Underpayment Interest and Penalties

Vermont law states that you must pay during the calendar year through withholding, timely made estimated payments, or a combination of both, an amount equal to 100% of your prior year tax liability or 90% of your current year tax liability, whichever is less.

If you do not meet this requirement and owe more than \$500 when you file your personal income tax return, you will be assessed penalties and interest. The underpayment in each quarter is assessed from the estimated payment due date to the date the tax is paid.

Calculate your payment using the "Taxpayer's Worksheet." Record your payments.
