Note: Maine Revenue Services ("MRS") Rule 104 (Electronic Filing of Maine Tax Returns) generally requires electronic filing of Maine income tax withholding returns, including Form W-3ME. Employers/payers unable to meet the electronic filing requirement because of undue hardship may request a waiver from the State Tax Assessor. The request must be in writing and must include the name, address and withholding account number of the business, a detailed explanation of why filing electronically poses a significant hardship and the length of time for which you are requesting a waiver. Mail requests to: Maine Revenue Services, Withholding Unit, P.O. Box 1060, Augusta, ME 04332-1060. To view Rule 104, see www.maine.gov/revenue/publications (select "Laws & Rules").

General Instructions

Employers and other payers who withhold Maine income tax during the calendar year must file an annual reconciliation (Form W-3ME) on or before February 28 of the following year. Generally, total income tax withheld as shown on Form W-3ME should equal the total withholding reported to MRS for the year on quarterly returns and should also equal the total amount of Maine income tax withheld as shown on all information returns furnished to payees. If you are completing this form as a third-party payer of sick pay, lines 1 and 2 should differ only by the amount entered on line 3. If you are completing this form as an employer issuing wage statements that includes withholding reported by a third-party payer of sick pay, lines 1 and 2 should differ only by the amount entered on line 4. Otherwise, if lines 1 and 2 do not agree, correct any reporting errors by filing an amended quarterly return for each period in which errors were made. See the instructions for Form 941ME for further details.

Payee Statements - Due January 31

MRS does not accept paper copies of payee statements (Forms W-2 and 1099).

Copies of payee statements required to be filed, or that are filed voluntarily, with MRS must be filed in accordance with the electronic filing specifications issued by MRS no later than January 31 following the calendar year to which the payee statements relate.

Employers and payroll processors that are required to electronically file Forms W-2 with the Social Security Administration must report such information directly to MRS for all employees who are Maine residents and for all employees that have Maine-source income.

Any payer required to electronically file any type of 1099 form with the Internal Revenue Service must report such information directly to MRS for Maine residents and recipients of payments sourced to Maine.

A person who is licensed to conduct pari-mutuel wagering or to operate a slot machine in Maine must electronically file Form W-2G with MRS for each payee for whom a statement is required to be provided under federal regulations.

All others may, at their option, file annual statements electronically with MRS or, for Forms 1099 only, through the Combined Federal/State Filing Program. For more information, see MRS electronic filing specifications for Form W-2 or Forms 1099 and W-2G, available at www.maine.gov/revenue (select "Electronic Services").
