Painted Buntings are often considered one of the most beautiful birds in North America. Only males exhibit the patchwork, multi-colored plumage, which does not show up until the fall of their second year. Females and juvenile males are typically lime-green in color. Despite their bright colors, painted buntings can be hard to spot as they prefer low dense brushy areas. Painted Buntings eat primarily seeds, but will also seek out small invertebrates when nesting. The Chickadee Checkoff supports projects focused on habitat improvement for this and many other species of songbirds in Kansas. The Chickadee Checkoff program also supports outreach and education efforts which will get more people outside to try to observe our native songbirds.

## Who Must File a Return

You must file a Kansas individual income tax return to receive any refund of taxes withheld, regardless of the amount of total income. KANSAS RESIDENTS. A Kansas resident for income tax purposes is anyone who lives in Kansas, regardless of where they are employed. An individual who is away from Kansas for a period of time and has intentions of returning to Kansas is a resident.

If you were a Kansas resident for the entire year, you must file a Kansas individual income tax return if: 1) you are required to file a federal income tax return; **or**, 2) your Kansas adjusted gross income is more than the total of your Kansas standard deduction and exemption allowance.

The minimum filing requirements are shown in the following table. If you are not required to file a federal return, you may use this table to determine if you are required to file a Kansas return. For example, if your filing status is single, and you are over 65, you need not file a Kansas return unless your gross income is over \$6,600. A married couple filing jointly would not be required to file a Kansas return unless their gross income is over \$12,500.

A Kansas residen	t must file if he or she is:	And gross income is at least:
Single	Under 65 65 or older or blind 65 or older and blind	\$ 6,600
Married Filing Joint	Under 65 (both spouses)	\$13,200 \$13,900 \$13,900 \$13,900 and blind (other spouse)\$14,600
Head of Household	Under 65 65 or older or blind 65 or older and blind	\$11,350
Married Filing Separate	Under 65 65 or older or blind 65 or older and blind	\$ 6,950

**NONRESIDENTS**. If you are not a resident of Kansas but received income from Kansas sources, you must file a Kansas return regardless of the amount of income received from Kansas sources (see Kansas Source Income as provided in Schedule S Part B Instructions). If your employer withheld Kansas taxes from your wages in error, you must also file a Kansas return in order to receive a refund, even though you had no income from Kansas sources. A letter from your employer on company letterhead and signed by an authorized company official explaining the error must accompany your return. The letter must state the amount of wages and withholding applicable to Kansas.

**PART-YEAR RESIDENTS** You are considered a part-year resident of Kansas if you were a Kansas resident for less than 12 months during the tax year. As a part-year resident, you must include the dates that you were a resident in Kansas on Form K-40 and complete Part B of Schedule S.

MILITARY PERSONNEL. The active and reserve duty service pay of military personnel is taxable ONLY to your state of legal residency, no matter where you are stationed during the tax year. If your home of record on your military records is Kansas, and you have not established residency in another state, you are still a Kansas resident and all of your income, including your military compensation, is subject to Kansas income tax.

If you are a nonresident of Kansas but are stationed in Kansas due to military orders, you must file a Kansas return if you received income from Kansas sources. Only income from Kansas sources is used to determine the Kansas income tax due for *nonresident* military service members. Nonresident service members will subtract out the amount of their military compensation on Schedule S, line <del>A13</del>A14.

Kansas income for services performed by a non-military spouse of a nonresident military service member is exempt from Kansas income tax. To qualify for this exemption, the non-military spouse must be residing in Kansas solely because the military service member is stationed in Kansas under military orders. Non-military spouses of service members stationed in Kansas will subtract out their Kansas source income on Schedule S, line A13A14.

**NATIVE AMERICAN INDIANS**. Income received by native American Indians that is exempt from federal income tax is also exempt from Kansas income tax. Income earned by a native American Indian residing on his/her tribal reservation is exempt from Kansas income tax only when the income is from sources on his/her tribal reservation. If any such income is included in the federal adjusted gross income, it is subtracted on Schedule S, line <del>A21A23</del>.

Kansas law provides that if a husband or wife is a resident of Kansas while the other is a nonresident of Kansas, and file a Married Filing Joint federal return, they must file a Married Filing Joint Kansas return and file as "nonresidents" of the state of Kansas.

## When to File

You can "file now" and "pay later" using our Direct Payment option. See page 9. If your 20<del>2122</del> return is based on a calendar year, it must be filed and the tax paid no later than April 18th, 20<del>2223</del>. If your Kansas return is based on a fiscal year, it is due the 15th day of the 4th month following the end of your fiscal year. The instructions in this booklet apply to a calendar year filer.

	IRS, amended returns or copies of the Revenue Agent's Reports must be submitted within 180 days of the date the federal adjustments are paid, agreed to, or become final, whichever is earlier. Failure to properly notify the Director of Taxation within the 180 day period will cause the statute of limitations to remain open (the Kansas Departmen of Revenue could make assessments for as many years back as necessary).

The Department of Revenue offers three options to pay your Kansas income tax: credit card, direct payment, or check/money order.

#### Credit Card

Payment by credit card is available online through third-party vendors. Visit our Electronic Services website at https://www.ksrevenue.gov/eservices.html for a current list of vendors authorized to accept individual income tax payments for Kansas. A convenience fee, based on the amount of tax you are paying, will be charged.

#### Direct Payment

If you choose WebFile or IRS e-File to file your Kansas return, **Direct Payment** is an option during the filing process to pay your balance due. Electronic payments can also be made if you file a paper return by calling 785-368-8222; or log into our KDOR *Customer Service Center* at ksrevenue.gov for an online transaction.

When you select Direct Payment and provide your bank routing number and account number, you are authorizing the Department of Revenue to initiate an electronic payment from your account for payment of your balance due. Direct Payment allows you to *file now, pay later* – For example, if you file your return on March 20 and elect Direct Payment, you can have your bank account debited on the due date (see *When to File* on page X).

With Direct Payment, you are also assured that your payment is made on time. Direct payment authorizations on returns filed by midnight of the due date (see page X) are considered to be timely paid. **Important**—You should check with your financial institution to be sure they allow an electronic debit (withdrawal) from your account.

Direct Payment saves time – no check to write and no voucher to complete and mail. If you need to revoke this payment authorization, you must notify the Department of Revenue at 785-368-8222 by 4:00 PM, two business days before the scheduled payment date.

#### **Check or Money Order**

If you choose to pay by check or money order, **you must complete** and submit Form K-40V with your payment. Write the last 4 digits of your Social Security number on your check or money order (example: XXX-XX-1234), ensure it contains a valid telephone number, and make it payable to *Kansas Income Tax*. If making a payment for someone else (i.e., daughter, son, parent), write that person's name, telephone number, and last 4 digits of their Social Security number (as shown in the example above) on the check. DO NOT send cash. DO NOT staple or tape your payment to the K-40V or K-40 – instead, enclose it loosely with your return.

Returned checks: A fee of \$30.00 plus costs for a registered letter will be charged on all returned checks.

#### OVERPAYMENT

Your contribution(s) **will reduce** your **refund** or **increase** the **amount you owe**.

**EXAMINATION ADJUSTMENT:** If your overpayment is decreased due to an adjustment to your return, any contributions you have made will be reduced by that amount. If your overpayment is increased, your contribution amount(s) will remain the same.

Your donation of \$1 or more will go to the school district of your choice by entering the three-digit school district number in the spaces provided in line 4342. Visit our website at ksrevenue.gov for a list of school districts within Kansas.

**LINE 4443 (Refund):** Add lines 3635 through 4342 and subtract from line 3534. This is your refund amount. If line 4443 is less than \$5 it will not be refunded, however, you may carry it forward to be applied to your 202223 Kansas income tax liability (enter the amount on line 3635). If you carry it forward, remember to claim it as an estimated payment on your 202223 return. Or, you may apply a refund less than \$5 to one of the donation programs on lines 3736 through 4342.

If you file a **paper** K-40, you need to **allow 16 weeks** from the date you mail it to receive your refund. Errors, inaccurate forms, photocopied forms, or incomplete information will delay processing even longer. **For a fast refund – file electronically!** See back cover.

#### **Refund Set-off Program**

Kansas law provides that if you owe any delinquent debt (state or federal tax, child support, student loans, etc.) to a Kansas state agency, municipality, municipal court or district court; to the IRS; or, to the Missouri Department of Revenue, your income tax refund will be applied (set-off) to that delinquent debt. **The set-off process will cause a 10 to 12 week delay to any remaining refund**.

**LINE A2325:** Subtract line A2224 from line A78 and enter the result here and on line 2 of Form K-40. If line A2224 is larger than line A78 (or if line A78 is zero), enter the result on line 2 of Form K-40 and mark the box to the left to indicate it is a negative amount.

#### PART B – INCOME ALLOCATION FOR NONRESIDENTS AND PART-YEAR RESIDENTS

If you are filing as a nonresident or part-year resident, complete this section to determine what percent of your total income from all sources and states is from Kansas sources.

#### Income

**LINES B1 through B11:** In the left-hand column, enter the amounts from your 20<del>2122</del> federal return. In the right-hand column enter amounts from Kansas sources.

A part-year resident electing to file as a nonresident must include as income subject to Kansas income tax, unemployment compensation derived from sources in Kansas, any items of income, gain or loss, or deduction received while a Kansas resident (whether or not items were from Kansas sources), and any income derived from Kansas sources while a nonresident of Kansas.

Kansas source income includes all income earned while a Kansas resident; income from services performed in Kansas, Kansas lottery, pari-mutuel, casino and gambling winnings; income from real or tangible personal property located in Kansas; income from a business, trade, profession or occupation operating in Kansas, including partnerships and S corporations; income from a resident estate or trust, or from a nonresident estate or trust that received income from Kansas sources; and, unemployment compensation derived from sources in Kansas.

Income received by a nonresident from Kansas sources does NOT include income from annuities, interest, dividends, or gains from the sale or exchange of intangible property (such as bank accounts, stocks or bonds) unless earned by a business, trade, profession or occupation carried on in Kansas; amounts received by nonresident individuals as retirement benefits or pensions, even if the benefit or pension was "earned" while the individual was a resident of Kansas. This rule also applies to amounts received by nonresidents from 401k, 403b, 457s, IRAs, etc.; compensation paid by the United States for service in the armed forces of the U.S., performed during an induction period; and, qualified disaster relief payments under federal IRC Section 139.

Please look at the requested information and locate this on your federal form(s) to insure **accurate calculation and to avoid any processing delays.** 

# Kansas Schedule A Instructions

**CAUTION:** Line numbers on Kansas Schedule A that reference federal Form Schedule A are from the 20<del>2021</del> tax forms and subject to change for 20<del>2122</del>.

#### **Itemized Deduction Computation**

Individual taxpayers may choose to either itemize their individual nonbusiness deductions or claim a standard deduction. If your Kansas itemized deductions are greater than the Kansas standard deduction for your filing status, it will be to your advantage to complete and file Kansas Schedule A. If the Kansas standard deduction for your filing status is greater than the amount of Kansas itemized deductions you can substantiate, it is to your advantage to claim the Kansas standard deduction.

Use Kansas Schedule A, Kansas Itemized Deductions Schedule to calculate your Kansas itemized deductions. Your Kansas itemized deductions may be different from your federal itemized deductions as some federal deductions are not allowed on your Kansas return.

#### MEDICAL AND DENTAL EXPENSES

Skip lines 1 through 4 if you are not deducting medical and dental expenses.

Kansas allows 100% of the expenses for medical care allowable as deductions in section 213 of the federal internal revenue code. Medical care means amounts paid for the following:

- diagnosis, cure, mitigation, treatment, or prevention of disease, or for the purpose of affecting any structure or function of the body,
- transportation primarily for and essential to medical care,
- qualified long-term care services as defined in section 7702B(c) of the internal revenue code, or
- insurance covering medical care or for any qualified long-term care insurance contract as defined in section 7702B(b) of the internal revenue code.

Line 1: (Medical and dental expenses) If you filed federal Schedule A and entered an amount on line 1 of federal Schedule A, enter that amount on line 1 of Kansas Schedule A. If you did not file federal Schedule A, enter the total of your medical and dental expenses after you reduce these expenses by any payments received by you from insurance or other sources. Include amounts you paid for doctors, dentists, nurses, hospitals, prescription medicines and drugs or insulin. Also include the total amount you paid for insurance premiums for medical and dental care, amounts paid for transportation and lodging, and other expenses such as hearing aids, dentures, eyeglasses, and contact lenses.

If your insurance company paid your doctor or dentist directly for part of your medical expenses and you paid only the amount that remained, include in your medical expenses ONLY the amount you paid. Do not include insurance premiums paid by your employer.

In general, you can include medical and dental bills you paid in 20<del>2122</del> for yourself and your spouse and all dependents you claim on your return.

Federal Publication 502, Medical and Dental Expenses, describes the types of expenses you can and cannot deduct in greater detail.

Line 2: (Federal adjusted gross income) Enter the amount from Federal Form 1040 or 1040-SR, line 11.

Line 3: (Federal limitation) Multiply line 2 by 7.5%.

**Line 4: (Total medical and dental expenses)** Subtract line 3 from line 1. If line 3 is greater than line 1, enter zero.

#### TAXES YOU PAID

Skip lines 5 through 7 if you are not deducting taxes you paid.

Kansas allows 100% of the amount of taxes on real and personal property as provided in section 164(a) of the federal internal revenue Page 14

code. In general, you may deduct state and local real property taxes as well as state and local personal property taxes.

The 10,000 (\$5,000 if married filing separate) federal cap on the itemized deduction for state and local taxes calculated on federal form 1040, Schedule A, line 5e, does not apply for Kansas purposes. Taxpayers may deduct all state and local real estate and property taxes paid, independent of the federal dollar limitation.

Line 5: (State and local real estate taxes) Enter on line 5 the state and local taxes you paid on real estate you own that wasn't used for business, but only if the taxes are assessed uniformly at a like rate on all real property throughout the community, and the proceeds are used for general community or governmental purposes. Federal Publication 530, Tax Information for Homeowners, explains the deductions homeowners can and cannot take.

If your mortgage payments include your real estate taxes, you can include only the amount the mortgage company actually paid to the taxing authority in 20<del>21</del>22.

Line 6: (State and local personal property taxes) Enter on line 6 the state and local personal property taxes you paid, but only if the taxes were based on value alone and were imposed on a yearly basis. See federal instructions for Schedule A for additional information.

**Example.** You paid a yearly fee for the registration of your car. Part of the fee was based on the car's value and part was based on its weight. You can deduct only the part of the fee that was based on the car's value.

Line 7: (Total taxes you paid) Add lines 5 and 6 and enter result on line 7.

#### **INTEREST YOU PAID**

Skip lines 8 and 9 if you are not deducting interest you paid.

Kansas allows 100% of the qualified residence interest paid as provided in section 163(h) of the federal internal revenue code with respect to any qualified residence, including mortgage insurance premiums. You cannot deduct personal interest. However, you can deduct qualified home mortgage interest.

A home mortgage is any loan that is secured by your main home or second home, regardless of how the loan is labeled. It includes first and second mortgages, home equity loans, and refinanced mortgages.

Federal Publication 530, Tax Information for Homeowners, explains the deductions homeowners can and cannot take.

Line 8: (Home mortgage interest and points checkbox) If you didn't use all of your home mortgage loans to buy, build or improve your home check the box. See federal instructions for Schedule A for additional information.

Line 8a: (Home mortgage interest and points) reported to you on federal Form 1098). Enter the home mortgage interest and points reported to you on Federal Form 1098, Mortgage Interest Statement unless one or more of the limits on home mortgage interest apply to you. See federal instructions for Schedule A for additional information.

Line 8b: (Home mortgage interest not reported to you on Form 1098) Enter the home mortgage interest you paid to a recipient who didn't provide you with a Federal Form 1098. If the recipient was the person from whom you bought the home, enter the person's name, address and social security number (SSN) if an individual, or employer identification number (EIN) in the space provided.

Line 8c: (Points not reported to you on Form 1098) Points are shown on your settlement statement. Points you paid only to borrow money are generally deductible over the life of the loan. See Federal Publication 936, Home Mortgage Interest Deduction to compute the amount you can deduct and for more information.

Line 8d: (Reserved) (Mortgage insurance premiums) Enter the qualified mortgage insurance premiums you paid under a mortgage insurance contract issued after December 31, 2006, in connection with home acquisition debt that was secured by your first or second home. Box 5 of Form 1098 shows the amount of premiums you paid in 202122. If you and at least one other person (other than your spouse if filing jointly) were liable for and paid the premiums in connection with the loan, and the premiums were reported on the other person's Form 1098, report your share of the premiums on line 8d. Refer to federal Schedule A instructions for mortgage insurance premiums for additional information.

Line 9: (Total interest you paid) Add lines 8a through 8c and enter result on line 9.

#### **GIFTS TO CHARITY**

Skip lines 10 through 13 if you are not deducting gifts you made to a charity.

Kansas allows 100% of the charitable contributions that qualify as deductions in section 170 of the federal internal revenue code.

You can deduct contributions or gifts you gave to organizations that are religious, charitable, educational, scientific, or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. See Federal Publication 526, Charitable Contributions for limitations and other details.

You may deduct contributions that are cash, property, or outof-pocket expenses you paid to do volunteer work for qualified organizations. You can deduct a gift of \$250 or more only if you have a contemporaneous written acknowledgment from the charitable organization showing the amount of any money contributed, a description (but not value) of any property donated and whether the organization did or didn't give you any goods or services in return for your contribution. To be contemporaneous, you must get the written acknowledgment from the charitable organization by the date you file your return or the due date (including extensions) for filing your return, whichever is earlier. Be sure to keep records of all your contributions, including pay statements if you made cash contributions through payroll deductions, receipts, written statements from organizations, and any appraisals or other required documentation. Unless directed otherwise, keep all statements and other documentation with your tax records as we may request to see them at a later time.

In general, you may not deduct contributions to charitable organizations, to the extent that you receive a state tax credit in return for your contribution. You may not deduct political contributions or dues you paid to fraternal orders or similar groups or the value of services you performed or benefits you received in connection with your contribution. You may not deduct any amount paid to or for the benefit of a college or university in exchange for the right to purchase tickets to an athletic event in the college or university's stadium. See Federal Publication 526, Charitable Contributions, for more details.

Line 10: (Gifts by cash or check) Enter on line 10 the total value of gifts you made in cash or by check (including out-of-pocket expenses), unless a limit on deducting gifts applies to you. See Federal Publication 526, Charitable Contributions, for more details. For any contribution made in cash, regardless of the amount, you must maintain as a record of the contribution a bank record (such as a canceled check or credit card statement) or a written record from the charity. The written record must include the name of the charity, date, and amount of the contribution. If you made contributions through payroll deduction, see Federal Publication 526, Charitable Contributions, for information on

the records you must keep. Don't attach the record to your tax return. Instead, keep it with your other tax records.

Line 11: (Gifts other than by cash or check) Enter the total value of your contributions of property other than by cash or check, unless a limit on deducting gifts applies to you. See Federal Publication 526, Charitable Contributions for more information. Retain federal form 8283 if you made non-cash contributions in excess of \$500, as it may be requested by the Department of Revenue at a later date.

Line 12: (Carryover from prior year) You may have contributions that you couldn't deduct in an earlier year because they exceeded the limits on the amount you could deduct. In most cases, you have 5 years to use contributions that were limited in an earlier year. The same limits apply this year to your carryover amounts as applied to those amounts in the earlier year. After applying those limits, enter the amount of your carryover that you are allowed to deduct this year. See Federal Publication 526, Charitable Contributions for details.

Line 13: (Total gifts to charity) Add lines 10 through line 12 and enter result on line 13.

#### TOTAL KANSAS ITEMIZED DEDUCTIONS

Line 14: (Total Kansas itemized deductions) Add lines 4, 7, 9 and 13. Enter result here and on line 4, form K-40.

**CAUTION:** References to the federal form numbers listed on the Kansas forms K-40, Schedule S and Schedule A may have changed. Do not rely solely upon referenced numbers for calculating your Kansas Itemized Deductions. Please look at the requested information and locate this on your federal form(s) to insure accurate calculation and to avoid any processing delays.

## **INSTRUCTIONS FOR SCHEDULE K-210**

If any due date falls on a Saturday, Sunday, or legal holiday, substitute the next regular work day.

### WHO MAY USE THIS SCHEDULE

If you are an individual taxpayer (including farmer or fisher), use this schedule to determine if your income tax was fully paid throughout the year by withholding and/or estimated tax payments. If your 20<del>21</del>22 tax due (line 19 of Form K-40 — DO NOT include use tax from line 20 of the K-40), less withholding and tax credits (excluding estimated tax payments made) is \$500 or more, you may be subject to an underpayment of estimated tax penalty and must complete this form.

Taxpayers (other than farmers or fishers) are not required to make a payment for the January 15th quarter if a Form K-40 was filed and the tax was paid in full on or before January 31, 20<del>2223</del>.

**Farmers and Fishers:** If at least two-thirds of your annual gross income is from farming or fishing and you filed Form K-40 and paid the tax on or before March 1, 20<del>2223</del>, you may be exempt from any penalty for underpayment of estimated tax. If exempt, write "Exempt–farmer/fisher" on line 1 and do not complete the rest of this schedule. If you meet this gross income test, but you did not file a return and pay the tax on or before March 1, 20<del>2223</del>, you must use this schedule to determine if you owe a penalty for underpayment of estimated tax.

#### **COMPLETING THIS SCHEDULE**

Enter your name and your Social Security number in the space provided at the top of this schedule.

LINES 1 through 4: Complete these lines based on information on your income tax return for this tax year and last tax year.

If you did not file an income tax return for the prior tax year, or if you did file a return but your income tax balance (line 19, Form K-40) was zero, then enter zero on line 3 of this schedule.

#### PART I - EXCEPTIONS TO THE PENALTY

You are NOT subject to a penalty if your 20<del>2122</del> tax payments (line 7) equal or exceed the amounts for one of the exceptions (lines 8 or 9a or 9b) for the same payment period.

**LINE 5**: Multiply the amount on line 4 by the percentage shown in each column of line 5.

**LINE 6:** Enter the cumulative amount of timely paid estimated tax payment made in each quarter. For example, Column 3 will be the total of your estimated tax payments made from January 1 through September 15, 20<del>21</del>22.

**LINE 7:** For each column, add lines 5 and 6 and enter the result on line 7.

LINE 8: Exception 1 applies if the amount on line 7 of a column equals or exceeds the amount on line 8 for the same column. Multiply line 2 or 3 (whichever is less) by the percentages shown in each column of line 8. If the amount on line 7 (for each column) is equal to or greater than the amount on line 8 (for each column) – no penalty is due and no further entries are required.

**LINE 9:** *Exception 2* applies if your 20<del>2122</del> tax payments equal or exceeds 90% (66 2/3% for farmers and fishers) of the tax on your annualized income for these 20<del>2122</del> periods:

January 1 – March 31	Multiply income by 4
January 1 – May 31	Multiply income by 2.4
January 1 – August 31	Multiply income by 1.5
January 1 – December 31	Multiply income by 1

This exception applies if the amount on line 7 exceeds the amount on line 9a or 9b (as applicable). If you are a farmer or fisher, you will only complete the last column on line 9b.

**For example**, to figure the first column, total your income from January 1 to March 31, 20<del>2122</del> and multiply by 4. Subtract your deductions (standard or itemized) and your exemption allowance amount. Using this net annualized income figure, compute the tax. Multiply the tax by the percentage rate in the first column.

Repeat these instructions for the remaining three columns, using the multiplication factors given above to annualize the income for that period. Enclose a schedule showing your computation of annualized income and tax amounts. If the amount on line 7 (for each column) is equal to or greater than the amount on line 9a (for each column), or line 9b, for farmers or fishers – no penalty is due and no further entries are required.

#### PART II - FIGURING THE PENALTY

**LINE 10:** Enter on line 10 the amount of underpayment of tax, which is the **lesser** of one of the following computations:

Line 8 less line 7; **or**, Line 9a less line 7; **or**,

Line 9b less line 7

LINE 11: This line contains the due date of each installment for a calendar year taxpayer.

LINE 12: The number of days on line 12 are precomputed for a calendar year taxpayer that made timely payments. If you did not make timely payments, you should disregard the precomputed number of days on line 12 and compute the number of days on each quarter to the date paid.

**EXAMPLE:** If you paid the 6/15/2+22 installment on 6/28/2+22 the number of days to enter on line 12, column 2 will be computed from 6/15/2+22 to 6/28/2+22, which equals 13 days. If you then paid the next quarter timely at 9/15/2+22, the number of days will be from 9/15/2+22 to 1/15/2+22, which equals the 122 days (107 already entered + 15).

**LINE 13:** The penalty rate begins in column 3 for a calendar year taxpayer, therefore no entry is required in columns 1 and 2. The 15 days in the 3rd column are from 1/1/2223 to 1/15/2223. If you did not make timely payments, you should disregard the precomputed number of days on line 13 and compute the number of days on each quarter to the date paid.

- If you file your return prior to 1/15/2223, enter in the third column the number of days from 1/1/2422 to the date filed and disregard the precomputed number of days (15) entered on line 13.
- The fourth column must be completed by you. Enter the number of days from 1/15/2223 to the date the return was filed and paid.

LINES 14 and 15: Penalty is computed to 12/31/<del>21</del>22 at 4% and from 1/1/<del>22</del>23 to the date the tax was paid or 4/15/<del>22</del>23, whichever is earlier, at 6%.

**LINE 16:** For each column, add lines 14 and 15 and enter the result on line 16.

**LINE 17:** Add the amounts on line 16 together and enter the result on line 17. Also enter this amount on Form K-40, line 3332, Estimated Tax Penalty.
