

To assist in the look-up of the barcodes for the Corporate forms, they will now be displayed in two ways. The first section will have them grouped by form series and category, and the second group will be in order by the barcode number.

(NOTE: The forms and schedules displaying an asterisk are shared forms and therefore can be filed between multiple series.) If you cannot find a form on the Corporate Barcode layout, please check the individual barcode layout. Some forms are shared between tax types.
