You must complete Schedule IN-WH3 when filing Form WH-3. Enter information from each W-2 or 1099. If you have a withholding statement that withholds tax for multiple Indiana counties, enter the Indiana state income and Indiana state tax withheld once for that statement. Do not duplicate the Indiana state income and Indiana state tax withheld on multiple lines.

Reminder: Any employer that files a combined total of more than 25 withholding statements is required to file those forms electronically.

Column B, Employee Identification Number. Enter the employee's Social Security number or recipient's tax identification number.

Column C, State Income. Enter the amount of Indiana income.

Column D, State Tax Withheld. Enter the amount of Indiana State Tax withheld.

Complete **Columns E, F and G** only if there is Indiana local withholding.

Column E, Local Income. Enter the amount of Indiana local income.

Column F, Local Tax Withheld. Enter the amount of County Tax withheld.

Line 26. Add Column D, lines 1 through 25. Enter this total on line 1 of Form WH-3.

Line 27. Add Column F, lines 1 through 25. Enter this total on line 2 of Form WH-3.

Note. If you need more than 25 lines, complete and attach additional copies of Schedule IN-WH3 as needed, but do not complete line 26 or line 27. On the first schedule, enter the total of state tax withheld (Column D) from all pages on line 26 and enter the total of local tax withheld (Column F) from all pages on line 27.
