Who Must File

- If you are a **Full-Year Resident** of the State, you must file a tax return for 2020 if, based on your Age/Status, your individual adjusted Delaware gross income (AGI) exceeds the amount shown below.

AGE/STATUS	Filing Status			Claimed as a dependent on another person's return
	1&5	2	3&4	
	Filing Status	Married filing joint	Married filing separate

*This dollar amount represents your individual Adjusted Gross Income, NOT a total combined with anyone else.

**Assumes only one spouse meets age or blindness criteria.

- If you were a **Part-Year Resident**, you must file a Delaware tax return:
 - If you had income from any source while a resident of Delaware, or
 - If you had income from a Delaware source while you were a non-resident of Delaware.

Part-year residents may elect to file either a resident or non-resident return. You may wish to prepare both. File only the return which is more advantageous for you.

Part-Year Residents electing to file a **resident return** – this option may be advantageous if, during the period of non-residency, you had no income from sources in other states and/or your only income was from Delaware.

Part-Year Residents electing to file a **non-resident return** – This option may be advantageous if, during the period of non-residency, you had any income from other states or sources outside of Delaware. Please refer to the instructions for Form 200-02 to review this option.

Note: Volunteer Firefighter, Child Care and Earned Income Tax Credits cannot be taken on the non-resident return (Form 200-02).

- If you are a **Non-Resident** who had gross income in 2020 from sources in Delaware, you must file a Delaware Tax return.

Who is a Resident

A resident is an individual who either:

- Is domiciled in this State for any part of the taxable year; or
- Maintains a place of abode in this State and spends more than

183 days of the taxable year in this State.

A domicile is the place an individual intends to be his permanent home; a place to which he intends to return whenever he may be absent. An individual can have only one domicile. A domicile, once established, continues until the individual moves to a new location and exhibits a bona fide intention of making it his or her permanent home.

Full-Time Students with a legal residence in another state remain legal residents of that state unless they exhibit intentions to make Delaware their permanent residence.

NOTE*: Foreign Travelers – If you were out of the United States for at least 495 days in the last 18 consecutive months and (at the same time) you did not maintain a permanent place of abode in this State at which you, your spouse, your children or your parents were present for more than 45 days, you are not considered a resident of this State.

*The above NOTE does not apply to members of the Armed Forces, employees of the United States, its agencies, or instrumentalities.

Minors - Disabled - Deceased Taxpayers

If an individual is unable to file a return because he is a minor or is disabled, the return shall be filed by his authorized agent, guardian, fiduciary or the person charged with the care of the person or property of such individual. See the federal Form 1040 instructions for those authorized to sign. If an individual is deceased, his final return shall be filed by his executor, administrator or other person responsible for the property of the decedent. Please see Deceased on Page 12 for further instructions on deceased taxpayers.

When to File

Individual income tax returns are due on or before April 30, 2021, for all taxpayers filing on a calendar year basis. All others must file by the last day of the fourth month following the close of their taxable year.

Extension of Time to File a Return

CAUTION:

THERE IS NO EXTENSION OF TIME FOR PAYMENT OF TAX
An extension of time to file your tax return is granted when the **Application for Automatic Extension (Form 200ES (1027)) is filed prior to the due date of your return. Interest accrues on any unpaid tax at a rate of ½% per month, or fraction of a month, from the return's original due date until paid.**

To extend your due date for submitting your completed income tax return (from April 30, 2021 to October 15, 2021) submit the following to the Division of Revenue no later than April 30, 2021:

- The completed copy of Form 200ES (1027); and
- Your payment of any balance of tax liability estimated to be due for tax year 2020.

The application for an automatic extension, Form 200ES (1027), may be filed on-line at our website at revenue.delaware.gov. If you owe tax with your extension for 2020 and file on-line, you may use a direct debit from your checking or savings account or pay by credit card. If you are paying by direct debit you may specify a later payment date, up to the due date. Payments by direct debit must not come from an account outside the U.S. and may be made in any amount without dollar limitation. Payments up to \$10,000 can be made by credit card. If you choose not to file online, a blank copy of Form 200ES (1027) is available from the Division of Revenue or from our website.

Blanket requests for extensions will not be granted. YOU MUST submit a separate extension request for each return.

Persons 60 or Over Checklist

You are entitled to an additional personal credit of \$110.	Line 9b, Page 6
You may be eligible for the pension exclusion.	Line 35, Page 9
Social Security and Railroad retirement benefits are excluded from Delaware taxable income.	Line 37, Page 10
You may be eligible for an exclusion if your earned income was less than \$2,500.	Line 40, Page 10
If you were 65 years of age or older on 12/31, you are eligible for an additional standard deduction of \$2,500, if you did not itemize.	Line 3, Page 5

Members of Armed Forces

While you are stationed in Delaware, your military and non-military pay is subject to Delaware state income tax as follows:

Members of the Armed Forces			
Are you a Legal Resident of Delaware?	Delaware Filing Required		
	Military Active Duty Income	Other Income Earned in DE	Other Income Earned in Other States
Yes	Yes*	Yes*	Yes*
No	No	Yes*	No

*Whether you are stationed in Delaware or not.

Your state of legal residence is the same as it was when you entered the Armed Forces unless you voluntarily changed it while in the Armed Forces. For example, if you were a legal resident of Delaware when you entered the Armed Forces, you remain a legal resident of Delaware for Delaware state income tax purposes unless you voluntarily abandoned your Delaware residency and established a new legal domicile in another state.

If you change your legal residence, in the year you change, you are a part-year resident of both states. A change in legal residence is documented by filing DD Form 2058 and DD Form 2058-1 with your military personnel office.

The following examples illustrate this:

1. Airman John Green, who is a legal resident of Delaware (domiciled in Delaware), was ordered to duty in, and moved his family to, New Jersey. The family has no income other than Green's military pay. Airman Green will file a federal and Delaware Resident tax return only. A New Jersey state tax return is not required.
2. Sergeant Paul Smith, whose domicile is Ohio, to which he is liable for income taxes, has been on active duty in Delaware for 12 months. Sergeant Smith is single and has non-military income from Delaware. Sergeant Smith will file as a non-resident of Delaware (using Form 200-02 NR) reporting all his income in Column A. He will deduct his military compensation from his Delaware Non-Resident Return as a federal adjustment to gross income. (Column A, Line 16.) Sergeant Smith should contact Ohio for his filing requirements for Ohio.

Military Spouses

All income of a non-military spouse is taxed in the state of their legal residence. **The following examples illustrate this:**

1. Airman Dan Brown and his spouse are legal residents of Delaware (domiciled in Delaware). Airman Brown was ordered to duty in, and moved with his spouse to, New Jersey. Besides Airman Brown's military pay, his spouse has New Jersey source wages. Airman Brown and his spouse will file both a federal and Delaware Resident tax return reporting both military and nonmilitary income. A New Jersey state tax return is not required.
2. Sergeant Michael Jones, whose domicile is not Delaware, has been on active duty in Delaware for 12 months. Sergeant Jones is married and his spouse has non-military income from Delaware. If Sergeant Jones' spouse maintains a legal residence in a state

other than Delaware, a Delaware state tax return will not be required. Sergeant Jones and his spouse should contact their state of legal residence for their filing requirements.

A military spouse claiming an exemption from Delaware's income Tax withholding requirements must complete an Annual Withholding Tax Exemption Certification Form, Form W-4DE, and provide it to their employer. This form is also available on our website at revenue.delaware.gov. A military spouse claiming an exemption must meet the conditions set forth under the Service Members Civil Relief Act, as amended by the Military Spouses Residency Relief Act.

Requirement to File Estimated Taxes

Every person who is either a resident of Delaware or has income from Delaware sources may be required to file quarterly Declarations of Estimated Tax to the Delaware Division of Revenue **if the Delaware tax liability less payments and credits can reasonably be expected to exceed \$800.** (See worksheet on this page.)

You may be required to make estimated tax payments **if you receive unemployment compensation, a lump sum distribution, or a large bonus at the end of the year.**

You may also be required to make estimated tax payments if you are a Delaware resident and:

- Your employer does not withhold Delaware tax or
- You work in another state whose tax withholding rate is lower than Delaware's.

The estimated tax instructions contain the worksheet for computing your estimated tax liability and will be available after January 15, 2021. If you need estimated tax coupons, you may find them on our website at revenue.delaware.gov/personal-income-tax-forms/, leave a message on the forms voice mailbox at (302) 577-8588 to request them, or call toll free 1-800-292-7826 (Delaware only).

Estimated tax payments may be made on-line at de.gov/estimated by direct debit from your checking or savings account or by credit card. If you are paying by direct debit you may specify a later payment date, up to the due date. Payments by direct debit may not come from an account outside the U.S. and may be made in any amount without dollar limitation. Payments up to \$10,000 can be made by credit card. If you want to pay by check, you must use the paper form 200-ES available on our website at revenue.delaware.gov.

When to Make Your Estimated Tax Payment

For estimated tax purposes, the year is divided into four payment periods. Each period has a specific payment due date as indicated below:

For the Period:	The payment due date is:
1/1/21 through 3/31/21	April 30, 2021
4/1/21 through 5/31/21	June 15, 2021
6/1/21 through 8/31/21	September 15, 2021
9/1/21 through 12/31/21	January 17, 2022

For more information concerning estimated taxes or to access the payment voucher and worksheet, visit de.gov/estimated, or call (302) 577-8200.

Estimated Tax Penalty

You may owe this penalty if the amount you owe (Line 22, Balance Due) is more than 10% of the tax shown on your return (Line 16, Balance).

Exceptions to the Penalty

You will not owe the penalty if your 2020 tax return was for a period of 12 full months AND ONE of the following applies:

1. You had no tax liability for 2019 (Line 16), or
2. The total of Line 15 (Total Non-Refundable Credits) and Line 21 (Total Refundable Credits) on your 2020 return equals at least 100% of the tax liability shown on your 2019 return and estimated tax payments for 2020 were made on time. Use 110% of your 2019 tax liability if your 2019 Delaware AGI exceeded \$150,000, or if you are filing status 3 and your 2019 Delaware AGI exceeded \$75,000.
3. For Special Rules regarding Farmers and Fishermen and for waivers of the penalty, please see the separate instructions for Form 200-ES and/or Form DE2210.

Penalties and Interest

1. Interest – Underpayment or late payment

The Delaware Code provides that interest on any underpayment or late payment of income taxes due shall accrue at the rate of ½% per month, from the date prescribed for payments to the date paid.

2. Penalty – Late-filing of balance due return

The law imposes substantial penalties for failure to file a timely return. Late-filed returns with a balance due are subject to a penalty of 5% per month of the balance due.

3. Penalty – Negligence/fraud/substantial understatement

The law also provides severe penalties for filing a false or fraudulent return, or for a false certification. The mere fact that the figures you report on your Delaware return are taken from your Federal return will not relieve you from the imposition of penalties for negligence or for filing a false or fraudulent return.

4. Penalty – Failure to pay

The law provides a penalty of 1% per month (not to exceed 25%) of the net tax liabilities for failure to pay the tax liability due on a timely filed or late-filed return. This penalty is in addition to the interest charged for late payment.

5. Penalty – Failure to File/Pay Estimated Taxes

The law provides a penalty of 1½% per month of the computed tax payment for failure to file/pay estimated taxes due. This penalty is in addition to those penalties and interest listed above. The penalty is also assessed if an estimated payment is filed late.

Federal Privacy Act Information

Social Security Numbers must be included on your income tax return. The mandatory disclosure of your Social Security Number is authorized by Section 306, Title 30 of the [Delaware Code](#). Such numbers are used primarily to administer and enforce all tax laws, both civil and criminal, for which the Division of Revenue has statutory responsibility.

Use Form 200-01-X to change an income tax return you have already filed, and attach a copy of any federal adjustments.

Rounding Off Dollars

Dollar amounts on your return must be rounded off to the nearest whole dollar. This means that amounts from 50 to 99 cents are increased to the next dollar. For example, \$1.50 becomes \$2.00 and \$1.49 becomes \$1.00.

Address Change

If you move after you file your return, you should notify the Division of Revenue of your address change in writing. Please be sure to include your and your spouse's Social Security Number(s) in any correspondence with the Division of Revenue.

FRONT OF FORM 200-01

Name, Address and Social Security Number

Print your name(s), address, and social security number(s) in the space provided. If you are married, give names and social security numbers for both you and your spouse whether you file joint or separate returns. If you are a Jr., Sr., II, III, etc., please indicate it in the Jr., Sr., III, box.

If either the primary taxpayer or spouse is deceased, the surviving spouse information should be entered first under "Your Social Security No. and Your Last Name". The deceased person's data should be entered under "Spouse's Social Security No. and Spouse's Last Name". Also, write DECD after their first name. For an example, please see Page 12.

Filing Status

Please indicate your filing status by marking the appropriate box.

FILING STATUS 1 – SINGLE TAXPAYER

If you were single on December 31, 2020, consider yourself Single for the whole year and use Filing Status 1.

FILING STATUS 2, 3, AND 4 – MARRIED TAXPAYERS

You may file Joint, Separate, or Combined Separate Delaware returns. If you use Filing Status 4, you are in fact filing two separate returns which have been combined on the same form for convenience.

NOTE: Generally, separate returns (filing status 3 or 4) will be advantageous if both spouses have Delaware adjusted gross income in excess of \$9,400.

If you elect to use Filing Status 3 or 4, both you and your spouse must compute your taxable income the same way. This means if one itemizes deductions, the other must itemize. If one takes the standard deduction, the other must take the standard deduction in computing taxable income.

If you elect to use Filing Status 3, you must include your spouse's name and social security number on your return.

For Filing Status 3 or 4, you must each report your own income, personal credits, deductions, and one-half of the income derived from securities, bank accounts, real estate, etc., which are titled or registered in joint names.

FILING STATUS 5 – HEAD OF HOUSEHOLD

If you filed as Head of Household on your federal return or qualify as certain married persons living apart, you may file as Head of Household on your Delaware return.

PART-YEAR RESIDENTS

If you were a part-year resident of Delaware in 2020 electing to file as a full-year resident, indicate the dates of your Delaware residency.

your return if you have calculated the underpayment of estimated taxes and an estimated penalty is due OR if you completed Part 3. Use Form DE2210 to determine if you owe a penalty for the underpayment of estimated tax and to calculate the amount of the penalty.

To obtain Form DE2210, please contact our offices or visit the Division of Revenue website at revenue.delaware.gov. Do NOT check this box if a completed DE2210 (Pages 1 and 2) is not being sent with your return. Do NOT submit a Federal Form 2210 instead of a DE2210. Do not submit computer worksheets in lieu of Form DE2210.

Line-by-Line Instructions

Next, complete the back of the form beginning with Line 29. **Instructions begin on Page 9.** Once the back is completed, return to the front and use the following instructions.

NOTE: If you have no Delaware modifications and do not elect to itemize your deductions, you may begin on Line 1 of the Delaware return by entering your Federal Adjusted Gross Income from Federal Form 1040.

DE 2210 Indicator

Check the "Form DE2210 Attached" box and attach a copy of DE2210 to

1 Delaware Adjusted Gross Income

Enter the amount from Line 42 on the back of your Delaware return.

2a Standard Deduction

The law allows you to take a standard deduction in lieu of itemizing your deductions. If you elect to take the Delaware STANDARD DEDUCTION, **be sure to check the box on Line 2a** and enter the appropriate amount as listed below:

Delaware Filing Status	Standard Deduction	Enter on Line 2
1	\$3,250	Column B
2	\$6,500	Column B
3	\$3,250	Column B
4	\$3,250	Columns A & B
5	\$3,250	Column B

NOTE: If you claimed a standard deduction on your federal return, you may still elect to itemize your deductions on the Delaware return. In this case, complete and attached Delaware Schedule A.

NOTE: If one spouse elects the standard deduction, the other spouse must also take the standard deduction.

2b Itemized Deductions

If you elect to itemize deductions:

- Check the box on Line 2b.**
- Complete Section C, Lines 43 through 48 on the back of your Delaware return. (See page 10-11 of these instructions.)
- Enter the amount from Line 48 on Line 2.
- Attach a copy of Delaware Schedule A.

3 Additional Standard Deduction

The additional standard deduction is allowable only for those persons 65 and over OR blind, electing to use the Delaware standard deduction (Line 2a).

NOTE: If you elect to itemize your deductions, you do not qualify for the additional standard deduction even though you may be 65 years of age or older and/or blind. If you itemize deductions, do not check the "65 or over" box.

If you qualify for the additional standard deduction:

1. Be sure you checked the box on Line 2a to indicate you are using the standard deduction.
2. Check the appropriate box(es) relating to age and/or blindness on Line 3.
3. Multiply the number of boxes checked on Line 3 by \$2,500 and determine the total (a maximum of \$5,000 per individual).
4. If you are filing a combined separate return, enter the amount pertaining to each spouse (boxes checked x \$2,500) in the spouses' respective columns (\$5,000 per spouse age 65 or over **and** blind; \$2,500 per spouse age 65 and over **or** blind).
5. All other filing statuses should enter the total for both individuals in Column B.

6 Tax Liability

If Line 5 is less than \$60,000, use the tax table to compute your tax liability. If line 5 is \$60,000 or greater, use the tax schedule at the end of the tax table to compute your tax liability. Enter your tax liability on Line 6.

7 Lump Sum Distribution

A qualified lump sum distribution is the payment of the entire balance from a qualified plan (for example, pension, profit-sharing or stock bonus plans). The payments must all be received in the same tax year.

This form applies, in the case of someone who is not self-employed, only when the distribution (defined above) was made:

- Due to the participant's death;
- Due to the participant's separation from employment; or
- After the participant had attained age 59½.

In the case of a self-employed person, this form applies only when the distribution (defined above) was made:

- Due to the participant's death;
- After the participant had attained age 59 ½; or
- The participant was previously disabled.

Delaware does not impose a penalty for early withdrawal from IRAs and Pension Plans. The law provides for separate tax treatment of lump sum distributions received from qualified pension plans, profit sharing or stock bonus plans. The law provides for ten-year averaging of the distribution designated to be taxed as ordinary income. Under this provision, lump sum distributions will be taxed separately as ordinary income in the year of receipt. However, the federal "rollover" provisions apply to this income, so recipients have sixty days in which to invest the proceeds of the lump sum distributions into an IRA or other qualified pension plan without being subjected to tax. Persons receiving a lump sum distribution in 2020 must complete Delaware Form 329 to compute the tax liability on this income. The amount of tax (from Line 16, Form 329) should be placed on Line 7 of the Delaware return. You must attach Form 329 to your return. If you received a lump sum distribution, but did not qualify for or did not elect lump sum averaging on your federal return, you can still use Form 329 for Delaware purposes. See instructions for Line 37 (page 10) to exclude your lump sum distribution from your Delaware Adjusted Gross Income.

9a Personal Credits

Enter the total number of dependents listed on your federal return, multiply by \$110 and enter the total on Line 9a. If you are married and filing a combined separate return (Filing Status 4), split the total between Columns A and B in increments of \$110. You are still eligible for this credit even though you do not recognize personal exemptions on your federal return.

If you are married and filing separate returns (Filing Status 3), allocate dependents to each return and multiply by \$110, entering the total for each return in Column B. Please see example below. All other filing statuses place the total in Column B.

If you were not required to file a federal return, enter \$110 for each spouse reporting income plus \$110 for each person who could have been listed as a dependent had you been required to file a federal return. Allocate the total personal credits for your filing status as described in the paragraph above.

NOTE: You are not entitled to a Delaware Personal Credit if you are listed as a dependent on another individual's Federal return. Enter "0" in the space provided on Line 9a.

Example: If you filed your federal return as married filing jointly and have no dependents, enter \$220

- \$110 in each column if Filing Status 4
- \$110 per return in Column B if Filing Status 3, or
- \$220 in Column B if Filing Status 2.

Please ensure that the number of personal credits listed on the Delaware return does not exceed the number of dependents reflected on your Federal return. This data will be verified with the IRS.

9b Additional Personal Credits

If you and/or your spouse were 60 years of age or over on December 31, 2020, check the appropriate box(es), multiply the number of boxes checked by \$110, and enter the total on Line 9b.

If you are filing a combined separate return (Filing Status 4), enter \$110 in the column(s) that correspond to the checked box(es).

10 Other State Tax Credit

If you are a resident of Delaware (or elect to be taxed as one) and pay income taxes to another State on income earned in the other State which is also included in your Delaware taxable income, the law allows you a tax credit against your Delaware income tax. **Do not include city wage taxes or county taxes paid directly to the county. (See Worksheet below.) If you claim a credit for taxes paid to another state, you must attach a signed copy of the income tax return filed with the other state(s). In addition, your Delaware return information will be shared with the other state(s) for which you claimed the credit.**

If you are claiming a credit for taxes paid to more than one State, you must complete DE Schedule I and attach it to your Resident return. Example: You claim a credit for taxes paid to Pennsylvania AND New Jersey on your Delaware return. **On DE Schedule I, enter the names of the other States and amount of credit claimed in HIGHEST to LOWEST credit amount order.** If claiming the credit from only one state, then enter the state and amount on the front of the return.

Examples of **interest that is taxable**:

Fiduciary Adjustments

Net additions from fiduciary adjustments derived from income received from an estate or trust as shown on Federal Form K-1, Beneficiary's Share of Federal Income and Deductions, should be included on Line 31.

Oil Percentage Depletion

The law provides for the disallowance of any percentage depletion deduction allowable under federal law, to the extent it is in excess of cost depletion. Add the excess to the amount of fiduciary adjustments and enter the total on Line 31.

34 U.S. Obligations

Interest received on obligations of the United States included on your federal tax return is exempt from Delaware tax and should be entered on Line 34. Failure to identify the payor on Federal Schedule B will result in the disallowance of the deduction.

Interest received on obligations for which the United States is NOT the primary obligor or which are NOT guaranteed by the full faith and credit of the United States is not exempt from tax and may not be entered on Line 34. (Examples are shown in the table below.)

35 Pension Exclusion

Amounts received as pensions from employers (including pensions of a deceased taxpayer) may qualify for an exclusion from Delaware taxable income, subject to the limitations described below.

An early distribution from an IRA or pension fund for emergency reasons or following a separation from employment does not qualify for the pension exclusion. If the distribution code listed in Box 7 of your 1099 R is a 1 (one), or if you were assessed an early withdrawal penalty on Federal 1040, Line 59 for the distribution, then that distribution DOES NOT qualify for the pension exclusion.

17. Federal Adjusted Gross Income. Subtract Line 16 from Line 15. Enter on page 2, Line 29, columns A and B of your Delaware return.....	17.	00	00	00	17.

NOTE: Each taxpayer may receive ONLY ONE pension exclusion, even if he or she is receiving more than one pension or other retirement distribution. Spouses who each receive pensions are entitled to one exclusion each.

IF YOU WERE UNDER 60 on December 31, 2020, your exclusion equals \$2,000 or the amount of your pension, whichever is less.

IF YOU WERE 60 OR OVER on December 31, 2020, your exclusion is determined as follows:

1. Amount of pension.....\$ _____
2. Amount of "eligible retirement income" (See definition below).....\$ _____
3. Total (add lines 1 and 2).....\$ _____
4. Enter Line 3 or \$12,500, whichever is less here and on Line 35.....\$ _____

Eligible retirement income includes dividends, capital gains net of capital losses, interest, net rental income from real property and qualified retirement plans (IRC Sec. 4974), such as IRA, 401(k), Keogh plans, and government deferred compensation plans (IRC Sec. 457).

Disability pension income paid by your employer is reported as wages on the federal return, until you reach the minimum retirement age. Minimum retirement age generally is the age at which you can first receive a pension or annuity if you are not disabled. Therefore, disability pension income would not qualify for the pension exclusion.

Pension Exclusion Example: The primary taxpayer received \$10,000 in pension income. The secondary taxpayer received no pension income. The taxpayers had joint bank accounts and mutual fund accounts. They earned \$5,000 in interest from the bank, \$1,000 in dividends and \$3,000 in capital gains. The income from these joint accounts would be split equally between the two taxpayers.

Both taxpayers, in this example, are over 60 years old. The primary taxpayer has \$14,500 of eligible retirement income (10,000+ 2,500+500+1,500=14,500), so the pension exclusion for the primary taxpayer is \$12,500, the maximum exclusion. The eligible retirement income of the secondary taxpayer is \$4,500 (2,500+500+1,500=4,500), so the secondary taxpayer is entitled to a pension exclusion of \$4,500. The secondary taxpayer cannot include in the pension exclusion calculation the amount by which the primary taxpayer exceeded the \$12,500 maximum exclusion. When filing a joint return, the combined exclusion for the primary and secondary taxpayer would be \$17,000 (12,500+4,500).

Please remember to enclose the 1099R forms and other supporting schedules to support your pension exclusion.

Enter the allocated itemized deductions on line 17b in the respective columns.

Section D

Direct Deposit or Refund

Complete Section D if you want us to directly deposit the amount shown on Line 28, Form 200-01 into your bank account. Refunds may not be direct deposited to a bank account outside the U.S.

Line d – Bank

In order to comply with new federal banking rules, you must declare whether your refund will go to a bank account outside the United States. If the answer is yes, do not enter your account information. We will instead mail your refund by check.

NOTE: Some financial institutions will not deposit joint refunds into an individual account. The Delaware Division of Revenue is not responsible if a financial institution refuses a direct deposit.

NOTE: If your refund is adjusted by \$100.00 or more, a paper check will be issued and mailed to the address on your return.

Deceased Taxpayers

When filing a return for a decedent, write DECD after the decedent's first name on Page 1. If there is a surviving spouse, the surviving spouse information should be entered FIRST under "Your Social Security No. and Your Last Name." SCHEDULE A INSTRUCTIONS

For additional information regarding deductible expenses, please see the instructions for the Federal Schedule A.

You are permitted to deduct medical and dental expenses paid, after reimbursement, to the extent that they exceed 10% of your adjusted gross income. To calculate the amount that may be deducted, please follow the line by line instructions.

Line 1. Enter the total of your medical and dental expenses, after you reduce these expenses by any payments received from insurance or other sources.

Line 2. Enter the amount from Federal Form 1040, Line 7.

Line 3. Multiply Line 1 by Line 2.

State and Local Taxes

You are entitled to include certain taxes paid as an itemized deduction for Delaware purposes. You may include either state and local income taxes or sales taxes, but not both. You may also deduct real estate taxes and personal property taxes paid. However, the deduction you are permitted for state and local taxes paid may not exceed \$10,000 for taxpayers filing as single, head of household, or jointly, or \$5,000 for a married individual filing a separate return. The Tax Cuts and Jobs Act limited itemized deductions for taxes paid. The limitation does not apply to taxes paid or accrued in carrying on a trade or business or activity engaged in the production of income, which should not be included on Schedule A.

Line 5a. Enter any non-Delaware state or local income taxes that are not otherwise claimed as a credit on Form 200-01.

DO NOT INCLUDE any Delaware tax paid, whether or not claimed as a credit on Form 200-01.

DO NOT INCLUDE the taxes paid that generated the credit you receive for taxes paid to another state on Line 10 of the Form 200-01.

Line 5b. Enter any state or local sales taxes paid.

You may deduct income taxes or sales taxes, but not both. Do not enter anything on Line 5b if you have claimed income taxes on Line 5a.

Example 1: If you paid \$11,000 of real property taxes, \$2,000 of local income taxes, and \$5,000 of Delaware state income taxes then your deduction on Line 5f would be limited to \$10,000.

Example 2: If you paid \$7,000 of real property taxes, \$1,000 of local income taxes, and \$5,000 of Delaware state income taxes withheld that were included on Line 17 of the Form 200-01, your deduction on Line 5f would be \$8,000.

Example 3: If you paid \$2,000 of real property taxes, \$1,000 of local income taxes, and \$5,000 of Pennsylvania state income taxes for which you did **not** claim a credit on Line 10 of the Form 200-01, your deduction on Line 5f would be \$8,000.
