

Steps for Placing Transparency Grids on Forms in Acrobat

- Open PDF file
- To apply the electronic overlay on the form(s).
 - While in the form click on the Edit Watermark icon (below).
 - Click on **Add Watermark**

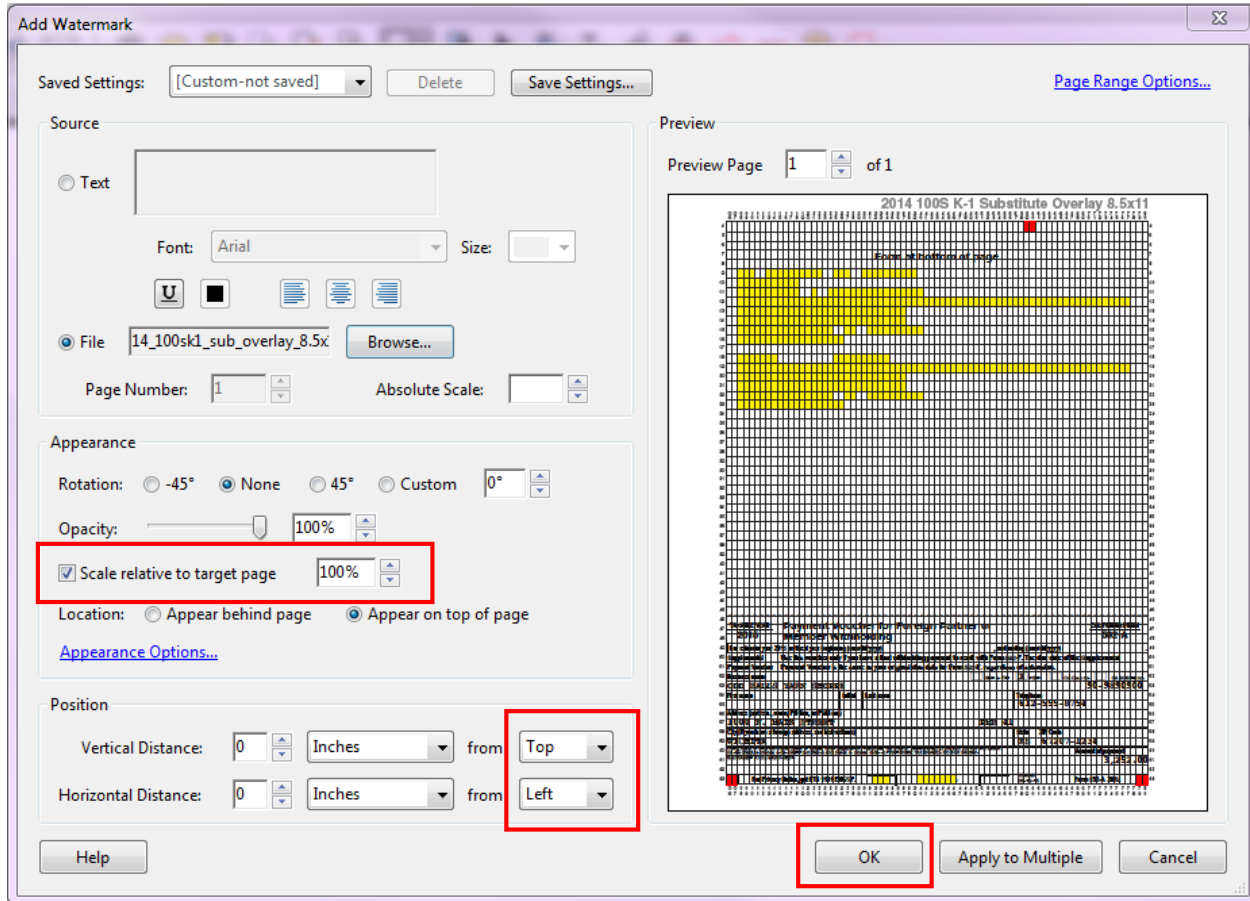

Form at bottom of page.

- Under **Source**, click on from **File** and **Browse**, then locate where your overlays are stored.

- Under **Appearance, Scale relative to target page:** select 100%
- Vertical Alignment: Click drop down box to select: **Top**
- Horizontal Alignment: Click drop down box to select: **Left**
- Click **OK**

- To remove overlay grid:
 - **Edit**
 - **Undo Watermark**
