

Be on Guard against Identity Theft and Tax Scams

Identity theft, tax refund fraud, and similar tax scams continue to target taxpayers in Vermont. Taxpayers have reported emails and phone calls from people posing as employees of the Internal Revenue Service (IRS) and the Vermont Department of Taxes. Some scammers are clever enough to pose as their victims' tax preparers to obtain private information. A common ploy scammers use is to falsely claim taxes are owed and demand immediate payment using threats and bullying. Scammers often target the elderly using these tactics.

How to protect yourself from becoming a victim

- Never give out personal information unless you are sure of the identity of the person requesting it.
- If you suspect that an email or phone call is fraudulent, do not engage in conversation. Contact the Department at (802) 828-2865 or 1-866-828-2865 (toll-free) to verify an email or phone call.

How to report fraud

- Report suspected fraud immediately to the Vermont Department of Taxes and the IRS. Information about how to report fraud is available on the Department website at tax.vermont.gov/identity-theft.
- Suspected fraud also should be reported to the Vermont Attorney General's Consumer Assistance Program at 1-800-649-2424 (toll-free).

Homestead Declaration and Property Tax Credit

FORM HS-122 SECTION A Vermont Homestead Declaration

THE HOMESTEAD DECLARATION must be filed each year by Vermont residents for purposes of the state education tax rate. The Declaration identifies the property as the homestead of the Vermont resident. A Vermont homestead is taxed at the homestead education property tax rate, while a different education property tax rate applies to nonhomestead property (previously known as the “nonresidential” rate). Nonhomestead property is property used for commercial purposes or property not used as the principal (primary) residence, such as a second home, camp, or summer cottage. A property may be classified as both homestead and nonhomestead. This occurs when a part of the home is used for commercial purposes or as a rental. The property tax bill will show a homestead education property tax rate and a nonhomestead education property tax rate. For more information on the Homestead Declaration, please visit our website tax.vermont.gov for our quick reference guides and statutes.

You must file a declaration by April 15, 2024, if you meet all of the following eligibility requirements:

1. Own the Vermont property as your principal residence as of April 1, 2024, **AND**
2. Expect to physically occupy the Vermont property as your domicile. The declaration must be filed even if it is late. **NOTE:** If you meet these requirements, except that your homestead is leased to a tenant on April 1, 2024, you may still claim it as a homestead if it is not leased for more than 182 days in the calendar year. Other ownership circumstances include the following:
 - When there is more than one owner (joint ownership), only one owner occupant should file.
 - Owners with a life estate interest who occupy the dwelling as their principal residence must file.
 - Certain trusts may qualify as a homestead. For more information, read Reg. § 1.5401(7) Homestead on our website. Please note that changes to this regulation are being proposed to conform to amendments made to this statute.
 - An estate holding a residence that was the homestead of the deceased person at the time of death may file a homestead if the residence is not rented.
 - When the residence is owned by the estate of the deceased spouse, the widow or widower may file a homestead declaration as long as it is likely that the residence will pass to the widow or widower when the estate is settled.

Homestead Declarations filed **by April 15, 2024**, are considered timely, classified as homesteads on the grand list, and taxed at the homestead education property tax rate.

Homestead Declarations filed **after April 15, 2024**, are classified as homesteads but may be assessed the following penalty by the town:

- Up to 3% if the nonhomestead rate is higher than the homestead education property tax rate.
- Up to 8% if the nonhomestead rate is lower than the homestead education property tax rate.

Homestead Declarations filed **after Oct. 15, 2024**, will be classified as nonhomestead. The owner will be charged the higher of the two rates, assessed a penalty, and must pay any additional property tax and interest due.

What if you SELL your property before April 1, 2024? If you filed a Homestead Declaration and Property Tax Credit Claim before April 1, 2024, you must withdraw the declaration and claim using Form HS-122W, available on our website.

What if you rent your homestead on April 1 and occupy it yourself for fewer than 183 days in the calendar year? You must withdraw the declaration using Form HS-122W, Vermont Homestead Declaration and/or Property Tax Credit Withdrawal. Form HS-122W is available on our website. If you occupy your home fewer than 183 days, you are disqualified from filing both the Homestead Declaration and the Property Tax Credit Claim.

Adjustments to Income:

The following adjustments to household income may be made for each member of the household.

Line p **Social Security and Medicare Tax Withheld and Railroad Retirement Tier 1 and Self-Employment Tax on Income Reported** Social Security and Medicare, or equivalent tier 1 payroll tax payments are deducted from household income, but only to the extent that the salary and wages are included in household income. Please see the examples that follow:

- 1. Deferred compensation** – If you made a deferred compensation contribution for the tax year, the amount of the contribution is not included in the federal Adjusted Gross Income as stated on Form W-2, Box 1, Wage and Tax Statement. The Social Security and Medicare taxes on Form W-2 must be reduced for the purposes of reporting household income on Schedule HI-144. Generally, this amount is 7.65% of the amount stated on Form W-2, Box 1.
- 2. Military pay** – Multiplying the amount stated on Form W-2, Box 1, by 7.65% provides the correct value for this deduction.
- 3. Allocated tips** – In addition to the figures included on Form W-2, add the Social Security and Medicare payments you made as the result of completing federal Form 4137, Social Security and Medicare Tax On Unreported Tip Income.

Self-Employed Social Security and Medicare Taxes Paid Self-employed claimants may subtract from household income the amount from federal Schedule SE, Self-Employment Tax, Part I, Line 12, that represents the Social

Security and Medicare taxes paid for 2023 for income reported on Schedule HI-144. For income not required to be reported upon which Social Security and Medicare taxes were paid, multiply the income not reported on Schedule HI-144 by 15.3% and subtract the result from the federal Schedule SE amount. The amount of Social Security and Medicare taxes reported on this line includes the allowable deduction for one-half self-employment tax on federal Form 1040, Schedule 1, Line 15. You may be asked for a copy of your federal Schedule SE.

Line q	Child support paid Report only those payments for which receipts or other evidence of payment is available. This evidence may include cancelled checks or a statement from the Office of Child Support in addition to the name and Social Security Number of the parent receiving the payment.
Line r	Allowable Adjustments from federal Schedule 1. The following expenses may be subtracted from income. r1. Certain business expenses of reservists r2. Alimony paid r3. Self-employed health insurance deduction r4. Health savings account deduction
Line s	Add Lines p, q, and the total of Lines r1 through r4 for each column.

Line u	Add columns 1, 2, and 3 and enter sum. Entry cannot be less than zero (0).
Line v	For claimants under the age of 65 as of Dec. 31, 2023, enter the total interest and dividends for all household members reported on Lines e and f in each column.
Line w	Add the three columns on Line v.
Line x	For purposes of calculating the Property Tax Credit, household income is increased by the household total of interest and dividend income greater than \$10,000. Refer to V.S.A. § 6061(e).
Line y	Subtract Line x from Line w. If Line x is more than Line w, enter -0-.
Line z	Household Income Add Line u and Line y. Enter this figure on Form HS-122.

SPECIAL SITUATIONS

Deceased Homeowner

Property Tax Credit: An estate cannot make a Property Tax Credit Claim on behalf of a deceased homeowner. If a homeowner files a Property Tax Credit Claim, but dies prior to April 1, 2024, the estate must withdraw the claim using Form HS-122W. The estate is responsible to repay any credit issued. If the homeowner filed a Property Tax Credit Claim between January 1 and March 31 and dies after April 1, 2024, the commissioner may pay the credit to the town on behalf of another member of the household with ownership interest.

An estate may continue classification of the property as a homestead until the following April provided the property was the deceased homeowner's homestead at the time of death and the property is not rented.

Delinquent Property Tax The 2024 property tax credit applies to the current year property tax. The municipality may use any remaining credit towards penalty, interest, or prior year property taxes.

Nursing Home or Residential Care If the homeowner is age 62 or older and another owner who also lived in the homestead is the homeowner's spouse/civil union partner or sibling and has moved indefinitely from the homestead to a nursing home or residential care facility, the homeowner makes the Property Tax Credit Claim with 100% ownership. This applies **only if** the spouse/civil union partner or sibling does not make a Renter Credit Claim or the spouse/civil union partner or sibling does not make a Property Tax Credit Claim for the same homestead.

If the homeowner has moved to a nursing home or residential care facility, a Property Tax Credit Claim may be made if there is a reasonable likelihood that the homeowner will be returning to the homestead and the homeowner does not make a Renter Credit Claim. The Department may ask for a doctor's certificate to help determine whether the nursing home or residential care facility is a temporary location.

Renting at the End of the Year You may be eligible for a Renter Credit Claim for rent paid in 2023 under the following circumstances: 1) If you owned a Vermont homestead in 2023, 2) sold the homestead before April 1, 2023, 3) withdrew or did not file a 2023 Property Tax Credit Claim and 4) rented between the date of the sale and Dec. 31, 2023.

OWNERSHIP SITUATIONS

Homeowner Age 62 or Older in 2023 If the homeowner shares ownership of the homestead with their descendant(s), the homeowner may claim 100% ownership interest on the Property Tax Credit Claim, even if the other owners (descendants) do not live in the homestead. The Department may request a letter of explanation.

Divorced or Legally Separated Joint Owners When the divorce decree or court order has declared a specific percentage of home ownership for the purpose of property taxes, you must use that percentage if the following apply: **1)** you are divorced or legally separated from your spouse/civil union partner; **2)** your name and the name of the spouse/civil union partner from whom you are divorced or legally separated remain on the deed; and **3)** you are awarded possession of the home. If the divorce decree or court order does not specify responsibility for the property taxes, the person residing in the homestead uses 50% ownership interest. The person not living in the homestead cannot make a Property Tax Credit Claim.
The Department may ask for a copy of your court documents.

Duplex Housing *Both owners occupy the building as their principal residence.* The eligible housesite education property tax is the tax on the portion owned by each homeowner. If the town issues a property tax bill to each homeowner for their portion of the homestead, use the housesite value, housesite property tax, and 100% ownership interest. If the property tax bill is for the total property, prorate the housesite value, housesite property tax, and ownership interest. *Only one owner occupies the building as their principal residence.* The owner occupying the duplex as their principal residence must prorate for the other owner's interest.

Entity Ownership Property owned by a C or S corporation, partnership, or limited liability company cannot be claimed as an individual's homestead and is not eligible for property tax credit. The only exception is for a homestead located on a farm. Read Reg. § 1.5401(7)-Homestead at tax.vermont.gov/regulations.

Life Estate A person who holds a life estate interest in a property that they occupy as a principal residence may make a Property Tax Credit Claim as if the life estate holder was the owner of the property. The deed does not have to be attached to the Property Tax Credit Claim but must be available for review upon Department request.

Trust Ownership A dwelling owned by a trust is not the homestead of the beneficiary unless the claimant is the sole beneficiary of the trust **and** one of the following:

1. The claimant or the claimant's spouse was the grantor of the trust, and the trust is revocable or became irrevocable solely by reason of the grantor's death;

OR

2. The claimant is the parent, grandparent, child, grandchild or sibling of the grantor; the claimant is mentally disabled or severely physically disabled; and the grantor's modified Adjusted Gross Income is included in the household income calculation.

The term "sole beneficiary" is satisfied if the homeowner and the spouse/civil union partner are the only beneficiaries of the trust. A property owned by an irrevocable trust cannot be a homestead except as stated in (1) above. The trust document does not have to be attached to the Property Tax Credit Claim but must be available for review upon Department request.

BUYING and SELLING PROPERTY

Buying after April 1, 2023 For property purchased as your principal residence, you need to file a 2024 Homestead Declaration. If you are eligible to make a 2024 Property Tax Credit Claim and the property was declared as a homestead, use the seller's 2023/2024 property tax bill. If the property was not a homestead in 2023, ask the town for the housesite value and the property taxes on the housesite as if it was a homestead in 2023.

Property Transactions after April 1, 2024 The property tax credit stays with the property. In the case of the sale or transfer of a residence, any property tax credit amounts related to that residence shall be allocated to the seller at closing unless the parties agree otherwise.

NEW CONSTRUCTION
