NOTICE: An update to the filing instructions for the “Authorized Representative Declaration (Power of Attorney)” (Form 151) is posted to the Michigan Department of Treasury website. That update, shared here, added a link to Michigan Treasury Online and an email address in the “For all others” section of the Mailing Instructions. The fax number previously under this section is removed.

The revision date of the form – 11-21 – is unchanged. As there are no form changes, there is no need to test this form with Treasury. We encourage all software developers to update their product as necessary to reflect this change to the filing instructions.

Purpose

Use the *Authorized Representative Declaration (Power of Attorney)* (Form 151) to authorize the Michigan Department of Treasury (Treasury) to communicate with a named individual or entity acting on your behalf. This form may also be used to revoke your representative's authority or to designate a representative to receive letters and notices regarding a particular tax dispute. **All businesses** may complete an Authorized Representative form via Michigan Treasury Online at mto.treasury.michigan.gov.

Required information. If a box includes the word "Required," you must provide the information. If a box does not contain the required information, the form is invalid and you will be notified by letter.

PART 2: Revoking the authority of a representative. If you want to revoke all prior authorizations, including requests to send copies of letters and notices of tax dispute(s) to your representative and will be representing yourself, check box 1. If you want to revoke your representative's current authority in whole or in part for a specific tax matter, check box 2 and enter the appropriate Tax Type(s), Debt Type, or Fee as well as the Tax Year(s)/Period(s) in the boxes to the right within Part 2. If you want to revoke a previous request to send copies of letters and notices of tax dispute(s) to your representative, check box 3 and enter the appropriate Tax Type(s) and Tax Year(s)/Period(s) in the boxes to the right within Part 2. After you revoke your representative's authority, you may represent yourself, or you may appoint a new representative by completing Part 3, Part 4 and/or Part 5.

PART 3: Appointing an entity as your representative. If you appoint an entity as your representative, then any individual within that entity is authorized to act on your behalf. For example, if you appoint the XYZ Law Firm as your representative, any attorney or paralegal from that firm is authorized to act on your behalf. The "Contact Name" is only to ensure that information sent to the entity is directed to the individual overseeing your representation. The contact name is NOT your sole authorized representative. To appoint an entity, write the name of the entity in the Name box and the address of the entity in the Address box. For example:

Authorized Representative's Name (Required) XYZ Law Firm
Authorized Representative's Address (Required) 1234 Street City, State, ZIP Code

Appointing an individual as your representative. If you appoint a specific individual as your representative, then only that individual is authorized to act on your behalf. Treasury will only discuss with or disclose information to that individual. For example, if a specific attorney at the XYZ Law Firm is named as your representative, Treasury will not discuss with or disclose information to any other attorney or paralegal at the same firm. If you appoint an individual as your representative, do not fill out Contact Name; your representative is the contact. To appoint an individual, write the name of the individual in the Name box and the address of the individual in the Address box. For example:

Authorized Representative's Name (Required) John Smith
Authorized Representative's Address (Required) 1234 Street City, State, ZIP Code

PART 4: Type of authority: General or limited. You may grant your representative general or limited authority to act on your behalf. The actions that your representative may take will depend on the boxes that you check in Part 4. Confidential information (box 1) will only be provided upon request; Treasury will not automatically send confidential information to your representative. Granting your representative authority does not give the representative the right to receive future copies of letters and notices unless Part 5 is also completed. If you want to further restrict the authority of a representative to a specific matter, you must enter the Tax Type(s), Debt Type or Fee as well as the Tax Year(s)/Period(s) in the boxes to the right within Part 4.

PART 5: Requesting copies of letters and notices with respect to a tax dispute.

NOTE: This part does not apply to City Income Tax.

If you complete Part 5, you must identify on the line in Part 5 one or more tax matters that is in dispute. The dispute(s) may cover more than one tax period or year. You must identify one or more specific taxes and periods; "all taxes" and "all periods" is unacceptable and will be rejected. Part 5 does not give a representative authority to act on your behalf. You must give your representative authority to act on your behalf by checking one or more boxes in Part 4 if you want your representative to do more than just receive future notices and letters. Only one representative can be authorized to receive future letters and notices regarding a specific tax dispute under Part 5. Treasury will only send future letters and notices to the person identified on the most recent form. If you appoint an entity as your representative, future letters and notices will be sent to the attention of the first "Contact Name."

Deceased taxpayer. Do not use this form for a deceased taxpayer. File a Claim for Refund Due a Deceased Taxpayer (MI-1310) with a death certificate and/or a letter of authority (issued by the probate court) for a personal representative.
