

**INSTRUCTIONS FOR 2022 PIT-X, NEW MEXICO
PERSONAL INCOME TAX AMENDED RETURN**

WHO MUST FILE AN AMENDED RETURN

If you filed your New Mexico personal income tax (PIT-1) return and you need to change at least one of the following, you must file a New Mexico PIT-X, an amended New Mexico personal income tax return:

- Your reported federal taxable income
- New Mexico taxable income, credits, or rebates
- New Mexico tax due

At the top right of PIT-X, page 2, next to **Reason for amending**, describe the reason you are amending your return.

When To Attach Amended Federal Return

If your New Mexico amended return shows changes as the result of filing an amended federal return, attach a copy of your federal amended forms and schedules.

NOTE: The law requires you to file an amended New Mexico return within 180 days of the date an adjustment to your federal return becomes final.

WHAT FORMS TO FILE

If you mail your return, use and submit only original, official state forms and schedules. Copies result in delays when processing your return.

The specific form to use varies, as described next.

2022 PIT-X

For a tax year beginning on or after January 1, 2022, but not after December 31, 2022, file your amended return on the 2022 PIT-X form.

2005 PIT-X to 2022 PIT-X

For tax years beginning on or after January 1, 2005, use the PIT-X form for the tax year you are amending. For example, if you are amending tax year 2018, use the 2018 PIT-X form.

2004 PIT-X and Earlier Years

For tax years beginning before January 1, 2005, file amended returns using the form for the appropriate tax year.

Fiscal Year Returns

If you are filing a fiscal year return, use the form for the calendar year when the fiscal period began.

Schedules

Along with your amended return, you must include all schedules that were previously filed with the original return.

For the 2022 return, attach all required 2022 Schedules PIT-S, PIT-ADJ, PIT-RC, PIT-B, PIT-D, PIT-CR, or PIT-CR Supplemental. These schedules are required if you show an amount in the 2022 PIT-X **AS AMENDED** column, even if the amount did not change from the schedule you submitted with your previously filed return.

W-2 and Related Forms

Unless you are amending your New Mexico return to change the amount of tax withheld, you do not need to file W-2 forms and similar income and withholding information returns. Some examples of similar forms with income and withholding information are 1099-MISC and RPD-41359.

COMPLETING FORM PIT-X

To complete the 2022 PIT-X return, you need your previously filed 2022 PIT-1 return and instructions.

AS PREVIOUSLY FILED Column

In this column, enter the same return figures you filed previously. If you filed multiple returns for the 2022 tax year, enter only the figures from your most recently filed return.

AS AMENDED Column

In this column, enter the amended return data through line 30. Complete the line items according to the instructions for the original 2022 PIT-1 return. Complete line 31 using the instructions described later, then continue by entering the amended return data in lines 32 to 34, and lines 36 to 42. Instructions for line 35 are also described later.

IMPORTANT: Complete all required and applicable fields and lines even if the information did not change from your previously filed return.

For example, if the amount on line 12, **Federal standard or itemized deduction amount**, was originally filed as \$12,000, and the amended return does not affect this amount, also enter \$12,000 in the **AS AMENDED** column, for line 12.

IMPORTANT: Paid preparers must sign your return.

Paid preparers are subject to certain requirements. For more information, see the PIT-1 instructions, **Interest and Penalties** on page 14.

If you are married and filing a joint amended return, both spouses must sign. Below the signature, the taxpayer and, if married filing joint, the spouse, is required to enter their state issued driver's license or state issued identification card number and a two digit state code identifying the state issuing the identification number. Also enter the expiration date of driver's license or state issued identification number.

These identification numbers will be used as an additional level of verification to help protect your personal information from identity theft and fraudulent returns. If you do not have this identity, write "NONE" in this field. If the taxpayer and, if married filing joint, the spouse do not wish to provide a state issued driver's license or state issued identification card, write "DECLINED" in the spaces provided.

CHECK THE CHECKLIST

Before you submit your return, go through the *Checklist for the 2022 PIT-X Return* on the last page of these instructions to make sure your return is complete.

HOW TO FILE

You can file your PIT-X online or mail your paper return and any attachments.

Filing Online

You can file amended returns through Taxpayer Access Point (TAP) at <https://tap.state.nm.us>. The site lets you file the four most recent tax year returns. Log in and choose the correct tax year to amend. TAP processes your new return as an amendment.

Filing on Paper

After completing a paper PIT-X form, mail it with any attachments to the Department. For details, see *Mailing Your Return* later in these instructions.

METHODS OF PAYMENT

You can make an electronic payment online or mail your payment voucher with a check or money order to the Department.

PAYING ONLINE

You can pay your tax liability by electronic check (E-Check) at no charge through the Department's website. An E-Check authorizes the Department to debit your checking account in the amount and on the date you specify. Go to <https://tap.state.nm.us> to pay online. Under FOR INDIVIDUALS, click **Make a Payment**.

Credit Cards and Fees

You may also pay using a credit card for your online payment. A convenience fee is applied for using a credit card. The State of New Mexico uses this fee, calculated on the transaction amount, to pay charges from the credit card companies.

PAYING BY MAIL

You can pay your taxes by mail, but first you need a payment voucher.

Where To Get a Payment Voucher

You can get a PIT-PV, *Personal Income Tax Payment Voucher*, from your personal income tax packet, one of the Department's district offices, or your tax return preparation software.

You can also get payment vouchers from www.tax.newmexico.gov. At the top of the page, click **Forms & Publications**. When you see the list of folders, click **Income Taxes**, click **Personal Income Tax (PIT) – Current Year, Personal Income Tax Return Forms**, and **PIT-PV Payment Voucher**.

Use Only Blue or Black Ink

Type or print all entries on the payment voucher in blue or black ink.

IMPORTANT: Do not use pencil to write on the payment voucher.

Do Not Copy the Payment Voucher

Because the Department uses high-speed scanners when processing payment vouchers, a quality form helps ensure accuracy. Do not photocopy the payment voucher.

Cut Only on the Dotted Line

Because scanners can read only one page size to process vouchers, it is important to cut only on the dotted line.

Avoid Size Changes When Printing

When printing a voucher from the Internet or a software product, prevent resizing by setting the printer's page scaling function to **none**. If your payment voucher has a scanline (a very long row of numbers) within the bottom 1 and 1/2 inch of the voucher, do not write in the area around the scanline.

Preparing Your Voucher and Your Payment

If you are mailing a payment with your return, follow the next steps:

1. Complete the PIT-PV, *Personal Income Tax Payment Voucher*.
2. On your check or money order, write:
 - Your social security number
 - 2022 PIT-X
