Oklahoma Resident/Nonresident Allocation Instructions

An Oklahoma resident who files a joint federal return with a nonresident civilian (non-military) spouse, may elect to file a married filing separate return in Oklahoma using Form 511, providing Form 574. If this election is not made, a joint return must be filed using Form 511 and reporting all of the income of both taxpayers as if both were residents.

If the election is made to file separate returns and the nonresident civilian spouse has an Oklahoma filing requirement, the nonresident should file a Form 511-NR, providing Form 574.

Note: An Oklahoma resident who files a federal return with a nonresident **military** spouse, does not have the election to file a married filing separate return in Oklahoma. They must file Form 511-NR, using the same filing status as on the federal return.

The methods prescribed in the Internal Revenue Code for allocating income and deductions on married filing separate returns will be used when allocating joint income and deductions between the resident and the nonresident.

Adjusted Gross Income

Complete Part I "Federal Income" to determine the portion of the joint Federal Adjusted Gross Income (AGI) to report on the Oklahoma return(s). For the resident, enter your share of the joint Federal AGI on Form 511, line 1. For the nonresident who is also required to file, enter your share of the joint Federal AGI on Form 511-NR Schedule 511-NR-1, lines 1 through 19 of the Federal Amount column.

Deductions and Exemptions

Complete Part II "Itemized Deductions" to determine the portion of the federal itemized deductions to report on Form 511, Schedule 511-D, line 1. For the nonresident who is also required to file, enter your portion of the federal itemized deductions on Form 511-NR, Schedule 511-NR-D, line 1. If you did not itemize, use the Oklahoma standard deduction for married filing separate.

The regular personal exemption for the resident and all of the dependency exemptions will be allowed. However, if the nonresident spouse also has an Oklahoma filing requirement, the dependency exemptions will be allocated between the resident's and nonresident's returns. Generally, the resident cannot claim the personal exemption for the nonresident spouse.

If the resident has out-of-state income (Form 511, line 4) his/her share of the deductions and exemptions must be prorated. Use Schedule 511-E.
