

GOVERNOR GREG GIANFORTE
DIRECTOR BRENDAN BEATTY

Date: December 28, 2022
To: Payroll Provider Software Vendors
Subject: IMPORTANT! – Montana Testing & Production Reminders

Vendor Testing and Approval

Thank you for registering with the Montana Department of Revenue. We have not received any test submissions from you and wanted to remind you that we recommend that all testing be completed by January 15th. Any vendor that does not complete testing will **not** be approved for production.

FSET Schema Validation

The Department will be instituting a new requirement in the FSET Schema for validation of MW-3 submissions. Going forward, any production submissions from a software that has not been approved may be rejected.

For any questions, please email dore-services@mt.gov.
