## California Electronic Funds Withdrawal Payment Signature Authorization for Individuals and Fiduciaries

### General Information

#### A Purpose

Form FTB 8879 (PMT), California Electronic Funds Withdrawal Payment Signature Authorization for Individuals and Fiduciaries, must be completed when an individual or fiduciary electronic funds withdrawal (EFW) payment is being signed using the Practitioner PIN method. By signing this form, the taxpayer, fiduciary or officer representing the fiduciary authorizes the electronic return originator (ERO) to enter the taxpayer or fiduciary's personal identification number (PIN) on his or her 2022 e-filed California EFW payment request. This is a one-time authorization applicable only to this specific EFW payment request.

Form FTB 8879 (PMT) does not serve as proof of filing an EFW payment request – the acknowledgement containing the date of acceptance for the accepted EFW payment request is that proof.

**Do not** use form FTB 8879 (PMT) if the taxpayer(s) or fiduciary will sign form FTB 8453 (PMT), California Payment for Automatic Extension and Estimate Payment Authorization for Individuals, form FTB 8453-FID (PMT) California Payment for Automatic Extension and Estimate Payment Authorization for Fiduciaries or will enter their own PIN and shared secret (prior year California Adjusted Gross Income (AGI)).

#### B Practitioner PIN Method

The Practitioner PIN method is an electronic signature option for taxpayers and fiduciaries e-filing their EFW payment request through an ERO. To select this method, both the taxpayer(s) or fiduciary and ERO must sign form FTB 8879 (PMT). When using this method, the taxpayer or fiduciary generally does not need to supply a shared secret with their PIN. The Practitioner PIN method can be used when the taxpayer or fiduciary's shared secret is not known or the taxpayer, fiduciary or officer representing the fiduciary cannot physically enter their PIN on their ERO's computer.

For taxpayers who are married or registered domestic partners (RDPs) filing jointly, it is acceptable for one spouse/RDP to authorize the ERO to enter his or her PIN and the other to choose to enter his or her own PIN. In this scenario, the spouse/RDP entering his or her own PIN must also provide the correct shared secret. It is not acceptable for one spouse/RDP to enter both PINs.

#### C Taxpayer and Fiduciary Responsibilities
