Schedule IW Limited Liability Company (LLC) Income Worksheet

Enter your California income amounts on the worksheet. All amounts entered must be assigned for California law differences. **Use only amounts that are from sources derived from or attributable to California when completing lines 1-17 of this worksheet.** If your business is both within and outside of California, see Schedule IW instructions to assign the correct amounts to California. If the LLC is wholly within California, the total income amount is assigned to California and is entered beginning with line 1a. If the single member LLC (SMLLC) does not meet the 3 million criteria for filing Schedule B (568) and Schedule K (568), the SMLLC is still required to complete Schedule IW. Disregarded entities that do not meet the filing requirements to complete Schedule B or Schedule K should prepare Schedule IW by entering the California amounts attributable to the disregarded entity from the member's federal Schedule B, C, D, E, F (Form 1040), or additional schedules associated with other activities. **Do not enter amounts on this worksheet that have already been reported by another LLC to determine its fee.**

See instructions on page 13 and page 14 of the Form 568 Booklet for more information on how to complete Schedule IW.
