Concerning: Tax Year 2024 Form 2

We have posted an updated final version of the Individual Form 2 pdf with a change log and the updated instructions.

- Changes were made to Form 2 Schedule II, lines 15 and 17b. This will impact business rules and schema, and potentially reject codes.
 - Line 15 is now reserved.
 - Line 17 language has been changed.
- Form 2 instructions were changed in a few places.
 - The most important changes were made to explain the updates to Schedule II, lines 15 and 17b.
 - Updated the header of Schedule II, to clarify that if the taxpayer was a resident at any time during the year, they should complete that section. This will impact business rules.
