

2018 Instructions for Long Form 540NR California Nonresident or Part-Year Resident Income Tax Return

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and the California Revenue and Taxation Code (R&TC).

Before You Begin

Complete your federal income tax return (Form 1040, Form 1040NR, or Form 1040NR-EZ) before you begin your Long Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. Use information from your federal income tax return to complete your Long Form 540NR. Complete and mail Long Form 540NR by April 15, 2019. If unable to mail your return by this date see page 2.

To get forms and publications referred to in these instructions, go to ftb.ca.gov/forms or see "Where To Get Income Tax Forms and Publications."

 You may qualify for the federal earned income tax credit. See page 2 for more information.

Note: The lines on Long Form 540NR are numbered with gaps in the line number sequence. For example, lines 20 through 30 do not appear on Long Form 540NR. So the line number that follows line 19 on Long Form 540NR is line 31.

Caution: Long Form 540NR has five sides. If filing Long Form 540NR, you must send all five sides to the Franchise Tax Board (FTB).

If you need to amend your Long Form 540NR, complete an amended Long Form 540NR and check the box at the top of Long Form 540NR indicating AMENDED return. Attach Schedule X, California Explanation of Amended Return Changes, to the amended Long Form 540NR. For specific instructions, see "Instructions for Filing a 2018 Amended Return" on page 19.

An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. It is a nine-digit number that always starts with the number 9.

Filing Status

Check only one box for line 1 through line 5. Enter the required additional information if you checked the box on line 3 or line 5. For filing status requirements, see page 3.

Usually, your California filing status must be the same as the filing status you used on your federal income tax return.

Exception for Married Taxpayers Who File a Joint Federal Income Tax Return – You may file separate California returns if either spouse was:

- An active member of the United States Armed Forces or any auxiliary military branch during 2018.
- A nonresident for the entire year and had no income from California sources during 2018.

Community Property. If either spouse earned California source income while domiciled in a community property state, the community income will be split equally between the spouses. Both spouses will have California source income and they will **not** qualify for the nonresident spouse exception. For more information, get FTB Pub. 1031, Guidelines for Determining Resident Status.

If you did not file a federal tax return because you did not have a federal filing requirement, use the filing status you would have used had you been required to file.

Registered domestic partners (RDPs) who file single for federal **must file** married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal purposes, you may file head of household for California purposes only if you meet the requirements to be considered unmarried or considered not in a domestic partnership.

Nonresident Alien – A joint tax return may be filed if, in the case of a nonresident alien married to a United States citizen or resident, both spouses/RDPs elect to treat the nonresident alien spouse/RDP as a resident for tax purposes.

If You Filed Federal Form 1040NR or Form 1040NR-EZ, you do not qualify to use the head of household or married/RDP filing jointly filing statuses. Instead, use single, married/RDP filing separately, or qualifying widow(er) filing status, whichever applies to you.

If You File as Head of Household, do not claim yourself or a nonrelative as the qualifying individual for head of household. Get FTB Pub. 1540, California Head of Household Filing Status, for more information. See "Where To Get Income Tax Forms and Publications."

Transfer the amount from the California RDP Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 7, to Long Form 540NR, line 13.

Line 14 – California Adjustments — Subtractions (from Schedule CA (540NR), line 37, column B)

If there are differences between your federal and California income, i.e. social security, complete Schedule CA (540NR). Follow the instructions for Schedule CA (540NR). Enter the amount from Schedule CA (540NR), line 7, column B on Long Form 540NR, line 14.

If the amount on Schedule CA (540NR), line 37, column B is a negative number, do not transfer it to Long Form 540NR, line 14 as a negative number. Instead, transfer the number as a positive number to Long Form 540NR, line 16.

Line 17 – Adjusted Gross Income From All Sources

Combine line 15 and line 16. This amount should match the amount on Schedule CA (540NR), line 37, column D.

Line 18 – California Itemized Deductions or California Standard Deduction

Decide whether to itemize your deductions, such as charitable contributions, medical expenses, etc., or take the standard deduction. Your California income tax will be less if you take the **larger** of your California:

- Itemized deductions (total itemized deductions allowed under California law).
- Standard deduction.

On federal tax returns, individual taxpayers who claim the standard deduction are allowed an additional deduction for net disaster losses. For California, deductions for disaster losses are only allowed for those individual taxpayers who itemized their deductions.

If married/or an RDP and filing separate Long Form 540NR, you and your spouse/RDP must either both itemize your deductions (even if the itemized deductions of one spouse/RDP are less than the standard deduction) or both take the standard deduction.

Also, if someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, see the California Standard Deduction Worksheet for Dependents.

Itemized Deductions. Figure your California itemized deductions by completing Schedule CA (540NR), Part III, lines 1 through 30. Enter the result on Long Form 540NR, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Long Form 540NR, first complete federal Schedule A (Form 1040), Itemized Deductions. Then check the box on Side 3, Part III of the Schedule CA (540NR), and complete Part III.

Standard Deduction. Find your standard deduction on the California Standard Deduction Chart for Most People. If you checked the box on Long Form 540NR, line 6, use the California Standard Deduction Worksheet for Dependents, instead.

California Taxable Income

When you figure your tax, use the correct filing status and taxable income amount.

Line 31 – Tax

 **Tip** e-file and you won't have to do the math. Go to ftb.ca.gov and search for **efile**.

To figure your tax on the amount on line 19, use one of the following methods and check the matching box on line 31:

Many credits are limited to a certain percentage or a certain dollar amount. In addition, the total amount you may claim for all credits is limited by tentative minimum tax (TMT); go to Box A to see if your credits are limited.

If you are not claiming any other special credits go to line 50 and line 61 to see if you qualify for the nonrefundable child and dependent care expenses credit or the nonrefundable renter’s credit.

Credit for Child Adoption Costs — Code 197

For the year in which an adoption decree or an order of adoption is entered (e.g. adoption is final), claim a credit for 50% of the cost of adopting a child who was both:

- A citizen or legal resident of the United States
In the custody of a California public agency or a California political subdivision

Treat a prior unsuccessful attempt to adopt a child (even when the costs were incurred in a prior year) and a later successful adoption of a different child as one effort when computing the cost of adopting the child. Include the following costs if directly related to the adoption process:

- Fees for Department of Social Services or a licensed adoption agency
- Medical expenses not reimbursed by insurance
- Travel expenses for the adoptive family

Note:

- This credit does not apply when a child is adopted from another country or another state, or who was not in the custody of a California public agency or a California political subdivision.
- Any deduction for the expenses used to claim this credit must be reduced by the amount of the child adoption costs credit claimed.

Use the following worksheet to figure this credit **using whole dollars only**. If more than one adoption qualifies for this credit, complete a separate worksheet for each adoption. The maximum credit is limited to \$2,500 per minor child.

1. Enter qualifying costs for the child	1	_____
2. Credit percentage — 50%	2	x .50
3. Credit amount. Multiply line 1 by line 2.		_____
Do not enter more than \$2,500	3	_____

The FTB will accept in writing, any divorce agreement (or court-ordered settlement) or a statement showing the allocation of the payments along with a notarized signature of both taxpayers.

Send statements to:

JOINT ESTIMATED CREDIT ALLOCATION MS F283

If the amount repaid under a "Claim of Right" was not originally taxed by California, you are not entitled to claim the credit.

Overpaid Tax or Tax Due

To avoid a delay in the processing of your tax return, enter the correct amounts on line 101 through line 104.

Line 103 – Overpaid Tax Available This Year

If you entered an amount on line 102, subtract it from the amount on line 101. Enter the result on line 103. - The tax due on line 104 is \$500 or more (\$250 or more if married/RDP filing separately).
- The amount of state income tax withheld on line 81 is less than 90% of the amount of your total tax on line 74.

If you owe a penalty, the FTB will figure the penalty and send you a bill.

You may also contribute any amount to the **State Parks Protection Fund/Parks Pass Purchase**. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will **not** be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information go to parks.ca.gov/annualpass/ or email info@parks.ca.gov.

If you entered an amount on line 120, add that amount to the amount on line 104. Enter the result on line 121. This is the amount you owe with your Long Form 540NR.

If you have an amount on line 103 and line 120, subtract line 120 from line 103. If line 120 is more than line 103 enter the difference on line 121.

To avoid a late filing penalty, file your Long Form 540NR by the extended due date even if unable to pay the amount you owe.

Mandatory Electronic Payments. You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns.

Do not mail a copy of your e-filed tax return.

Interest and Penalties

If you file your tax return or pay your tax after the original due date, you may owe interest and penalties on the tax due.

Do not reduce the amount on line 101 or increase the amount on line 104 by any penalty or interest amounts. Enter on Long Form 540NR, line 122 the amount of interest and penalties.

Line 122 – Interest and Penalties

Interest. Interest will be charged on any late filing or late payment penalty from the original due date of the return to the date paid. In addition, if other penalties are not paid within **15** days, interest will be charged from the date of the billing notice until the date of payment. Interest compounds daily and the interest rate is adjusted twice a year. The FTB website has a chart of interest rates in effect since 1976. Go to ftb.ca.gov and search for **interest rates**.

Late Filing of Tax Return. If you do not file your tax return by October 15, 2019, you will incur a late filing penalty plus interest from the original due date of the tax return. The maximum total penalty is 25% of the tax not paid if the tax return is filed after October 15, 2019. The minimum penalty for filing a tax return more than 60 days late is \$135 or 100% of the balance of tax due, whichever is less.

Late Payment of Tax. If you fail to pay your total tax liability by April 15, 2019, you will incur a late payment penalty plus interest. The penalty is 5% of the tax not paid when due plus 1/2% for each month, or part of a month, the tax remains unpaid. We may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax shown on the return is paid by the original due date of the return. However, the imposition of interest is mandatory. If, after April 15, 2019, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest.

Other Penalties. We may impose other penalties if a payment is returned for insufficient funds. We may also impose penalties for negligence, substantial understatement of tax, and fraud.

Line 123 – Underpayment of Estimated Tax

You may be subject to an estimated tax penalty if any of the following is true:

- Your withholding and credits are less than 90% of your current tax year liability.
- Your withholding and credits are less than 100% of your prior year tax liability (110% if AGI is more than \$150,000 or \$75,000 if married/RDP filing separately).
- You did not pay enough through withholding to keep the amount you owe with your tax return under \$500 (\$250 if married/RDP filing separately).
- You did not make the required estimate payments, if you pay an installment after the date it is due, or if you underpay any installment, a penalty may be assessed on the portion of estimated tax that was underpaid from the due date of the installment to the date of payment or the due date of your return, whichever is earlier. Get the 2018 form FTB 5805 for more information.

The FTB can figure the penalty for you when you file your tax return and send you a bill.

Is line 104 less than \$500 (\$250 if married/RDP filing separately)?

Yes Stop. You may not be subject to an estimated payment penalty.
No Continue. You may be subject to an estimated payment penalty.

Is line 104 less than 10% of the amount on line 63 (excluding the tax on lump-sum distributions on line 41)?

No You may be subject to an estimated payment penalty, see form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries (or form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen).

The underpayment of estimated tax penalty shall not apply to the extent the underpayment of an installment was created or increased by any provision of law that is chaptered during and operative for the taxable year of the underpayment. To request a waiver of underpayment of estimated tax penalty, get form FTB 5805 or form FTB 5805F. See "Where To Get Income Tax Forms and Publications."

If you complete one of these forms, enter the amount of the penalty on line 123 and check the correct box on line 123. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. The total of line 126 and line 127 must equal the total amount of your refund on line 125. If line 126 and line 127 do not equal line 125, the FTB will issue a paper check.

Adjusted Refunds – If there is a change made to your refund, you will still receive your refund via direct deposit. For more information on direct deposit of adjusted refunds, go to ftb.ca.gov and search for **direct deposit**.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Prior to depositing the refund, FTB may first verify with your financial institution that the name on the account you designated to receive the direct deposit refund matches the name provided on the tax return. Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Direct Deposit for ScholarShare 529 College Savings Plans – If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account.

Fill in the routing number, account type and account number. To obtain the nine-digit routing number go to scholarshare.com or call 800.544.5248. Check "Checking" as type of account. Enter your complete account number that includes (1) the "CA" prefix, (2) your four-digit investment portfolio number, and (3) your ScholarShare account number (for account numbers less than 11 digits, add leading zeros).

Sign Your Tax Return

Sign your tax return in the designated space on Side 5. If you file a joint tax return, your spouse/RDP must also sign it.

Include your preferred phone number and email address in case the FTB needs to contact you regarding your tax return. By providing this information the FTB will be able to provide you better customer service.

Joint Tax Return. If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. This means that if one spouse/RDP does not pay the tax due, the other spouse/RDP may have to pay the tax due. See "Innocent Joint Filer Relief" under Additional Information section for more information.

Paid Preparer's Information. If you pay a person to prepare your Long Form 540NR, that person signs and completes the area at the bottom of Side 5 including an identification number. The IRS requires a paid preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

Third Party Designee. If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2018 tax return with the FTB, check the “Yes” box in the signature area of your tax return. Also print the designee’s name and telephone number.

If you check the “Yes” box, you, and your spouse/RDP if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee’s authorization, go to ftb.ca.gov and search for [poa](#).

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2019 tax return. This is April 15, 2020, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040, include your name, SSN, and the designee’s name.

Power of Attorney. If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to your 2018 tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a “Power of Attorney” (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, go to ftb.ca.gov and search for [poa](#).

Check Your Social Security Number (or ITIN). Verify that you have written your social security number (or ITIN) in the spaces provided at the top of Long Form 540NR. If you file a joint tax return, verify that you and your spouse’s/RDP’s numbers are entered in the same order as your names.
