GENERAL INSTRUCTIONS

K.S.A. 74-8133 provides a tax credit against the income or premium tax of any angel investor for a cash investment in the qualified securities of a qualified Kansas business.

Before an angel investor may be entitled to receive tax credits, such investor must have made a cash investment in a qualified security of a qualified Kansas business. The investment must be made in a business that has been approved by the Kansas Department of Commerce as a qualified business prior to the date on which the cash investment is made. For information and assistance regarding the approval of a qualified Kansas business, visit the Kansas Department of Commerce website at www.kansascommerce.gov/angels or call 785-296-3481.

For tax year 2021 and all tax years thereafter the credit is up to 50% of the investors' cash investment in any qualified Kansas business, subject to the following limitations:

- No tax credits will be allowed for more than \$100,000 for a single Kansas business or a total of \$350,000 in tax credits for a single year per investor who is a natural person or owner of a permitted entity investor.
- No tax credits shall be allowed for any cash investments in qualified securities for any year after the year 2026.
- The total amount of tax credits shall not exceed \$6,000,000 for tax year 2008 through 2022 except that for tax year 2011, the total amount of tax credits shall not exceed \$5,000,000. The amount of tax credits shall not exceed the following for the indicated years:
 - \$6,500,000 for tax year 2023.
 - \$7,000,000 for tax year 2024.
 - \$7,500,000 for tax year 2025.
 - \$8,000,000 for tax year 2026.

If the amount by which that portion of the credit allowed by this section exceeds the investors' liability in any one taxable year, the remaining portion of the credit may be carried forward until the total amount of the credit is used. If the investor is a permitted entity investor, the credit provided by this section shall be claimed by the owners of the permitted entity investor in proportion to their ownership share of the permitted entity investor.

Subject to certain restrictions this credit may be transferred to another taxpayer. Contact the Department of Commerce for more information.
