C Limitations

The taxpayer must reduce any wage deduction claimed on their income tax returns by the amount of the Main Street Small Business Tax Credit II allowed for the 2021 taxable year, including any credit carried forward to future years.

S corporations may claim only 1/3 of the credit against the 1.5% entity level tax (3.5% for financial S corporations). The remaining 2/3 must be disregarded and may not be used as a carryover. S corporations can pass through 100% of the credit to their shareholders.

If a taxpayer owns an interest in a disregarded business entity [a single member limited liability company (SMLLC) not recognized by California, and for tax purposes is treated as a sole proprietorship owned by an individual or a branch owned by a corporation], the usable credit amount received from the disregarded entity is limited to the difference between the taxpayer's regular tax figured with the income of the disregarded entity, and the taxpayer's regular tax figured without the income of the disregarded entity.

Get Form 568, Limited Liability Company Tax Booklet, for more information.

The credit cannot reduce the regular tax below the minimum franchise tax (corporations and S corporations), the annual tax (limited partnerships, limited liability partnerships, and LLCs classified as a partnership), the alternative minimum tax (corporations, exempt organizations, individuals, and fiduciaries), the built-in gains tax (S corporations), or the excess net passive income tax (S corporations).

The credit cannot reduce regular tax below the tentative minimum tax. Get Schedule P (100, 100W, 540, 540NR, or 541), Alternative Minimum Tax and Credit Limitations, for more information.

D Carryover

If the available credit exceeds the current year tax liability or is limited by tentative minimum tax, the unused credit may be carried over for five years or until the credit is exhausted, whichever occurs first. Apply the carryover to the earliest taxable year. In no event can the credit be carried back and applied against a prior year's tax. Retain all records that document this credit and carryovers.
