

### What's New

Section 37-11C-4 of the Code of Alabama provides for a refundable tax credit equal to 50 percent of an eligible taxpayer's qualified railroad rehabilitation expenditures. The Alabama Department of Commerce is the administering agency for the Rail Credit. For more information regarding eligibility and qualifications, please contact [incentives@commerce.alabama.gov](mailto:incentives@commerce.alabama.gov) or 334-242-0400

### Issues Concerning the Preparation of Schedule FC

Fiduciary taxpayers must apply through My Alabama Taxes (MAT) at [www.myalabamataxes.alabama.gov](http://www.myalabamataxes.alabama.gov) and receive approval before claiming credits generated by the trust or estate and before distributing credits to the beneficiaries. Once logged into MAT, a taxpayer will need to select Fiduciary Tax as their account type then select "Submit a Credit Claim" from the "I Want to" menu on the right margin of the page and follow a short series of instructions/steps to claim a credit. Any supporting documentation for the credit certificate is required to be attached in MAT. The process of "Submitting a Claim" through MAT must be completed to allow the recipients a credit claim. Taxpayers needing assistance with signing up for a My Alabama Taxes Account or with reserving a tax credit may call (334) 242-1170 Option 6.

**Note: Any tax credits originating from an ownership interest in a Pass Through Entity (partnership, S-Corporation or disregarded entity) that flow through to a Fiduciary taxpayer will not need to be pre-certified by the Fiduciary tax filer unless the credit will flow through to the beneficiary or the Fiduciary is generating the credit.**

### Part A – Income Taxes Paid to other States

In accordance with §40-18-25(c) resident estates and trusts are allowed a credit for taxes paid to another state, for tax years beginning after December 31, 2004, if the resident estate or trust conducts a trade or business both in Alabama and in one or more other states or territories. The credit is limited to the lesser of the tax actually due to the other state or territory or the amount that would be due on the same income computed at the income tax rate in Alabama. When income tax is paid to more than one other state, the tax credit must be computed separately for each state. **A copy of the return as filed with the other state must be attached for the credit to be considered properly substantiated.**

- Line 1. Enter taxable income as shown on the other states return and list state.
- Line 2. Enter the tax due to the other state using Alabama tax rates.
- Line 3. Enter the tax due on the other state's return.

### Part B – Full Employment Act of 2011 Credit

This credit can only be taken by resident beneficiaries.

Sections 40-18-290 through 40-18-293 provide for a tax credit against Alabama income tax for small businesses which employ 50 or

fewer employees and create new jobs paying more than ten dollars (\$10) per hour. Employers will receive an income tax credit equal to one thousand dollars (\$1,000) and shall be available in the tax year during which the employee has completed 12 months of consecutive employment. The employer must have a net increase in the total number of full-time employees in Alabama on the last date of each tax year during which employees are hired for which the employer claims a credit, over the number employed in Alabama as of the last day of the tax year immediately preceding the first employment year. The income tax credit may be claimed for employees who are hired following June 9, 2011. This tax credit shall not exceed the amount of the taxpayer's state tax liability for which the credit is claimed. This credit is not refundable or transferable.

- Line 1. Enter the pro rata share of credit from Schedule K-1. Enter the FEIN number of the entity. If credit is from more than one entity attach schedule.
