GENERAL INFORMATION

Filing a Claim

Homestead refunds are not available to renters. You must own your home to qualify.

The **Homestead** claim (K-40H) allows a rebate of a portion of the property taxes paid on a Kansas resident's homestead. A homestead is the house, mobile or manufactured home, or other dwelling subject to property tax that you own and occupy as a residence. Your refund percentage is based on your total household income and the refund is a percentage of your general property tax. The maximum refund is \$700.

The **Property Tax Relief** claim (K-40PT) allows a refund of property tax for low income senior citizens that own their home. The refund is 75% of the property taxes actually and timely paid on real or personal property used as their principal residence. Claimants that receive this refund cannot claim a Homestead refund.

The **Property Tax Relief** claim (K-40SVR) allows a refund of property tax for seniors, disabled veterans and spouses of veterans 65 years of age or older

The large purple boxes on Form K-40H, K-40PT and K-40SVR allow us to process your refund claim faster and with fewer errors. Please follow these important instructions when completing your form:

- **Use only black or dark blue ink.**
- Do not use dollar signs, lines, dashes, or other symbols. If a line does not apply to you, leave it blank.
- **All entries must be rounded.** If less than \$.50 cents, round down. Round \$.50 to \$.99 to next higher dollar.
- Send the original claim form. Do not send a photocopy.
- If you are using an approved computer software program to prepare your claim, send the original form printed from your printer. Do not send a photocopy.

Qualifications

A person owning a homestead with an appraised valuation for property tax purposes that exceeds \$350,000 does NOT qualify for a homestead refund.

A homestead claim (K-40H) is for homeowners who own and occupy their homestead and were residents of Kansas all of 2022. This refund program is not available to renters. As an owner your name is on the deed for the homestead. As a resident the entire year and a homeowner, you are eligible if your total household income is \$37,750 or less and you: 1) were born before January 1, 1967, or 2) were blind or totally and permanently disabled all of 2022, or 3) have a dependent child who lived with you the entire year who was born before January 1, 2022, and was under the age of 18 all of 2022.

The property tax relief claim (K-40PT) is for homeowners that were 65 years of age or older, with a household income of \$22,000 or less, and a resident of Kansas all of 2022.

The property tax relief claim (K-40SVR) is for homeowners that are seniors, disabled veterans or spouses of veterans 65 years of age or older with household income of no more than \$50,000.

Only one refund claim (K-40H, K-40PT or K-40SVR) may be filed for each household. A married couple OR two or more individuals who together occupy the same household may only file one claim. A married couple who own and occupy separate households may file separate claims and include only their individual income.

If you owe any delinquent property taxes on your home your homestead refund will be used to pay those delinquent taxes. The Kansas Department of Revenue will send your entire refund to the County Treasurer.

If you moved during 2022, you may claim the general property tax paid for the period of time you lived in each residence. Homeowners who rent out part of their homestead or use a portion of it for business may claim only the general property tax paid for the part in which they live.

Definition of a Household and Household Income

A household is you, or you and your spouse who occupy a homestead, or you and one or more individuals not related through marriage who together occupy a homestead. Household income is generally all taxable and nontaxable income received by all household members during 2022. If a household member lived with you only part of the year, you must include the income they received during the months they lived with you.

Household income includes, but is not limited to:

- Taxable and nontaxable wages, salaries, and self-employment income.
- Federal earned income tax credit (EITC).
- Taxable and nontaxable interest and dividends.
- Social Security and SSI benefits. The amount included depends on which refund claim you file:
 - K-40H** – 50% of Social Security and SSI benefits (except disability payments – see Excluded Income).
 - K-40PT** – 100% of Social Security and SSI benefits (except disability payments – see Excluded Income).
 - K-40SVR** - 50% of Social Security and SSI benefits (except disability payments – see Excluded Income).
- Railroad Retirement benefits (except disability payments).
- Veterans' benefits and all other pensions and annuities (except disability payments).
- Welfare and Temporary Assistance to Family (TAF) payments.
- Unemployment, worker's compensation and disability income.
- Alimony received.
- Business and farm income.
- Gain from business or investment property sales and any long-term capital gains included in federal adjusted gross income.
- Net rents and partnerships (cannot be a negative figure).
- Foster home care payments, senior companion stipends, and foster grandparent payments.
- School grants and scholarships (unless paid directly to the school).
- Gambling winnings, jury duty payments, and other miscellaneous income.
- ALL OTHER INCOME received in 2022 not specifically excluded (as follows).

Excluded Income — DO NOT include these items as household income:

- 50% of Social Security and SSI payments. This exclusion applies only to the Form K-40H and K-40SVR. K-40PT filers will report 100% of Social Security and SSI payments.
- Social Security disability payments.
- Social Security and SSI payments that were Social Security “**disability or SSI disability**” payments prior to a recipient reaching full retirement age. These Social Security payments, that were once Social Security disability (or SSI disability) payments, are NOT included in household income.

Net operating losses and net capital losses cannot be used to reduce total household income. DO NOT subtract these losses from the income amounts.

When and Where to File

File your claim after December 31, 2022 but no later than April 18, 2023. Mail your claim to the address shown on the back of your K-40H, K-40PT or K-40SVR.

Late Claims – Claims filed after the due date may be accepted whenever good cause exists, provided the claim is filed within four years of the original due date. Examples of good cause include, but are not limited to, absence of the claimant from the state or country or temporary illness of the claimant at the time the claim was due. When filing a late claim, enclose an explanation with documentation as to why it is late. If your claim will be late because you have an extension of time to file your income tax return, enclose a copy of that federal extension with your claim. NOTE: Kansas does not have a separate extension of time form.

WebFile is a simple, secure, fast and free Kansas electronic filing option. See back cover for details!

Refund Advancement Program

This optional program provides eligible homeowners an opportunity to apply a portion of their anticipated 2022 Homestead or Property Tax Relief refund to help pay the first half of their 2022 property taxes. The amount of the advancement is based on the 2021 refund amount.

You may participate in this program by marking the Refund Advancement Program check box on your 2022 Form K-40H, form K-40PT or form K-40SVR. See instructions on page 6 for additional information.

Signature and Fraudulent Claims

If a claimant is incapable of signing the claim, the claimant's legal guardian, conservator, or attorney-in-fact may file the claim. When filing on behalf of an eligible claimant, a copy of your legal authority is required.

These refund programs are designed to provide tax relief only to those that qualify. Fraudulent claims filed will be denied and may result in criminal prosecution.

Deceased Claimant

Use the steps in the worksheet on page 6 to compute a refund for a deceased claimant.

When the person who has been the claimant for a household dies, another member of the household who qualifies as a claimant should file Form K-40H, K-40PT or K-40SVR for the household. A separate claim on behalf of the decedent is not necessary.

If a member of the decedent's household (such as a surviving spouse) does NOT qualify to be the claimant, or when there are no other members of a decedent's household, a claim may be filed for a deceased claimant if the decedent was a resident of Kansas all of 2022 but died before filing a claim (after December 31, 2021) or died during 2022 and was a Kansas resident the entire portion of the year he or she was alive.

Required Enclosures for Decedent Claims. You must enclose a copy of the death certificate, funeral home notice, or obituary statement with a decedent's claim, **AND** one of the following:

- 1) If the estate is being probated, a copy of the Letters of Testamentary or letters of administration.
- 2) If the estate is not being probated, a completed Form RF-9, Decedent Refund Claim.

Signature on a Decedent's Claim. A decedent's claim should be signed by the surviving spouse; executor or executrix; administrator; or other authorized person.

Amending a Claim

If, after mailing your claim, you find there is an error that will affect your refund amount, file an amended claim after you receive your refund from the original filing. To file an amended claim, obtain another copy of Form K-40H, Form K-40PT or Form K-40SVR and mark the "amended" box located to the right of the county abbreviation. Enter the information on the claim as it should have been, and enclose an explanation of the changes. If an additional refund is due you will receive it in 10 to 12 weeks.

If the refund on the amended claim is LESS than the refund you received from the original claim, enclose a check or money order for the difference, made payable to the *Kansas Department of Revenue*. Write *Homestead Repayment - Amended Claim* and include the last 4 digits of your Social Security number (example: XXX-XX-1234).

Using CAPITAL letters, enter the first four letters of your last name in the boxes provided. If your last name has fewer than four letters, leave the remaining boxes empty.

Enter the telephone number where you can be reached during our office hours so that we may contact you if a problem arises while processing your claim. The number will be kept confidential.

Name and address. PRINT or TYPE your name and complete address – the physical location of your residence (not a P.O. Box), including apartment number or lot number.

Deceased claimant. If you are filing on behalf of a claimant who is deceased, mark an “X” in the box, and enter the date of the claimant’s death. Use the worksheet for *Deceased Claimants* on page 6 to figure the decedent’s refund. Be sure to enclose the additional documents required (see page 3).

Name or address change. If you filed a refund claim last year and your name or address has changed, place an “X” in the box to the right of the address so we may update our records.

Amended claim. If you are filing an amended (corrected) claim, mark an “X” in the box. See further instructions on page 3.

QUALIFICATIONS — LINES 1 THROUGH 3

To qualify, you must first have been a resident of Kansas all of 2022. Next you must **own** and **occupy** your home – meaning that your name must be on the deed to the home. Contract for deed **does** qualify as ownership; however, a “rent to own” contract does not qualify as ownership. If you were a Kansas resident all year and owned and occupied your home, complete **ONLY** the qualification line that applies to your situation (i.e., if you are age 60 and also blind, enter your birthdate in the boxes on line 1 and skip lines 2 and 3).

Line 1 (Age qualification): If you were born before January 1, 1967, enter the month, day, and year of your birth. Add a preceding “0” for months and days with only one digit.

Line 2 (Disabled or blind qualification): If you are blind or totally and permanently disabled, enter the month, day, and year you became blind or disabled. (**Veterans disability includes veterans 50% or more permanently disabled.**) The Kansas Department of Revenue must have on file documentation of permanent disability or blindness for your homestead claim. If you do not have documentation you must enclose with Form K-40H either **1)** a copy of your Social Security statement showing that your disability began prior to 2022, **or 2)** Schedule DIS (from page 11) completed by your doctor.

Line 3 (Dependent child qualification): If you have at least one dependent child, enter their name and date of birth (must be prior to January 1, 2022) in the spaces provided. NOTE: The child must have resided solely with the claimant the entire calendar year, be under age 18 all of 2022, AND is or may be claimed as a dependent by the claimant for income tax purposes.

Surviving spouse: Mark this box if filing as surviving spouse (and not remarried) of a disabled veteran or an active duty service member who died in the line of duty. The disabled veteran must meet the qualifications in line 2. Enclose with your K-40H a copy of the original Veterans Disability Determination Letter or letter from your regional V.A. that includes the disability date prior to 2022 and the percentage of permanent disability being 50% or greater.

If you are not a Kansas resident and homeowner and do not meet one of the other three qualifications, you do not qualify for this refund.

HOUSEHOLD INCOME — LINES 4 THROUGH 10

Lines 4 through 8 will contain the total annual income amounts received by you and your spouse during 2022. The income of ALL other persons who lived with you at any time during 2022 will be entered on line 9, All Other Income. If a minor child or incapacitated person holds legal title to the property, the income (wages, child support, etc.) will also be entered on line 9.

If the income amounts requested on lines 5 through 8 were included on line 4, **do not include** them again on lines 5 through 8.

Line 4 (2022 Wages OR Kansas Adjusted Gross Income AND Federal Earned Income Tax Credit): If you are not required to file an income tax return, enter in the first space the total of all wages, salaries, commissions, fees, bonuses, and tips received by you and your spouse during 2022. If the amount of 2022 wages or Kansas Adjusted Gross Income is negative, enter zero in the space provided. Enter this same amount in the purple boxes.

If you file a Kansas income tax return, enter in the first space your Kansas Adjusted Gross Income (KAGI) from line 3 of your Form K-40, adding back net operating losses or net capital losses. Enter in the second space, any federal Earned Income Tax Credit (EITC) received during 2022. This is generally the amount shown on your 2021 federal tax return, but could also include an EITC for a prior year that was received in 2022. Add your KAGI and EITC together and enter the total in the purple boxes. **Important**—If line 4 is your KAGI plus EITC, enter on lines 5 through 8 **only** the income amounts that are **not already included** in your KAGI on line 4.

Line 5 (All taxable income other than wages and pensions not included in Line 4): Enter all taxable interest and dividend income, unemployment, self-employment income, business or farm income, alimony received, rental or partnership income, the gain from business or investment property sales, and any long term capital gains that were included in federal adjusted gross income. A net operating loss or net capital loss may not be used to reduce household income. If you have nontaxable interest or dividends, enter them on line 9, *All Other Income*.

If you used a portion of your homestead for rental or business income, enter the net rental or business income on line 5. **Note:** Also complete the worksheet on page 5 to determine the property tax amount to enter on line 12.

Line 6 (Total Social Security and SSI benefits, including Medicare deductions): Enter in the first space of line 6 the total Social Security and Supplemental Security Income (SSI) benefits received by you and your spouse. Include amounts deducted for Medicare, any Social Security death benefits, and any SSI payments not shown on the annual Social Security benefit statement. **Do not include** Social Security or SSI “disability” payments.

Enter the annual amount of any Social Security or SSI disability benefits in the *Excluded Income* section on the back of Form K-40H. **First time filers:** must enclose a copy of their benefit statement or award letter with their claim to verify that the Social Security income is excludable. If you are not required to enclose a copy, be sure to keep one for your records as the Department reserves the right to request it at a later date.

If you do not have your annual Social Security benefits statement, use the following method to compute the total received for 2022. Add the amount of your December 2022 check, plus the 2022 Medicare deduction of \$233.00 (if applicable), and multiply by 12.

EXAMPLE: Your December, 2022 social security check is \$771.00

You are covered by Medicare. Your part B premiums are \$233.00 month (\$2,796 per year). Compute your benefits as follows:

\$771.00 + \$233.00 = \$1004.00. \$1004.00 X 12 months = \$12,048.

(enter \$12,048 in the first space on line 6.)

Multiply the total Social Security and SSI benefits received in 2022 by 50% (.50) and enter result in the purple boxes on line 6.

Line 7 (Railroad Retirement benefits and all other pensions, annuities, and veterans benefits): Enter the amounts received during 2022 from railroad retirement benefits (including Tier I— Social Security equivalent benefits) and veterans’ pensions and benefits. DO NOT include veteran or railroad retirement “disability” payments. **Note:** Veterans disability includes veterans 50% or more permanently disabled and surviving spouses of deceased disabled veterans. Also include on line 7 the total of all other taxable and nontaxable pensions and annuities received by you or your spouse that is not already entered on line 4 or line 6, except Veterans’ and Railroad Retirement “disability” payments.

Line 8 (TAF payments, general assistance, workers’ compensation and grants and scholarships): Enter the amounts received during 2022 in the form of: TAF (Temporary Assistance to Families); welfare or general assistance payments; workers’ compensation; disability payments (**excluding** disability payments received from Social Security, SSI, Veterans and Railroad Retirement, or pensions that you entered on line 4 or line 7); and grants, scholarships, and foster grandparent payments.

Line 9 (All other income. Enter the total amounts from the following list): Enclose with your claim a list showing the recipient(s), source(s), and amount(s) for the income entered on line 9.

- All income (regardless of source) received by adult individuals other than you and your spouse who lived in the homestead at any time during 2022. For those who lived with you less than 12 months, include only the income they received during the months they lived with you. Also list these individuals in the *Members of Household* section on the back of the claim.
- The income (child support, SSI, wages, etc.) of a minor child or incapacitated person, when that person is an owner of the homestead or is on the rental agreement.
- Any other income outlined as “household income” on page 2 that is not already entered on lines 4 through 8.

Line 10 (Total Household Income): Add lines 4 through 9 and enter total. If the amount is negative, enter zero in the space provided. If more than \$37,750 you do not qualify for a homestead refund. **Important:** To expedite your refund, enclose a copy of pages 1 and 2 of your federal Form 1040, statements from DCF (formerly SRS) and Social Security; and other documentation for income amounts shown on lines 4 through 9.

REFUND — LINES 11 THROUGH 15

Line 11 (Percent of property for rental or business use): If part of your homestead was rented to others or used for business purposes during 2022, you may claim only the property taxes paid on the portion that was used for personal purposes. Complete the following worksheet to determine the percent of rental or business use to enter on line 11 and property tax amount to enter on line 12, Form K-40H. **Note:** Include the income received from the rental or business use of your homestead on lines 4 or 5 of Form K-40H.

It is the total of both installments (whether paid or not) that is entered on line 12.

If you are filing on behalf of a claimant who died during 2022, the property tax must be prorated based on the date of death. To determine the property tax amount to enter here, use the steps for computing a decedent’s refund on the next page.

If you have delinquent property tax, mark the box on line 12. Your entire homestead refund will be sent to your county treasurer to pay the delinquent property tax.

2022 Property Tax Statement

You are not required to send a copy of your 2022 property tax statement with your completed K-40H; however, you may be asked to provide it at a later date. **If requested, submit a copy of your 2022 statement – NOT a basic receipt –** to verify the property tax entered on line 12. The copy will not be returned. A property tax receipt that contains a breakdown of property tax among the general tax, special tax, fees, etc. (such as a receipt that is an exact copy of the statement) is acceptable. **The annual statement from your mortgage company and property tax receipts are NOT acceptable.** If you need a copy of your property tax statement, you may request one through the office of your county clerk.

Mobile and Manufactured Homeowners

Line 13 (Amount of property tax allowed; cannot exceed \$700): Enter amount reported on line 12 or \$700, whichever is less.

Line 14 (Homestead refund percentage): Your refund percentage is based on your total household income on line 10. Using the table at the bottom of page 3, find your income and enter the corresponding percentage on line 14. If the percentage is less than 100%, leave the first box blank.

Line 15 (Homestead Refund): Multiply line 13 by the percentage on line 14 and enter the result. If the amount is less than \$5, it will not be refunded. You will receive a refund in the amount shown on line 15 if there are no corrections made to your claim; you did not participate in the optional refund advancement program (see page 3); you have no delinquent property taxes due to your County Treasurer; and you owe no other debt to the State of Kansas (see *Debtor Set-Off* that follows).

IMPORTANT: Instructions for the back of your claim are on page 6. Before mailing it be sure to complete all sections, sign the claim, and enclose all required documentation.

Debtor Set-Off

If you owe a delinquent debt to the State of Kansas (such as child support, student loan, medical bills, or income tax), your refund will be applied to that debt first and any remaining refund will be sent to you. Be advised that the set-off process will cause a delay of up to 12 weeks for any remaining refund.

Deceased Claimants

If filing on behalf of a claimant who died during 2022, the refund

amount is prorated based on the decedent's date of death. The taxes (line 12) are also prorated based on the decedent's date of death. Use the following steps to compute a refund on behalf of a decedent. See page 3 for required enclosures.

February	.167	June	.500	October	.833
March	.250	July	.583	November	.917
April	.333	August	.667	December	1.000

2023 Refund Advancement Program Box

(See additional information about this program on page 3)

By checking this box, you are requesting that the Department of Revenue electronically transfer your 2023 advancement information directly to the County Treasurer to help pay the first half of your property taxes. **If you do not check this box, you cannot participate in the 2023 advancement program**, in which case none of your 2023 refund will be used to pay your 2023 property taxes.

As a participant in this program, your 2022 refund will be used to pay back the amount the Department of Revenue advanced the county for your property taxes in December 2022. If there is a refund amount left over, it will be sent to you in a check. To determine the amount of your refund check, complete the following worksheet.

REFUND ADVANCEMENT WORKSHEET	
1. 2022 refund from line 15 of Form K-40H, line 12 of Form K-40PT or line 13 of form K-40SVR	\$ _____
2. 2022 refund advancement amount from your advancement letter	\$ _____
3. Subtract line 2 from line 1	\$ _____
You will receive the amount on line 3 in a check from the Department of Revenue if you have no other delinquent debts due the state of Kansas (see <i>Debtor Set-Off</i>).	

If your 2022 refund (line 15 K-40H, line 12 K-40PT or line 13 K-40SVR) is LESS than the advancement amount (line 2 of the Refund Advancement Worksheet), you should pay the difference when you file your 2022 K-40H, K-40PT or K-40SVR. Make your check or money order payable to the Department of Revenue and include the tax year and last 4 digits of your Social Security number (example: XXX-XX-1234).

Enter in this section the total received during 2022 by all household members (including minor children) from each of the sources listed in (a) through (f).

On line (g), enter wages received by a minor child and any other income not considered "household income" as outlined on page 2. **First time filers** must enclose a copy of their benefit statement or award letter with their claim to verify that the Social Security income is excludable. **Previous filers** should keep a copy for their records as the Department reserves the right to request it at a later date.

MEMBERS OF HOUSEHOLD (BACK OF CLAIM FORM)

All claimants must complete this section. As the claimant, enter your information on the first line. Then enter the name, date of birth, and other requested information for EACH PERSON (adults and children) who lived with you at any time during 2022.

If the person lived with you all year, enter "12" in the *Number of months resided in household* column and indicate whether their income is included as part of the *Household Income* reported on lines 4 through 9 of K-40H. NOTE: For a child born during 2022, enter only the number of months from the date of birth to the end of the year. For example, enter "6" for a child born July 10, 2022.

Signature: You, as the claimant, MUST sign the claim. If the claim was prepared by another, the preparer should also sign in the space provided, and supply a daytime phone number.

Preparer authorization box: It may be necessary that we contact you about your claim. By marking the box above the signature line, you are authorizing the department's director or their designee to discuss your claim and any enclosures with your preparer. If a paid preparer is completing your return, they must sign and provide their preparer tax identification number (PTIN).

If the claim is being filed on behalf of a decedent, the surviving spouse or executor/executrix must sign it. See *Deceased Claimants* on page 3 for additional information and required enclosures.

If the claimant is incapable of signing the claim, the person authorized to sign MUST sign and enclose a copy of the appointing documentation (i.e., guardian, conservator, power of attorney).

MAILING YOUR CLAIM: To prevent a delay in your receiving your refund, be sure that you have a correct and complete claim. Before mailing it, please be sure you have:

- ✓ written your numbers clearly in each box;
- ✓ completed all required information and signed the claim;
- ✓ kept a complete copy of your claim for your records;
- ✓ enclosed, with Form K-40H, a copy of your Social Security disability award letter or Schedule DIS completed by your physician indicating date the disability began (disabled or blind claimants);
- ✓ placed all forms **loosely** in the envelope. **DO NOT staple, tape or use any type of fastening device** on documents.

AFTER YOU FILE: Keep a copy of your claim and all supporting documents. If you have a problem later and need to contact the Department of Revenue, it will save time if you have a copy of your claim with you. Keep copies of all documents for at least four years.

Processing Refund Claims

Normal processing time for an error-free and complete paper-filed homestead refund claim is 20 to 24 weeks. Claims requiring correspondence will take longer. Information for checking the status of your refund can be found on the back cover of this booklet.

If you have a refund due on the K-40H, K-40PT or K-40SVR and K-40 forms, wait until both returns are processed before expecting a refund check. Your refund(s) are subject to debtor set-off for other delinquent debts owed to the State of Kansas or County Treasurer.

Correspondence from the Department of Revenue

Should you receive a letter from the Department of Revenue about your claim, please respond to it immediately. Processing time necessary for a typical refund claim starts the day the missing information is received by the department. If you have questions about the letter or wish to discuss your claim in person, contact our Taxpayer Assistance Center (see back cover).

2022 KANSAS CERTIFICATE OF DISABILITY

You may enclose a copy of your original Veterans Disability Statement or request a letter from your regional Veterans Administration that includes your disability date and percentage of permanent disability. Annual income derived from any substantial gainful activity during 2022 must not exceed the limits set by the Social Security Administration for 2022: \$16,200 if the impairment is other than blindness; \$27,120 if the individual is blind.
