

What's New for 2021

Consolidated Business Credit Worksheet. The Alabama Department of Revenue now requires the use of the consolidated business credit worksheet. The worksheet should only be completed by taxpayers that are claiming credits on the Form 20C-C or Form ET-1C.

General Information For Consolidated Filing:

An AAG, Alabama Affiliated Group, may elect to file an Alabama consolidated return. An Alabama consolidated return means an Alabama corporate income tax return filed by or on behalf of the members of an AAG. The election is made by filing Form 20C-CRE (Election to File Consolidated Corporate Income Tax Return). The completed election form must be submitted to the Department on or before the due date, with extensions, for the first taxable year for which the election is applicable. If the federal parent is not a member of the AAG, the members shall designate to the Department which member of the group shall serve as the AAG's Alabama parent. The parent must be an Alabama nexus group member. The consolidated election is binding and irrevocable for a period of 120 consecutive months (10 years), beginning with the first month of the taxable year for which the election is made and ending with the conclusion of the taxable year in which the 120th consecutive month expires.

In accordance with §40-18-39, for tax periods beginning January 1, 2002, and after, AAG means a group of corporations, each member of which is subject to tax under §40-18-31 and Public Law 86-272 which are members of an Affiliated Group for Federal purposes and file a Federal Consolidated Corporate Income Tax Return. Each member (including the Alabama designated parent corporation) shall allocate and apportion their Alabama taxable income and losses separately, using separate apportionment factors and file using the Proforma Form 20C. The sum of the separate company Alabama taxable income amounts (Sum of line 14, of all Proforma Forms 20C) are then brought forward to line 1 of the Alabama Consolidated Corporate Income Tax Return (Form 20C-C) and reported on this single Alabama return for the AAG. Form 20C-C, Consolidated Corporate Income Tax Return, must be filed by all AAGs with a binding consolidated election. All transactions between and among members of the AAG shall be reported on an arm's length basis. In addition to the separate company calculation, there may be additional expense items with limitations based on Alabama consolidated taxable income. Credits are not allowed to exceed Alabama consolidated taxable income.

Estimate/Extension/Informational Requirements for AAG's:

All payments made on behalf of or for the AAG are to be paid for and credited to the account of the AAG parent corporation. Any AAG, which has an Alabama income tax liability in the excess of \$500 must pay estimated tax. The first payment is due by the 15th day of the 4th month of the taxable year. The 2nd, 3rd, and 4th payments are due by the 15th day of the 6th, 9th, and 12th months, respectively. If an installment is due on a Saturday, Sunday, or state holiday, payments made on the next day that is not a Saturday, Sunday, or legal holiday are considered made on the due date to the extent the payment is applied against that required installment.

The amount of required installments shall be 25 percent of the required annual payment. Required annual payment generally means the lessor of a) 100 percent of the tax shown on the return for the taxable year, or b) 100 percent of the tax shown on the return for the preceding taxable year. The prior period exception shall not apply if the preceding taxable year was not a taxable year of 12 months or the corporation did not file a return for such preceding taxable year showing a liability for tax. Refer to Alabama Code Section 40-18-80-1.

Form 2220AL. Relief from the interest and penalty due on underpayment of estimated tax may be granted to eligible taxpayers who file Alabama Form 2220AL and meet one of the exceptions below.

- A corporation computed their required quarterly installments using an approved federal method (**annualized or seasonal**).
- A **Large Corporation** is allowed to base its first quarter installment on the prior year tax liability.
- An exception if the corporation's main source of Alabama Taxable Income is the result of Schedule K-1 income generated from a Pass Through Entity.

Remit estimated tax and extension payments using Form BIT-V if the payment is less than \$750. Payments over \$750 must be remitted electronically. Form BIT-V is not required if the payment is made electronically. To obtain Form BIT-V visit our website at www.revenue.alabama.gov.

Where To File/Payment of Tax:

The total amount of the AAG's income tax liability for the period is due on or before the unextended due date of the return. If the return is to be filed under extension, any liability due should be remitted no later than the original due date of the return. Payments of \$750 or more must be made electronically. Payments less than \$750, may be remitted with Form BIT-V. **DO NOT MAIL FORM BIT-V IF THE PAYMENT WAS REMITTED ELECTRONICALLY.**

A proforma Form 20C is a completed Form 20C with filing status 5 checked. See Alabama Form 20C Instructions for general instructions for using Form 20C Proforma returns.

REQUIRED ATTACHMENTS. For the return to be considered complete and properly filed, a signed copy of the consolidated federal return (Form 1120) must be attached. Failure to attach the complete consolidated federal return, as filed with the IRS, with the necessary supporting schedules, forms and statements (ex: Schedule D, Schedule UTP, Form 8886, Form 4797, balance sheet, supporting statements for other income and other deductions) may result in the imposition of delinquent and/or frivolous return penalties. In addition to the signed copy of the consolidated federal return, the following are required: 1) Federal Form 851, the federal affiliations schedule should be included and the names of those entities subject to Alabama tax should be identified. The names of the entities subject to Alabama tax can either be underlined, or identified by using an (*) asterisk beside the name of the entity. 2) Copies of the supporting schedules, forms and statements filed as an attachment with the consolidated federal form should be included with the Alabama Form 20C-C. The taxpayer is also required to include copies of Schedules K-1 for each entity the corporation held an interest in during the taxable year. Itemized depreciation schedules are not required to be attached to Form 20C, but should be maintained and available upon request.
