 2025 but paid earlier than April 15, 2025, count the number of months from the due date of January 15, 2025 that the payment was late. Treat a partial month as one month. Divide that number by twelve and multiply it by the 11.4825% annual rate. Apply this adjusted factor to the underpaid amount on Line 15.

Line 17 Using the factors on Line 16 or the adjusted factor described above, determine the amount of interest due for each quarter and enter the amounts in the appropriate columns.

Line 18 Add all interest amounts in columns 1 through 4 on Line 17. Enter the total interest on the appropriate line of your tax return.

If the interest calculated on Line 18 is zero because your income was not received evenly throughout the year, enter code number 301 on one of the lines marked "code numbers" on the Form 502, 505, or 515 and attach this form to your return.

FARMERS AND FISHERMEN

If your gross income from farming or fishing is at least two-thirds of your total estimated gross income for the year, the 2024 declaration and full payment of the estimated tax is due on or before January 15, 2025. In lieu of filing the declaration, you may elect to file your full and complete annual return on or before March 1, 2025 and make full payment of the developed tax at that time.

If you fail to do either of the above, and the income not subject to withholding or from which not enough Maryland tax is withheld would be expected to develop a tax of more than \$500, then you are subject to interest. To compute the applicable interest charge, complete Lines 1 through 10 of this form. Enter the amount from Line 10 on Line 13, column 4 and complete the rest of the form. Only column 4 will have entries.

To claim exemption from this interest charge or to use the special calculation, enter code number 300 on one of the lines marked "code numbers" on the Form 502, 505, or 515. Attach this form to your return if you used the special calculation.

INCOME TAXABLE BY ANOTHER STATE

If at least 90% of your taxable income is taxable by another state, and the underpayment is not greater than the local tax, no interest is due and you are not required to file this form.

To claim exemption from this interest charge, enter code number 302 on one of the lines marked "code numbers" on the Form 502, 505, or 515.

Visit marylandable.org for complete details.

Please carefully read the Plan Disclosure Statement, available online, which describes the investment objectives, risks, expenses, and other important information that you should consider before you invest in a Maryland ABLE account. Also if you or the ABLE account beneficiary live outside of Maryland, you should consider before investing whether your state or your beneficiary's state offers state tax or other benefits for investing in its ABLE plan. Tax benefits may be conditioned on meeting certain requirements, such as residency, purpose for or timing of distributions, or other factors, as applicable. As with all State and Federal tax matters, please consult with your tax advisor.

Did you know that Maryland taxpayers may be eligible for a **STATE INCOME SUBTRACTION** if they open a new OR contribute to an existing Maryland College Investment Plan account?

Maryland taxpayers can receive a maximum **\$2,500** subtraction from their State adjusted gross income annually per beneficiary for contributions to the Investment Plan. To take advantage of this Maryland income subtraction for a particular year, you must make your contribution by **DECEMBER 31** of that year.

For more information about the tax advantages of the Maryland College Investment Plan, visit **Maryland529.com**

*Note that this is a hypothetical scenario assuming a 7.6% State and local tax rate with no federal deduction. The amount of savings from your State income subtraction may vary. **Account owners and contributors can each subtract contributions regardless of their marital status or tax filing status (individual or joint). A contributor need not be a parent or family member of the beneficiary to be eligible for the income subtraction.

The Maryland Senator Edward J. Kasemeyer College Investment Plan Disclosure Statement provides investment objectives, risks, expenses and costs, fees, and other information you should read and consider carefully before investing. If you or your beneficiary live outside of Maryland, you should compare Maryland 529 to any college savings program offered by your home state or your beneficiary's home state, which may offer state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in such state's 529 plan. Tax benefits may be conditioned on meeting certain requirements, such as residency purpose for or timing of distributions, or other factors, as applicable. If you receive a State contribution for any account in a given year, you are not eligible in that year for the income subtraction on your State taxes for contributions that you made to that or any other College Investment Plan account. You should consult with a tax or legal professional for additional information. T. Rowe Price Investment Services, Inc., Distributor/Underwriter of the Maryland Senator Edward J. Kasemeyer College Investment Plan.

STATE DEPARTMENT OF ASSESSMENTS AND TAXATION

INFORMATION REGARDING PROPERTY TAX CREDITS AND EXEMPTIONS

Under Maryland law, you may be eligible for a substantial credit on the property tax bill issued on your home, based upon your gross household income. This program is available to homeowners of all ages and the credit is calculated solely on the basis of gross income. The application form is not provided in this income tax booklet because the credits are issued as a deduction from the homeowner's July property tax bill. The property tax credit application forms are processed separately by the State Department of Assessments and Taxation.

Use the chart printed below to see if it would be worthwhile for you to submit a Homeowners' Tax Credit application. If the actual property taxes on your home (based on no more than \$300,000 of assessed value) exceed the "Tax Limit" amount shown on the table below for your household income level, you may be eligible for a credit and are urged to file an application. The table is printed for illustrative purposes, and therefore, the income amounts are listed in increments of \$1,000. For purposes of this program, the applicant must report total income, which means the combined gross household income before any deductions are taken. Nontaxable income, such as Social Security, Railroad Retirement, or Veterans' benefits, also must be reported as income for the tax credit program.
