Negative numbers. Enter all negative numbers with the negative sign. Do not use parenthesis when entering negative numbers. This does not pertain to those fields with the '()' displayed on the form.

Beginning with calendar year 2023, taxpayers may carry forward any unused coal credit for up to 5 years. The coal credit is required to be submitted through MAT(My Alabama Taxes).

Issues Concerning the Preparation of Schedule FC

Fiduciary taxpayers must apply through My Alabama Taxes (MAT) at www.myalabamataxes.alabama.gov and receive approval before claiming credits generated by the trust or estate and before distributing credits to the beneficiaries. Once logged into MAT, a taxpayer will need to locate the Fiduciary Tax as their account type then select "Submit a Credit Claim" and follow a short series of instructions/steps to claim a credit. Any supporting documentation for the credit certificate is required to be attached in MAT. The process of "Submitting a Claim" through MAT must be completed to allow the recipients a credit claim. Taxpayers needing assistance with signing up for a My Alabama Taxes Account or with reserving a tax credit may call (334) 242-1170 Option 6.

Note: Any tax credits originating from an ownership interest in a Pass Through Entity (partnership, S-Corporation or disregarded entity) that flow through to a Fiduciary taxpayer will not need to be pre-certified by the Fiduciary tax filer unless the credit will flow through to the beneficiary or the Fiduciary is generating the credit.

Part A – Income Taxes Paid to other States

In accordance with §40-18-25(c) resident estates and trusts are allowed a credit for taxes paid to another state, for tax years beginning after December 31, 2004, if the resident estate or trust conducts a trade or business both in Alabama and in one or more other states or territories. The credit is limited to the lesser of the tax actually due to the other state or territory or the amount that would be due on the same income computed at the income tax rate in Alabama. When income tax is paid to more than one other state, the tax credit must be computed separately for each state. **A copy of the return as filed with the other state must be attached for the credit to be considered properly substantiated.**

- Line 1. Enter taxable income as shown on the other states return and list state.
- Line 2. Enter the tax due to the other state using Alabama tax rates.

Part B – Coal Credit

For the tax years beginning on and after January 1, 1995, every corporation, whether a "subchapter S" corporation, as defined by the 1995 Internal Revenue Code, or not, foreign or domestic, that is doing business in Alabama, as a producer of coal mined in Alabama, shall

be allowed a credit against the tax imposed by Section 40-18-2, in the amount of one dollar (\$1) per ton of increased production of coal over the previous year's production of coal as set out herein below. Such tax credit shall be based on coal produced after January 1, 1995, provided the coal was mined in Alabama as certified by the producer of the coal. The amount of the total credit in any one year shall be based on the number of tons of Alabama coal produced by the corporation in the year which exceeds the number of tons of Alabama coal produced by the corporation in calendar year 1994. In the event a corporation did not produce Alabama coal during calendar year 1994, such corporation must establish a base year by producing Alabama coal for 12 consecutive months. Thereafter, such corporation shall be eligible for the tax credit as specified herein above over the base year production. Acts 1995, No. 95-239, p. 403, §1.

Beginning with calendar year 2023, taxpayers may carry forward any unused coal credit for up to 5 years. The coal credit is required to be submitted through MAT(My Alabama Taxes) NOTE: If the credit you are claiming is from a Partnership or S Corporation, do not submit the credit claim through MAT. The credit claim will be submitted by the Partnership or S Corporation.
