KENTUCKY TAX LAW CHANGES

Enacted by the 2021 Regular Session of the General Assembly—

HB 278—Expenses paid with proceeds from forgiven Paycheck Protection Program (PPP) loans or Economic Injury Disaster Loans (EIDL) grants and advances are authorized to be deducted for Kentucky income tax purposes. HB 278 updated KRS 141.019 to allow the same treatment afforded by Pub. L. No. 116-260, sec. 276 and sec. 278, related to the tax treatment of forgiven covered loans, deductions attributable to those loans, and tax attributes associated with those loans for taxable years ending on or after March 27, 2020, but before January 1, 2022. Loans forgiven under the CARES Act Paycheck Protection Program and EIDL grants and advances that are excluded from gross income for federal income tax purposes are also excluded for Kentucky income tax purposes.

HB 84—Income tax exemption provided for disaster response employees and disaster response businesses. HB 84 provided an exemption for qualified disaster response employees and disaster response businesses from income tax for tax years beginning on or after January 1, 2021 but before January 1, 2025. A disaster response business is exempt from income tax under KRS 141.040 (corporations) and KRS 141.020 (sole proprietorships) if the disaster response business has no presence in Kentucky and conducts no business in the state, except for disaster or emergency-related work during a disaster response period and the disaster or emergency-related work was requested by a registered business or a state and local government. Disaster response employees are exempt from individual income tax if they do not work or reside in Kentucky, except for disaster or emergency-related work during the disaster response period. Disaster or emergency-related work means repairing, renovating, installing, building, or rendering services that are essential to the restoration of critical infrastructure that has been damaged, impaired, or destroyed by a declared state

HOW TO OBTAIN FORMS AND INSTRUCTIONS

Forms and instructions are available at all Kentucky Taxpayer Service Centers (page 21). They may also be obtained by writing FORMS, Department of Revenue, 501 High Street, Station 23B, Frankfort, KY 40601, or by calling 502-564-3658. Forms can be downloaded from www.revenue.ky.gov.

disaster or emergency. The work must take place up to 10 days prior and up to 30 days after the declared disaster or emergency (“the disaster response period”). **NOTE: This exemption does not apply to the LLET or to taxes imposed under KRS 141.206 on pass-through entities, such as nonresident withholding.**

HB 249—Nonresident withholding on corporations by pass-through entities is not required for tax years beginning on or after January 1, 2022. Effective for tax years beginning on or after January 1, 2022, withholding of income tax on the distributive share of a corporate partner or corporate member that is doing business in Kentucky only through its ownership interest in a pass-through entity is no longer required under KRS 141.206 and 141.207. Corporations doing business in Kentucky are subject to Kentucky corporation income tax under KRS 141.040. Composite return language in KRS 141.206 was also removed. Corporations doing business in Kentucky through their ownership of a pass-through entity are still subject to income tax and LLET. **NOTE: Withholding for nonresident individuals is still required.**

HB 321—New West End Tax Increment Financing (TIF) Project created. HB 321 created a new TIF development district in Louisville designated as the West End Opportunity Partnership for both local and state tax revenues. The 20 year TIF program begins once the required initial investment has been made. The Commonwealth is required to pledge 80% of the incremental state tax revenues received from the development area to the West End Opportunity Partnership. The project will use this incremental revenue to reinvest into the project development area. State revenues include state real property ad valorem taxes, individual income taxes required to be withheld by an employer, and sales taxes. State tax revenues do not include revenues that have been pledged to support other TIF and economic development projects within the development area.

Tax Credit Changes:

HB 563—Education Opportunity Account (EOA) program and related tax credit created. As part of the EOA program created by HB 563, individuals and businesses may make contributions to Account-Granting Organizations (AGO) that fund Education Opportunity Accounts (EOA) for lower-income students to pay qualified education-related expenses. The AGO is required to apply to the Department of Revenue for certification and must maintain compliance with requirements outlined in KRS 141.500 through 141.528. Taxpayers who contribute to AGOs during a taxable year may receive a nonrefundable and nontransferable tax credit against income tax and LLET. The tax credit is calculated based upon contributions made during the taxable year to one or more qualified AGOs in accordance with the EOA program. The credit awarded per taxpayer is 95% of the total contributions to the AGO, not to exceed \$1,000,000 per taxpayer. For taxpayers that pledge and later make contributions for multiple tax years at or above the amount of contribution made in the year it was originally pledged, the credit awarded per taxpayer is 97% of the total contributions to the AGO, not to exceed \$1,000,000 per taxpayer. The multi-year pledge cannot exceed a total of four taxable years. The total annual credit cap that may be awarded is \$25 million and the credits are awarded on a first-come, first-served basis. Taxpayers must receive pre-approval for the tax credit from the Department of Revenue before making the contribution. Pass-through entities pass the credit through to their members, partners, or shareholders in the same proportion as the distributive share of income or loss is passed through. Unused credit amounts can be carried forward five years. The tax credit program applies to tax years beginning on or after January 1, 2021, but before January 1, 2026. Parents, including legal guardians, custodians, or other persons with legal authority to act on behalf of eligible students interested in applying for the EOA funds for qualified educational expenses, including tuition, must apply directly to an AGO. The DOR will post on its website a list of approved AGOs to which interested parties may apply for EOA funds. The list will be updated as new AGOs are approved.

HB 249—Major Recycling Tax Credit applicants allowed an extra year to apply. HB 249 extended the major recycling tax credit application, Schedule RC, due date to the first day of the seventh month after the close of the tax year following the tax year in which the recycling and composting equipment was purchased or placed into service. For example, a calendar-year taxpayer with a major recycling project that puts recycling and composting equipment into service April 1, 2021 has until July 1, 2023 to apply for the credit. The change applies only to major recycling projects and is effective for tax years beginning on or after January 1, 2020, but before January 1, 2024.

SB 255—Energy-related tax credits expanded to include commercial cryptocurrency mining operations. The tax credit program created under the Incentives for Energy Independence Act (IEIA) was revised and renamed to the Incentives for Energy-Related Businesses Act (IEBA) effective July 1, 2021. SB 255 established the

incentive application process through the Kentucky Economic Development Finance Authority. Eligibility for the nonrefundable and nontransferable tax credits available under the program was opened to commercial cryptocurrency mining operations that invest capital of at least one million dollars in a cryptocurrency mining facility in the state. An approved company may be eligible for a credit of up to 100% of the Kentucky income tax imposed under KRS 141.040 or 141.020, and the LLET imposed under KRS 141.0401 (not below the \$175 minimum) that would otherwise be owed by the approved company to the Commonwealth for the approved company's tax year, on the income, Kentucky gross profits, or Kentucky gross receipts of the approved company generated by or arising from the eligible project, with the ordering of credits as provided in KRS 141.0205.

HB 249—Film tax credit made refundable for qualified applications approved on or after January 1, 2022. To qualify, HB 249 stipulated that the film production must begin within six months after applying for the credit and production must be completed within two years of the production start date. The credit amount ranges between 30% to 35% of qualifying expenditures (full 35% in enhanced counties) against income tax and LLET. A minimum combined total of qualifying expenditures and qualifying payroll expenditures must be met. The overall film tax credit cap was lowered from \$100 million to \$75 million beginning in calendar year 2022. The credit is to be administered by the Kentucky Economic Development Finance Authority together with the Department of Revenue. The Office of Film and Tourism Development was eliminated.

HB 249 and 321—Historic Rehabilitation Tax Credit cap raised to \$100 million for applications received on or after April 30, 2022. HB 249 and HB 321 provided that 25% of the tax credit cap must be allocated to owner-occupied residential property, which will be allowed a credit against income tax and LLET of 30% of qualified expenses. 75% of the tax credit cap must be allocated to other property types, including major certified rehabilitation projects, which will be allowed a credit of 20% of qualified expenses. The Kentucky Heritage Council was also authorized to award one major certified rehabilitation tax credit for the first \$30 million of qualified expenses for a certified historic structure that meets certain specific parameters. The credit is refundable and transferable against income tax and LLET and is available for up to four years with a maximum of 25% of the total approved credit allowed to be claimed each year. See KRS 171.3963.

HB 321—West End Development Area tax credit created. In conjunction with the West End TIF Project, HB 321 created a refundable and nontransferable tax credit to be used against individual income tax. The credit is equal to the amount by which the property tax timely paid on the residential property in the development area exceeds the amount of property tax assessed on that residential property on January 1, 2021. The property must be the owner's principal residence, located within the development area, and owned as of January 1, 2021. The tax credit ends in the taxable year when the residential

property is sold by the owner or the period allowed for incremental revenues pledged to the West End TIF Project ends, whichever is earlier.

Inventory Tax Credit fully phased in. The inventory tax credit increases to 100% of the ad valorem (tangible personal property) tax described in KRS 132.020(1)(e) or 132.099 timely paid in 2021.

KENTUCKY FORM CHANGES

New:

Form 8948 (K-C)—Request for Waiver of Electronic Filing Requirement. Tax preparers can use Form 8948 (K-C) if they have a valid reason why they are not able to file a Kentucky corporation or pass-through entity income tax return electronically. This form is only applicable for Forms 720, 720U, 725, and PTE and must be submitted to the Department of Revenue for approval before filing on paper. A copy of the approved form must be attached to the paper-filed return.

Schedule CHEM—Renewable Chemical Production Tax Credit Certificate and Schedule. Taxpayers must submit this form to the Department of Revenue to obtain certification of the renewable chemical tax credit, to report the amount of credit utilized each year and track any applicable carryforward balance, and to report the number of pounds in molecular weight of renewable chemicals produced in Kentucky and to report the amount of tax credit utilized. Preliminary approval of this tax credit must be obtained through the Department of Agriculture. The tax credit is available for tax years beginning on or after January 1, 2021. The taxpayer must file Schedule CHEM with the Department of Revenue no later than March 1 following the close of the preceding calendar year.

Form AGO—Application for Account—Granting Organization (AGO) Initial Certification or Renewal. Entities that have obtained 501(c)(3) status from the IRS use this form to obtain their initial certification as AGOs from the Department of Revenue. The department will certify an AGO or renew an AGO’s certification if the organization meets the requirements established in KRS 141.500 through 141.528. Initial certifications are issued

within sixty (60) days of receiving the application and renewal certifications within thirty (30) days of receiving the application.

EOA Tax Credit Application—Preliminary Application for Education Opportunity Account Program Tax Credit. Prior to making a contribution to an AGO, the taxpayer or an AGO acting on behalf of the taxpayer shall apply to the department for preapproval of the tax credit using this form. Each application must be submitted separately. The department will review all preliminary applications received and provide notice of the preliminary approval to the taxpayer and the AGO within 10 business days of receipt of the application. If a taxpayer applies or the AGO applies on behalf of the taxpayer for preapproval when no amount of tax credit remains for allocation, but a portion of the total amount of tax credit available is pending verification, the department shall notify the taxpayer and the AGO that the application is being held in abeyance and will be funded on a first come, first-served basis or will be denied if all preapproved contributions are timely made.

Schedule EOA—Notice of Education Opportunity Account Program Tax Credit and Certification. This form is used to certify the taxpayer’s final approval from the Department for the EOA program tax credit for contributions made to a certified AGO and to track utilization of the tax credit. The Department certifies the amount of tax credit available after receiving verification that the contribution has been made. A taxpayer must attach a copy of the approved schedule EOA to the tax return each year to claim the tax credit. A partner, member, or shareholder of a pass-through entity must attach a copy of schedule K-1, Form PTE to the partner’s, member’s, or shareholder’s tax return each year to claim the tax credit. A beneficiary of an estate or trust must attach a copy of schedule K-1, Form 741, to the beneficiary’s tax return each year to claim the tax credit.

Electronic Filing FAQs and Helpful Tips

- **Mandatory E-File if Gross Receipts ≥ \$1,000,000**—For tax years beginning on or after January 1, 2019, corporations and pass-through entities are required to e-file if their federal gross receipts are one million dollars (\$1,000,000) or greater. This applies to Forms 720, 720U, PTE, and 725.
- A person, taxpayer, or tax preparer required to electronically file a return, report, or statement may request a waiver **as authorized by KRS 131.250(2). Form 8948 (K-C): Request for Waiver of Electronic Filing Requirement** must be submitted via e-mail to KRC.WEBResponseCorporationTax@ky.gov or DORWEBRESPONSEPASSTHROUGHENTITY@ky.gov for approval **before** filing on paper. A copy of the approved form must be attached to the paper-filed return.
- If your return is rejected for an invalid Kentucky Corporation/LLET Account Number or Federal Employer Identification Number (FEIN), please complete Form 20A100, "Declaration of Representative," and contact our **Registration Section at 502-564-3306** for instructions on how to obtain an account number.
- Direct debit is an option for electronically filed forms; however, direct deposit is not.
- If you e-filed your return and wish to make a payment by check, please use the Form KBR-V provided by your software vendor.
- To determine which forms are supported by your software, please consult with the company that develops your software.

More Options for Taxpayers Paying Online

The Department of Revenue (DOR) is now able to offer taxpayers additional payment options for Corporation Income Tax and Limited Liability Entity Tax (LLET). Taxpayers can make a payment online for an e-filed Corporation Income Tax and/or LLET return instead of submitting the payment with a Form KBR-V voucher. Corporation Income Tax and LLET payments for bills, estimates, and extensions can also be made via the Enterprise Electronic Payment System (EEPS). To use EEPS, go to www.revenue.ky.gov and click on the Make a Payment or File a Return tile. From the selections of tax types available, click "Corporation Income Tax" or "Limited Liability Entity Tax (LLET)." Then select the Electronic Payment link. To make payments, the FEIN is required along with the Kentucky Corporation/LLET six, (6)-digit account number.

Filing Tips and Checkpoints

The following list of filing tips is provided for your convenience to help ensure that returns are processed accurately and promptly. To avoid processing problems, please note the following:

- **Account Closure**—There are different requirements for the Secretary of State and the Department of Revenue when ceasing operations and closing an account. It is advised that you consult with both agencies when closing a business tax account.
- **Account Number/FEIN**—Always ensure the correct Kentucky Corporation/LLET account number and FEIN is used on the return being filed.
- **Payments**—Place payments on the front of the return so that they are clearly visible. Do not leave check stubs attached to checks. Check stubs will delay the machines that sort incoming mail, which causes longer processing times.
- **Estimated Payments**—Make estimated payments on a timely basis to avoid penalty.
- **EFT Payments**—When making EFT payments online, use the Taxable Year Ending NOT the due date of the payment.
- **Form KBR-V**—Form KBR-V is a payment voucher for e-filed returns and for payments submitted separately for paper filed returns. It is NOT an extension form. To extend a filing date, use Form 720EXT, Extension of Time to File Kentucky Corporation/LLET Return.
- **Extensions**—Extensions are for extending the filing date only; late payment penalties and interest apply to payments made after the original due date.

C corporations requesting an extension of time to file (on form 720EXT) will be granted seven (7) months to file their tax return.
- **Schedule A**—Do not check the box on Schedule A, Apportionment and Allocation, indicating the use of an alternative allocation and apportionment formula if the corporation has not received written approval from the Department of Revenue. If written approval has been received, a copy of the letter from the Department of Revenue must be attached to the return when filed.
- **Incorrect Year Forms**—Returns submitted on the wrong year form on or before the due date will be accepted as timely filed, but will require the return to be submitted on the correct year form before the return can be processed.
- **Additional errors that delay processing:**
 - Incorrect form submitted
 - Incorrect tax exemption code
 - Incomplete information
 - Missing forms or schedules
 - Incorrect taxable year end
 - Failure to include payment of tax due with the return
 - Omitting Form 720EXT when paying with an extension

IMPORTANT**Corporations must create a Kentucky Form 4562,
Schedule D and Form 4797 by converting federal forms.****Schedule 4562**

Depreciation—For property placed in service after September 10, 2001, Kentucky depreciation (§168) is determined per the Internal Revenue Code (IRC) in effect on December 31, 2001.

Section 179 Deduction—For property placed in service after September 10, 2001, but prior to January 1, 2020, only the expense deduction (\$25,000) allowed under §179 of the IRC in effect on December 31, 2001, exclusive of any amendments made subsequent to that date, is allowed.

For property placed in service on or after January 1, 2020, only the expense deduction (\$100,000) allowed under §179 of the IRC in effect on December 31, 2003, exclusive of any amendments made subsequent to that date, is allowed, except that the phase-out provisions of §179 of the IRC limiting the qualifying investment in property shall not apply.

For 2020 returns and forward, any corporation that for federal purposes elects in the current taxable year or has elected in past taxable years any of the following will have a different depreciation and IRC §179 expense deduction for Kentucky:

- MACRS bonus depreciation;
- IRC §179 expense deduction in excess of \$25,000 for property placed in service after September 10, 2001, but prior to January 1, 2020; or
- IRC §179 expense deduction in excess of \$100,000 for property placed in service on or after January 1, 2020.

If a corporation has taken MACRS bonus depreciation or IRC §179 expense deduction in excess of the amounts outlined above for any year, federal and Kentucky differences will exist and the differences will continue through the life of the assets.

Important: If a corporation has not taken MACRS bonus depreciation or the IRC §179 expense deduction in excess of the amounts outlined above for any taxable year, then no adjustment will be needed for Kentucky income tax purposes. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be submitted with Form 720 to substantiate that no adjustment is required.**

Determining and Reporting Depreciation and IRC §179 Deduction Differences—

1. The depreciation from **federal Form 1120, Line 20** and depreciation claimed on federal Form 1125-A or elsewhere on Form 1120 must be included on Form 720, Part I, Line 4. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form 720.**
2. Convert federal Form 4562 to a Kentucky form by entering **Kentucky** at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation (§168) per the IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance. **NOTE:** For Kentucky purposes, for property placed into service after September 10, 2001, but prior to January 1, 2020, the maximum IRC §179 deduction amount

on Line 1 is \$25,000 and the threshold cost of IRC §179 property on Line 3 is \$200,000. For property placed into service after September 10, 2001, but prior to January 1, 2020, the maximum allowable IRC §179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying IRC §179 property placed in service during the year exceeds the threshold. In determining the IRC §179 deduction for Kentucky for property placed into service after September 10, 2001, but prior to January 1, 2020, the income limitation on Line 11 should be determined by using Kentucky net income before the IRC §179 deduction instead of federal taxable income. **For Kentucky purposes, for property placed into service on or after January 1, 2020, the maximum IRC §179 deduction amount on Line 1 is \$100,000 and the phase-out threshold does not apply for purposes of determining Kentucky depreciation.**

3. The corporation **must attach the Kentucky Form 4562** to Form 720, and the amount from Kentucky Form 4562, Line 22 must be included on Form 720, Part I, Line 25. A Kentucky Form 4562 must be filed for each year, even though a federal Form 4562 may not be required.

Schedule 4797 and Schedule D

Gains/Losses from Disposition of Assets—Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year the corporation disposes of assets on which it has taken the special depreciation allowance or the additional IRC §179 deduction for federal income tax purposes, the corporation will need to determine and report the difference in the amount of gain or loss on such assets as follows:

1. If a capital gain is reported on **federal Form 1120, Line 8**, enter this amount on Form 720, Part I, Line 27. Convert **federal Schedule D (Form 1120)** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form and compute the Kentucky capital gain or (loss) from the disposal of assets using Kentucky basis. Enter the capital gain from Kentucky Schedule D, Line 18 on Form 720, Part I, Line 9. **Federal Schedule D (Form 1120) filed with the federal return and the Kentucky Schedule D must be attached to Form 720.**
2. If the amount reported on **federal Form 1120, Line 9** (from Form 4797, Line 17) is a gain, enter this amount on Form 720, Part I, Line 28. If the amount reported on **federal Form 1120, Line 9** (from Form 4797, Line 17) is a loss, enter this amount on Form 720, Part I, Line 10. Convert federal Form 4797 and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form and compute the Kentucky gain or (loss) from the sale of business property listing Kentucky basis. If the amount on Kentucky Form 4797, Line 17 is a gain, enter this amount on Form 720, Part I, Line 11. If the amount on Kentucky Form 4797, Line 17 is a loss, enter this amount on Form 720, Part I, Line 29. **Federal Form 4797 filed with the federal return and the Kentucky Form 4797 must be attached to Form 720.**

Who Must File—LLET and Corporation Income Tax

LLET—The limitations imposed and protections provided by the United States Constitution or Pub. L. No. 86-272 do not apply to the tax imposed by KRS 141.0401. A Kentucky Corporation Income Tax and LLET Return (Form 720) must be filed by every corporation (a) organized under the laws of this state; (b) having its commercial domicile in this state; (c) owning or leasing property in this state; (d) having one or more individuals performing services in this state; (e) maintaining an interest in a pass-through entity doing business in this state; (f) deriving income from or attributable to sources within this state, including deriving income directly or indirectly from a trust doing business in this state, or deriving income directly or indirectly from a single member limited liability company that is doing business in this state and is disregarded as an entity separate from its single member for federal income tax purposes; or (g) directing activities at Kentucky customers for the purposes of selling them goods or services. **KRS 141.0401 and KRS 141.010(13)**

Corporation Income Tax—Except for the limitations imposed and protections provided by the United States Constitution or Pub. L. No. 86-272, a Kentucky Corporation Income Tax and LLET return must be filed by every corporation meeting the provisions listed above. **KRS 141.040 and KRS 141.010(13)**

Note: For taxable periods beginning on or after January 1, 2019, every corporation doing business in Kentucky that is a member of a unitary business must file a combined report (Form 720U) per KRS 141.202(3), unless they elect to file a consolidated return as part of an affiliated group by submitting Form 722.

Disregarded Entities—A limited liability company (LLC) is treated in the same manner as it is treated for federal income tax purposes. Therefore, a single member LLC that is disregarded for federal income tax purposes must be included in the return filed by its single member (parent entity). All disregarded entities included in the return should be listed on the Schedule DE and attached to the return. **KRS 141.010(13) and KRS 141.200(10)**

Pass-through Entities—Corporations doing business in Kentucky solely as a partner or member in a pass-through entity will file Form 720 per KRS 141.010, KRS 141.120, and KRS 141.206. (See Schedule A—Apportionment and Allocation instructions.)

Other Entities—Foreign Sales Corporations (FSCs) and interest-deferred or interest-charged Domestic International Sales Corporations (DISCs) are subject to Kentucky income tax to the same extent as other corporations.

Electronic Funds Transfer (EFT)—The Department of Revenue accepts electronically filed Corporation Income Tax/Limited Liability Entity Tax estimated tax voucher payments and extension payments for corporation income tax and limited liability entity tax. Before filing by EFT, the corporation must have a valid six-digit Kentucky Corporation/LLET account number and have registered with the Department of Revenue to file EFT. **Using an incorrect account number, such as an account number for withholding tax or sales and use tax, may result in the payment being credited to another taxpayer's account.** When making EFT payments online, use the taxable year ending, NOT the due date of the payment.

For more information, contact the Department of Revenue at 800-839-4137 or 502-564-6020. The EFT registration form is available at www.revenue.ky.gov.

Accounting Procedures—Kentucky income tax law requires a corporation to report income on the same calendar or fiscal year and to use the same methods of accounting required for federal income tax purposes. Any federally approved change in accounting periods or methods must be reported to the Department of Revenue. Check the applicable box on page 1, Item G and attach a copy of the federal approval to the return when filed. **KRS 141.140**

Mailing/Payment—Only include payment for Corporation income tax and/or LLET.

Mail the return with payment to:

Filing/Payment Date—A Kentucky Corporation Income Tax and LLET Return must be filed and payment must be made on or before the 15th day of the fourth month following the close of the taxable year. **KRS 141.160, KRS 141.220, and 103 KAR 15:050**

Kentucky Extension—A seven-month extension of time to file a Kentucky Corporation Income Tax and LLET Return (Form 720) may be obtained by filing Form 720EXT by the original due date of the return. Federal Extension—A corporation or limited liability pass-through entity granted an extension of time for filing a federal income tax return will be granted the same extension of time for filing a Kentucky income and LLET return for the same taxable year if a copy of the federal Form 7004 is attached to the

Kentucky return when it is filed. **A copy of the federal extension submitted after the return is filed does not constitute a valid extension and late filing penalties will be assessed.** A copy of the federal Form 7004 should not be mailed to the Department of Revenue before filing the return.

NOTE: An extension of time to file a return does not extend the date for payment of tax.

Consolidated and Unitary Combined Returns—An extension of time for filing a consolidated or unitary combined Kentucky corporation income tax and LLET return by the parent or designated filer corporation also constitutes an extension of time to file for each member of an affiliated group (consolidated) or combined group (unitary combined).

Corporation Estimated Taxes

The Corporation Income/Limited Liability Entity Tax Estimated Tax Voucher, Form 720ES, is used to submit estimated tax payments for corporation income tax and LLET. See **Electronic Funds Transfer (EFT)**. If the corporation is required to make estimated tax payments and needs Form 720ES vouchers, contact the Department of Revenue at 502-564-3658.

Corporation Estimated Tax Payments—A corporation must make estimated tax installments if its combined tax liability per KRS 141.040 and KRS 141.0401 can reasonably be expected to exceed \$5,000. Estimated tax installments are required as follows:

If the estimated tax is reasonably expected to exceed \$5,000, 25% of the estimated tax must be paid by the 15th day of the 4th month, 15th day of the 6th month, 15th day of the 9th month, and the 15th day of the 12th month of the tax year.

Recalculating Estimated Tax—If after the corporation or pass-through entity calculates and pays its estimated tax, it finds that its tax liability for the year will be more or less than originally estimated, it may have to recalculate its required installments. If earlier installments were underpaid, the corporation or pass-through entity may owe a penalty. An immediate payment should be made to reduce the amount of penalty resulting from the underpayment of earlier installments, whether caused by a change in estimate, failure to make a payment, or a mistake.

Penalty—Failure to make estimated installments, pay an estimated installment in full, or pay estimated installments timely will result in an addition to tax that will be considered a penalty under KRS 141.044. The tax interest rate plus 2 percent identified under KRS 131.183 is the underpayment rate used to calculate the penalty. The entity should use Form 2220-K to determine the penalty. **KRS 141.044 and KRS 141.990**

Amended Return—Amended Kentucky forms must be used to make any corrections to Form 720 (see table for required amended form), including net operating loss carrybacks (for years prior to 2005), capital loss carrybacks and Internal Revenue Service audit adjustments. Do not submit federal Form 1139 to apply for a refund of Kentucky corporation income tax resulting from a net operating loss carryback or a capital loss carryback. Failure to submit the required Kentucky amended forms will result in delays in processing refunds requested on amended returns.

Tax Year	Amended Form
2004 & prior	720X
2005 & 2006	720–Amended
2007 & 2008	720–Amended (2007–2008)
2009 – 2021	720 (check Amended return box or Amended return – RAR box)

Net Operating Losses—For tax years beginning on or after January 1, 2005, the net operating loss carryback deduction will not be allowed. Any net operating losses must be carried forward.

Internal Revenue Service Audit Adjustments—A corporation that has received final adjustments resulting from an Internal Revenue Service audit must submit copies of the “final determinations of the federal audit” and pay any tax due within 180 days of the conclusion of the federal audit. Use the required amended form from the table for reporting federal audit adjustments and computing additional tax due or refunds and attach the complete Revenue Agent Report (RAR). The Department may issue a bill for a timely filed RAR return up to one year after it is filed. If a taxpayer fails to report or underreports RAR adjustments, the Department can issue a bill up to six years after the final determination date. A taxpayer may request a refund based upon an RAR adjustment by the later of four years after the date the tax was paid or up to one year after the RAR adjustments were required to be reported to the Department. **KRS 141.211 and KRS 134.580**

Mail return with federal audit adjustments (RAR) to:

Corporate Governmental Programs Section
P. O. Box 1074, Station 68
Frankfort, Kentucky 40602-1074

SCHEDULE L—LIMITED LIABILITY ENTITY TAX COMPUTATION

Purpose of Schedule—Schedule L, Limited Liability Entity Tax Computation, is used to compute the limited liability entity tax (LLET) per KRS 141.0401(2). Kentucky gross receipts, Kentucky gross profits, total gross receipts from all sources, and total gross profits from all sources must be completed per KRS 141.0401(1). See the line-by-line instructions below.

Note: If a member of an affiliated group filing an elective

consolidated return is exempt from LLET under the provisions of KRS 141.0401(6), that exemption does not extend to other members of the affiliated group. Only the entity that specifically meets the criteria in KRS 141.0401(6) is eligible for the exemption. For purposes of calculating LLET the gross receipts for the group should be calculated by excluding the receipts of the exempt member.

Short-Period Computation of LLET—For short-period returns, annualizing gross receipts or gross profits is not permitted. A minimum of \$175 is due per taxable year. *Taxable year* is defined as the period for which the return is made. **KRS 141.010(36)**

The credit amount approved for a calendar year for all taxpayers under KRS 141.386 is limited to \$1 million. If the total amount of approved credit exceeds \$1 million, the department will determine the amount of credit each corporation and railroad company receives by multiplying \$1 million by a fraction, the numerator of which is the amount of approved credit for a corporation or railway company and the denominator of which is the total approved credit for all corporations and railway companies.

Each corporation or railway company eligible for the credit must file Schedule RR-E by the fifteenth day of the first month following the close of the preceding calendar year. The department will determine the amount of the approved credit and issue a credit certificate to the corporation or railway company by the fifteenth day of the third month following the close of the calendar year. **KRS 141.386**

YOUR RIGHTS AS A KENTUCKY TAXPAYER

As part of the Finance and Administration Cabinet, the mission of the Kentucky Department of Revenue (DOR) is to administer tax laws, collect revenue, and provide services in a fair, courteous, and efficient manner for the benefit of the Commonwealth and its citizens.

As a Kentucky taxpayer, you have the right to expect the DOR to honor its mission and uphold your rights every time you contact or are contacted by the DOR.

Some Kentucky taxpayer rights are very specific, such as when and how to protest a Notice of Tax Due or the denial of a refund. Others are more general.

The following is a summary of your rights and the DOR's responsibilities to you as a Kentucky taxpayer.

RIGHTS OF TAXPAYER

Privacy

You have the right to privacy with regard to information you provide pertaining to returns, reports, or the affairs of your business.

Assistance

You have the right to advice and assistance from the DOR in complying with state tax laws.

Explanation

You have the right to a clear and concise explanation of:

- ✓ basis of assessment of additional taxes, interest and penalties, or the denial or reduction of any refund or credit claim;
- ✓ procedure for protest and appeal of a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement; and
- ✓ tax laws and changes in tax laws so that you can comply with the law.

Protest and Appeal

You have the right to file a protest with the DOR if you disagree with a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement. If you file a timely protest, you have a right to a conference to discuss the matter. If you are not satisfied with the Department's final ruling following your protest, you may appeal the final ruling to the Kentucky Board of Tax Appeals, pursuant to KRS 131.110(5) and KRS 49.220 et. seq. (See reverse for procedure to file a protest.)

Representation

You have the right to representation by your authorized agent (attorney, accountant, or other person) in any hearing or conference with the DOR. You have the right to be informed of this right prior to the conference or hearing. If you intend for your representative to attend the conference or hearing in your place, you will be required to give your representative a power of attorney before the DOR can discuss tax matters with your authorized agent. See Form 20A100.

Recordings

You have the right to make an audio recording of any meeting, conference, or hearing with the DOR. The DOR has the right to make an audio recording, if you are notified in writing in advance or if you make a recording. You have the right to receive a copy of the recording.

Consideration

You have the right to consideration of:

- ✓ waiver of penalties or collection fees if "reasonable cause" for reduction or waiver is given ("reasonable cause" is defined in KRS 131.010(9) as: "an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the department pursuant to law or administrative regulation");
- ✓ installment payments of delinquent taxes, interest, and penalties;
- ✓ waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the DOR if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;
- ✓ extension of time for filing reports or returns; and
- ✓ payment of charges incurred resulting from an erroneous filing of a lien or levy by the DOR.

Guarantee

You have the right to a guarantee that DOR employees are not paid, evaluated, or promoted based on taxes assessed or collected, or a tax assessment or collection quota or goal imposed or suggested.

Damages

You have the right to file a claim for actual and direct monetary damages with the Kentucky Board of Tax Appeals if a DOR employee willfully, recklessly, and intentionally disregards your rights as a Kentucky taxpayer.

Interest

You may have the right to receive interest on an overpayment of tax.

DEPARTMENT OF REVENUE RESPONSIBILITIES

The DOR has the responsibility to:

- ✓ perform audits and conduct conferences and hearings with you at reasonable times and places;
- ✓ authorize, require, or conduct an investigation or surveillance of you only if it relates to a tax matter;
- ✓ make a written request for payment of delinquent taxes which are due and payable at least 30 days prior to seizure and sale of your assets;
- ✓ conduct educational and informational programs to help you understand and comply with the laws;
- ✓ publish clear and simple statements to explain tax procedures, remedies, your rights and obligations, and the rights and obligations of the DOR;
- ✓ notify you in writing when an erroneous lien or levy is released and, if requested, notify major credit reporting companies in counties where lien was filed;

- ✓ advise you of procedures, remedies, and your rights and obligations with an original notice of audit or when an original Notice of Tax Due is issued, a refund or credit is denied or reduced, or whenever a license or permit is denied, revoked, or canceled;
- ✓ notify you in writing prior to termination or modification of a payment agreement;
- ✓ furnish copies of the agent's audit workpapers and a written narrative explaining the reason(s) for the assessment;
- ✓ resolve tax controversies on a fair and equitable basis at the administrative level whenever possible;
- ✓ notify you in writing at your last known address at least 60 days prior to publishing your name on a list of delinquent taxpayers for which a tax or judgment lien has been filed; and
- ✓ notify you by certified mail 20 days prior to submitting your name to the relevant agency for the revocation or denial of professional license, driver's license, or motor vehicle registration.

PROTEST AND APPEAL PROCEDURE

Protest

If you receive a Notice of Tax Due, or if the DOR notifies you that a tax refund has been reduced or denied, or the DOR denies your request for additional time to file a supporting statement, you have the right to protest. To do so:

- ✓ submit a written protest within 60 days from the original notice date (or 45 days if the original notice date is prior to 07/01/2018); notice of refund reduction or denial, or denial of a request for additional time to file a supporting statement;
- ✓ identify the type of tax involved and give the account number, Social Security number, or other identification number and attach a copy of the DOR Notice of Tax Due or refund denial to support that your protest is timely;
- ✓ explain why you disagree;
- ✓ attach any proof or documentation available to support your protest or request additional time to support your protest;
- ✓ sign your statement, include your daytime telephone number and mailing address; and
- ✓ mail to the Kentucky Department of Revenue, Frankfort, Kentucky 40620.

Conference

You have the right to request a conference to discuss the issue.

Final Ruling

If you do not want to have a conference or if the conference did not resolve your protest, you have the right to request a final ruling of the DOR so that you can appeal your case further.

Appeal

If you do not agree with the DOR's final ruling, you can file a written appeal with the Kentucky Board of Tax Appeals. If you do not agree with the decision of the Kentucky Board of Tax Appeals, you have the right to appeal their ruling to the Kentucky courts (first to the circuit court in your home county or in Franklin County, then to the Kentucky Court of Appeals, and finally to the Kentucky Supreme Court).

NOTE: The above protest and appeal procedures do not apply for real property which is valued by the local property valuation administrator (PVA). Contact the local PVA for information about how to appeal the valuation of real property.

TAXPAYER OMBUDSMAN

The DOR has a Taxpayer Ombudsman whose job is to serve as an advocate for taxpayers' rights. One of the main functions of the Ombudsman is to ensure that your rights as a Kentucky taxpayer are protected.

Also, an important function of the Taxpayer Ombudsman is to confer with DOR employees when you have a problem or conflict that you have been unable to resolve. However, it is not the role of the Ombudsman to intercede in an audit,

handle a protest, waive taxes, penalty or interest, or answer technical tax questions. To file a protest, see PROTEST AND APPEAL PROCEDURE. Please do not mail your protest to the Ombudsman.

The Taxpayer Ombudsman is your advocate and is there to make sure your rights are protected. If you think you are not being treated fairly or if you have a problem or complaint, please contact the Ombudsman for assistance.

The Taxpayer Ombudsman may be contacted by telephone at 502-564-7822 (between 8:00 a.m. and 5:00 p.m. weekdays). The mailing address is: Department of Revenue, Taxpayer Ombudsman, 501 High Street, Station 1, Frankfort, Kentucky 40601.
