

2023 Instructions for Form 540-ES

Estimated Tax For Individuals

General Information

Installment Payments – Installments due shall be 30% of the required annual payment for the 1st required installment, 40% of the required annual payment for the 2nd required installment, no installment is due for the 3rd required installment, and 30% of the required annual payment for the 4th required installment.

Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000. Once you meet the threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically will be subject to a 1% noncompliance penalty. Electronic payments can be made using Web Pay on the Franchise Tax Board's (FTB's) website, electronic funds withdrawal (EFW) using tax preparation software, or your credit card. For more information, go to ftb.ca.gov/e-pay.

A Purpose

Use Form 540-ES, Estimated Tax for Individuals, and the 2023 California Estimated Tax Worksheet, to determine if you owe estimated tax for 2023 and to figure the required amounts. Estimated tax is the tax you expect to owe in 2023 after subtracting the credits you plan to take and tax you expect to have withheld.

If you need to make a payment for your 2022 tax liability or make a separate payment for any balance due on your 2022 tax return, use form FTB 3519, Payment for Automatic Extension for Individuals.

Certain taxpayers are limited in their use of the prior year's tax as a basis for figuring their estimated tax. See Section C for more information. Check for estimated payments we have received at ftb.ca.gov and login or register for MyFTB.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete Employment Development Department (EDD) Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer, or by calling EDD at **888.745.3886**. You can download Form DE 4 from EDD's website at edd.ca.gov or go to ftb.ca.gov and search for **de 4**.

Form DE 4 specifically adjusts your California state withholding and is not the same as the federal Form W-4, Employee's Withholding Certificate.

B Who Must Make Estimated Tax Payments

Generally, you must make estimated tax payments if you expect to owe at least \$500 (\$250 if married/RDP filing separately) in tax for 2023 (after subtracting withholding and credits) and you expect your withholding and credits to be less than the **smaller** of:

- 90% of the tax shown on your 2023 tax return; or
- 100% of the tax shown on your 2022 tax return including Alternative Minimum Tax (AMT).

Note:

- You do not have to make estimated tax payments if you are a nonresident or new resident of California in 2023 and did not have a California tax liability in 2022. See Section C for more information.
- If you are a military servicemember not domiciled in California, do not include your military pay in your computation of estimated tax payments. If you are the nonmilitary spouse of a servicemember, you may or may not need to include your pay in your computation of estimated tax payments. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

If you and your spouse/RDP paid joint estimated tax payments, but are now filing separate income tax returns, either of you may claim all of the amount paid, or you may each claim part of the joint estimated payments. If you want the estimated tax payments to be divided, notify the FTB before you file the income tax returns so that the payments can be applied to the proper account. The FTB will accept in writing, any divorce agreement (or court ordered settlement) or a statement showing the allocation of the payments along with a notarized signature of both taxpayers. The statements should be sent to:

JOINT ESTIMATE CREDIT ALLOCATION MS F283
TAXPAYER SERVICES CENTER
FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

C Limit on the Use of Prior Year's Tax

Individuals who are required to make estimated tax payments, and whose 2022 California adjusted gross income is more than \$150,000 (or \$75,000 if married/RDP filing separately), must figure estimated tax based on the lesser of 90% of their tax for 2023 or 110% of their tax for 2022 including AMT. This rule does not apply to farmers or fishermen.

Taxpayers with 2023 California adjusted gross income equal to or greater than \$1,000,000 (or \$500,000 if married/RDP filing separately), must figure estimated tax based on their tax for 2023.

D When to Make Your Estimated Tax Payments

Pay your estimated payments by the dates shown below:

1st payment	April 18, 2023
2nd payment	June 15, 2023
3rd payment	September 15, 2023
4th payment	January 16, 2024

Due to the federal Emancipation Day holiday observed on April 17, 2023, tax returns filed and payments mailed or submitted on April 18, 2023, will be considered timely.

Filing an Early Tax Return In Place of the 4th Installment – If you file your 2023 tax return by January 31, 2024, and pay the entire balance due, you do not have to make your last estimated tax payment. In addition, you will not owe a penalty for the fourth installment.

Annualization Option – If you do not receive your taxable income evenly during the year, it may be to your advantage to annualize your income. This method allows you to match your estimated tax payments to the actual period when you earned the income. You may use the annualization schedule included with the 2022 form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries.

Farmers and Fishermen – If at least two-thirds of your 2022 or 2023 gross income is from farming or fishing, you may do either of the following:

- Pay all of your estimated tax by January 16, 2024.
- File your tax return for 2023 on or before March 1, 2024, and pay the total tax due. In this case, you do not need to make estimated tax payments for 2023. Use the 2022 form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen, to determine if you paid the required estimated tax. If the estimated tax is underpaid, attach the completed form FTB 5805F to the back of your tax return.

Fiscal Year – If you file your tax return on a fiscal year basis, your due dates will be the 15th day of the 4th, 6th, and 9th months of your fiscal year and the 1st month of the following fiscal year. If the due date falls on a weekend or legal holiday, use the next business day.

Mental Health Services Tax – If your taxable income or nonresident California source taxable income is more than \$1,000,000, complete the worksheet below.

A. Taxable income from Form 540, line 19, or Form 540NR, line 35.	A	_____
