**KENTUCKY UNITARY COMBINED  
CORPORATION INCOME TAX AND LLET RETURN****2021****PURPOSE OF INSTRUCTIONS**

These instructions have been designed for corporations that are part of a unitary business, which are required to file as a combined group for tax years beginning on or after January 1, 2019 per KRS 141.202, unless the group elects to file a same-as-federal affiliated group consolidated return under KRS 141.201(3)(a)2 and KRS 141.201. A group that makes an election to file an affiliated group consolidated return must use Form 720.

**KENTUCKY TAX LAW CHANGES**

**Enacted by the 2021 Regular Session of the General Assembly—**

**HB 278—Expenses paid with proceeds from forgiven Paycheck Protection Program (PPP) loans or Economic Injury Disaster Loans (EIDL) grants and advances are authorized to be deducted for Kentucky income tax purposes.** HB 278 updated KRS 141.019 to allow the same treatment afforded by Pub. L. No. 116-260, sec. 276 and sec. 278, related to the tax treatment of forgiven covered loans, deductions attributable to those loans, and tax attributes associated with those loans for taxable years ending on or after March 27, 2020, but before January 1, 2022. Loans forgiven under the CARES Act Paycheck Protection Program and EIDL grants and advances that are excluded from gross income for federal income tax purposes are also excluded for Kentucky income tax purposes.

**HB 84—Income tax exemption provided for disaster response employees and disaster response businesses.** HB 84 provided an exemption for qualified disaster response employees and disaster response businesses from income tax for tax years beginning on or after January 1, 2021 but before January 1, 2025. A disaster response business is exempt from income tax under KRS 141.040 (corporations) and KRS 141.020 (sole proprietorships) if the disaster response business has no presence in Kentucky and conducts no business in the state, except for disaster or emergency-related work during a disaster response period and the disaster or emergency-related work was requested by a registered business or a state and local government. Disaster response employees are exempt from individual income tax if they do not work or reside in Kentucky, except for disaster or emergency-related work during the disaster response period. Disaster or emergency-related work means repairing, renovating, installing, building, or rendering services that are essential to the restoration of critical infrastructure that has been

**HOW TO OBTAIN FORMS AND INSTRUCTIONS**

Forms and instructions are available at all Kentucky Taxpayer Service Centers (page 33). They may also be obtained by writing FORMS, Department of Revenue, 501 High Street, Station 23B, Frankfort, KY 40601, or by calling 502-564-3658. damaged, impaired, or destroyed by a declared state disaster or emergency. The work must take place up to 10 days prior and up to 30 days after the declared disaster or emergency (“the disaster response period”). **NOTE: This exemption does not apply to the LLET or to taxes imposed under KRS 141.206 on pass-through entities, such as nonresident withholding.**

**HB 249—Nonresident withholding on corporations by pass-through entities is not required for tax years beginning on or after January 1, 2022.** Effective for tax years beginning on or after January 1, 2022, withholding of income tax on the distributive share of a corporate partner or corporate member that is doing business in Kentucky only through its ownership interest in a pass-through entity is no longer required under KRS 141.206 and 141.207. Corporations doing business in Kentucky are subject to Kentucky corporation income tax under KRS 141.040. Composite return language in KRS 141.206 was also removed. Corporations doing business in Kentucky through their ownership of a pass-through entity are still subject to income tax and LLET. **NOTE: Withholding for nonresident individuals is still required.**

**HB 321—New West End Tax Increment Financing (TIF) Project created.** HB 321 created a new TIF development district in Louisville designated as the West End Opportunity Partnership for both local and state tax revenues. The 20 year TIF program begins once the required initial investment has been made. The Commonwealth is required to pledge 80% of the incremental state tax revenues received from the development area to the West End Opportunity Partnership. The project will use this incremental revenue to reinvest into the project development area. State revenues include state real property ad valorem taxes, individual income taxes required to be withheld by an employer, and sales taxes. State tax revenues do not include revenues that have been pledged to support other TIF and economic development projects within the development area.

**Tax Credit Changes:**

**HB 563—Education Opportunity Account Program—** Pursuant to Franklin Circuit Court’s October 8, 2021 Opinion and Order addressing a challenge to the constitutionality of HB 563, which, in part, established a tax credit for a limited pool of Kentuckians to pay for private school tuition, the Department of Revenue was ordered to cease administering the programs established by the bill. Accordingly, the Department of Revenue shall not approve the creation or operation of any Account-Granting Organizations, the establishment of any Educational Opportunity Accounts, or grant any tax credits to fund such organizations and accounts under the legislation enacted in House Bill 563. See KRS 141.500 et seq.

The Department of Revenue will update its website, revenue.ky.gov, to notify the public of any future changes based upon subsequent judicial decisions and/or legislative enactments.

**HB 249—Major Recycling Tax Credit applicants allowed an extra year to apply.** HB 249 extended the major recycling tax credit application, Schedule RC, due date to the first day of the seventh month after the close of the tax year following the tax year in which the recycling and composting equipment was purchased or placed into service. For example, a calendar-year taxpayer with a major recycling project that puts recycling and composting equipment into service April 1, 2021 has until July 1, 2023 to apply for the credit. The change applies only to major recycling projects and is effective for tax years beginning on or after January 1, 2020, but before January 1, 2024.

**SB 255—Energy-related tax credits expanded to include commercial cryptocurrency mining operations.** The tax credit program created under the Incentives for Energy Independence Act (IEIA) was revised and renamed to the Incentives for Energy-Related Businesses Act (IEBA) effective July 1, 2021. SB 255 established the incentive application process through the Kentucky Economic Development Finance Authority. Eligibility for the nonrefundable and nontransferable tax credits available under the program was opened to commercial cryptocurrency mining operations that invest capital of at least one million dollars in a cryptocurrency mining facility in the state. An approved company may be eligible for a credit of up to 100% of the Kentucky income tax imposed under KRS 141.040 or 141.020, and the LLET imposed under KRS 141.0401 (not below the \$175 minimum) that would otherwise be owed by the approved company to the Commonwealth for the approved company’s tax year, on the income, Kentucky gross profits, or Kentucky gross receipts of the approved company generated by or arising from the eligible project, with the ordering of credits as provided in KRS 141.0205.

**HB 249—Film tax credit made refundable for qualified applications approved on or after January 1, 2022.** To qualify, HB 249 stipulated that the film production must begin within six months after applying for the credit

and production must be completed within two years of the production start date. The credit amount ranges between 30% to 35% of qualifying expenditures (full 35% in enhanced counties) against income tax and LLET. A minimum combined total of qualifying expenditures and qualifying payroll expenditures must be met. The overall film tax credit cap was lowered from \$100 million to \$75 million beginning in calendar year 2022. The credit is to be administered by the Kentucky Economic Development Finance Authority together with the Department of Revenue. The Office of Film and Tourism Development was eliminated.

**HB 249 and 321—Historic Rehabilitation Tax Credit cap raised to \$100 million for applications received on or after April 30, 2022.** HB 249 and HB 321 provided that 25% of the tax credit cap must be allocated to owner-occupied residential property, which will be allowed a credit against income tax and LLET of 30% of qualified expenses. 75% of the tax credit cap must be allocated to other property types, including major certified rehabilitation projects, which will be allowed a credit of 20% of qualified expenses. The Kentucky Heritage Council was also authorized to award one major certified rehabilitation tax credit for the first \$30 million of qualified expenses for a certified historic structure that meets certain specific parameters. The credit is refundable and transferable against income tax and LLET and is available for up to four years with a maximum of 25% of the total approved credit allowed to be claimed each year. See KRS 171.3963.

**HB 321—West End Development Area tax credit created.** In conjunction with the West End TIF Project, HB 321 created a refundable and nontransferable tax credit to be used against individual income tax. The credit is equal to the amount by which the property tax timely paid on the residential property in the development area exceeds the amount of property tax assessed on that residential property on January 1, 2021. The property must be the owner’s principal residence, located within the development area, and owned as of January 1, 2021. The tax credit ends in the taxable year when the residential property is sold by the owner or the period allowed for incremental revenues pledged to the West End TIF Project ends, whichever is earlier.

**Inventory Tax Credit fully phased in.** The inventory tax credit increases to 100% of the ad valorem (tangible personal property) tax described in KRS 132.020(1)(e) or 132.099 timely paid in 2021.

## CURRENT YEAR INTEREST RATE

Pursuant to KRS 131.183, the 2022 tax interest rate has been set at three percent (3%). The rate charged by the Kentucky Department of Revenue on unpaid taxes is five percent (5%) and when interest is due on a refund, the rate is one percent (1%).

## KENTUCKY FORM CHANGES

### New:

**Form 8948 (K-C)**—Request for Waiver of Electronic Filing Requirement. Tax preparers can use Form 8948 (K-C) if they have a valid reason why they are not able to file a Kentucky corporation or pass-through entity income tax return electronically. This form is only applicable for Forms 720, 720U, 725, and PTE and must be submitted to the Department of Revenue for approval before filing on paper. A copy of the approved form must be attached to the paper-filed return.

**Schedule CHEM**—Renewable Chemical Production Tax Credit Certificate and Schedule. Taxpayers must submit this form to the Department of Revenue to obtain certification of the renewable chemical tax credit, to report the amount of credit utilized each year and track any applicable carryforward balance, and to report the number of pounds in molecular weight of renewable chemicals produced in Kentucky and to report the amount of tax credit utilized.

Preliminary approval of this tax credit must be obtained through the Department of Agriculture. The tax credit is available for tax years beginning on or after January 1, 2021. The taxpayer must file Schedule CHEM with the Department of Revenue no later than March 1 following the close of the preceding calendar year.

**Package IEBA**—Incentives for Energy-Related Business Act Tax Credit. This package contains the computation schedules and tracking schedules used in order to claim and utilize the revised credit for energy-related businesses.

### Updated:

**Form 720U**—The Schedule U5 and the Schedule U8 were modified to allow reporting of intercompany eliminations. Additional calculations for “Combined Totals” were added to the Schedule U9. The Schedule U10 was modified to update the calculation of the 80% post-2017 NOL limitation.

**Schedule A**—A new checkbox was added for a company to report a deviation from a prior year’s method of calculating receipts.

## Electronic Filing FAQs and Helpful Tips

- **Mandatory E-File if Gross Receipts  $\geq$  \$1,000,000**—For tax years beginning on or after January 1, 2019, corporations and pass-through entities are required to e-file if their federal gross receipts are one million dollars (\$1,000,000) or greater. This applies to Forms 720, 720U, PTE, and 725.
- A person, taxpayer, or tax preparer required to electronically file a return, report, or statement may request a **waiver as authorized by KRS 131.250(2). Form 8948 (K-C): Request for Waiver of Electronic Filing Requirement** must be submitted via e-mail to [KRC.WEBResponseCorporationTax@ky.gov](mailto:KRC.WEBResponseCorporationTax@ky.gov) or [DORWEBRESPONSEPASSTHROUGHENTITY@ky.gov](mailto:DORWEBRESPONSEPASSTHROUGHENTITY@ky.gov). for approval before filing on paper. A copy of the approved form must be attached to the paper-filed return.
- If your return is rejected for an invalid Kentucky Corporation/LLET Account Number or Federal Employer Identification Number (FEIN), please complete Form 20A100, "Declaration of Representative," and contact our **Registration Section at 502-564-3306** for instructions on how to obtain an account number.
- Direct debit is an option for electronically filed forms; however, direct deposit is not.
- If you e-filed your return and wish to make a payment by check, please use the Form KBR-V provided by your software vendor.
- To determine which forms are supported by your software, please consult with the company that develops your software.

## More Options for Taxpayers Paying Online

The Department of Revenue (DOR) is now able to offer taxpayers additional payment options for Corporation Income Tax and Limited Liability Entity Tax (LLET). Taxpayers can make a payment online for an e-filed Corporation Income Tax and/or LLET return instead of submitting the payment with a Form KBR-V voucher. Corporation Income Tax and LLET payments for bills, estimates, and extensions can also be made via the Enterprise Electronic Payment System (EEPS). To use EEPS, go to [www.revenue.ky.gov](http://www.revenue.ky.gov) and click on the Make a Payment or File a Return tile. From the selections of tax types available, click "Corporation Income Tax" or "Limited Liability Entity Tax (LLET)". Then select the Electronic Payment link. To make payments, the FEIN is required along with the Kentucky Corporation/LLET six (6) digit account number.

## Filing Tips and Checkpoints

The following list of filing tips is provided for your convenience to help ensure that returns are processed accurately and promptly. To avoid processing problems, please note the following:

- **Account Closure**—There are different requirements for the Secretary of State and the Department of Revenue when ceasing operations and closing an account. It is advised that you consult with both agencies when closing a business tax account.
- **Account Number/FEIN**—Always ensure the correct Kentucky Corporation/LLET account number and FEIN is used on the return being filed.
- **Payments**—Place payments on the front of the return so that they are clearly visible. Do not leave check stubs attached to checks. Check stubs will delay the machines that sort incoming mail, which causes longer processing times.
- **Estimated Payments**—Make estimated payments on a timely basis to avoid penalty.
- **EFT Payments**—When making EFT payments online, use the Taxable Year Ending NOT the due date of the payment.
- **Form KBR-V**—Form KBR-V is a payment voucher for e-filed returns and for payments submitted separately for paper filed returns. It is NOT an extension form. To extend a filing date, use Form 720EXT, Extension of Time to File Kentucky Corporation/LLET Return.
- **Extensions**—Extensions are for extending the filing date only; late payment penalties and interest apply to payments made after the original due date.  
C corporations requesting an extension of time to file (on form 720EXT) will be granted seven (7) months to file their tax return.
- **Schedule A**—Do not check the box on Schedule A, Apportionment and Allocation, indicating the use of an alternative allocation and apportionment formula if the corporation has not received written approval from the Department of Revenue. If written approval has been received, a copy of the letter from the Department of Revenue must be attached to the return when filed.
- **Incorrect Year Forms**—Returns submitted on the wrong year form on or before the due date will be accepted as timely filed, but will require the return to be submitted on the correct year form before the return can be processed.
- **Additional errors that delay processing:**
  - Incorrect form submitted
  - Incorrect tax exemption code
  - Incomplete information
  - Missing forms or schedules
  - Incorrect taxable year end
  - Failure to include payment of tax due with the return
  - Omitting Form 720EXT when paying with an extension

**IMPORTANT****Corporations must create a Kentucky Form 4562,  
Schedule D and Form 4797 by converting federal forms.****Schedule 4562**

**Depreciation**—For property placed in service after September 10, 2001, Kentucky depreciation (§168) is determined per the Internal Revenue Code (IRC) in effect on December 31, 2001.

**Section 179 Deduction**—For property placed in service after September 10, 2001, but prior to January 1, 2020, only the expense deduction (\$25,000) allowed under §179 of the IRC in effect on December 31, 2001, exclusive of any amendments made subsequent to that date, is allowed.

For property placed in service on or after January 1, 2020, only the expense deduction (\$100,000) allowed under §179 of the IRC in effect on December 31, 2003, exclusive of any amendments made subsequent to that date, is allowed, except that the phase-out provisions of §179 of the IRC limiting the qualifying investment in property, shall not apply.

For 2020 returns and forward, any corporation that for federal purposes elects in the current taxable year or has elected in past taxable years any of the following will have a different depreciation and IRC §179 expense deduction for Kentucky:

- MACRS bonus depreciation;
- IRC §179 expense deduction in excess of \$25,000 for property placed in service after September 10, 2001, but prior to January 1, 2020; or
- IRC §179 expense deduction in excess of \$100,000 for property placed in service on or after January 1, 2020.

If a corporation has taken MACRS bonus depreciation or IRC §179 expense deduction in excess of the amounts outlined above for any year, federal and Kentucky differences will exist and the differences will continue through the life of the assets.

**Important:** If a corporation has not taken MACRS bonus depreciation or the IRC §179 expense deduction in excess of the amounts outlined above for any taxable year, then no adjustment will be needed for Kentucky income tax purposes. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be submitted with Form 720U to substantiate that no adjustment is required.**

**Determining and Reporting Depreciation and IRC §179 Deduction Differences—**

1. The depreciation from Schedule U3, Line 20 and depreciation claimed on federal Form 1125-A or elsewhere on Form 1120 must be included on Schedule U4, Line 4. **If federal Form 4562 is required to be filed for federal income tax purposes, a copy must be attached to Form 720U.**
2. Convert federal Form 4562 to a Kentucky form by entering **Kentucky** at the top center of the form above Depreciation and Amortization. Compute Kentucky depreciation (§168) per the IRC in effect on December 31, 2001, by ignoring the lines and instructions regarding the special depreciation allowance. **NOTE:** For Kentucky purposes, for property placed into service after September 10, 2001, but prior to January 1, 2020, the maximum IRC §179 deduction amount on Line 1 is \$25,000 and the threshold cost of IRC §179 property on Line 3 is \$200,000.

For property placed into service after September 10, 2001, but prior to January 1, 2020, the maximum allowable IRC §179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying IRC §179 property placed in service during the year exceeds the threshold. In determining the IRC §179 deduction for Kentucky for property placed into service after September 10, 2001, but prior to January 1, 2020, the income limitation on Line 11 should be determined by using Kentucky net income before the IRC §179 deduction instead of federal taxable income. **For Kentucky purposes, for property placed into service on or after January 1, 2020, the maximum IRC §179 deduction amount on Line 1 is \$100,000 and the phase-out threshold does not apply for purposes of determining Kentucky depreciation.**

3. The corporation **must attach the Kentucky Form 4562** for each included company of the unitary business to Form 720U, and the amount from Kentucky Form 4562, Line 22 must be included on Schedule U4, Line 23. A Kentucky Form 4562 must be filed for each year, even though a federal Form 4562 may not be required.

**Schedule 4797 and Schedule D**

**Gains/Losses from Disposition of Assets**—Determining and Reporting Differences in Gain or Loss From Disposition of Assets—If during the year the corporation disposes of assets on which it has taken the special depreciation allowance or the additional IRC §179 deduction for federal income tax purposes, the corporation will need to determine and report the difference in the amount of gain or loss on such assets as follows:

1. If a capital gain is reported on Schedule U3, Line 8, enter this amount on Schedule U4, Line 24. Convert **federal Schedule D (Form 1120)** and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form and compute the Kentucky capital gain or (loss) from the disposal of assets using Kentucky basis. Report the apportionable amounts as part of the Combined Totals on Schedule U7, Section A, Line 1 or Line 2. Report the allocable amounts in the appropriate taxpayer member's column(s) on Schedule U7, Section A, Lines 5(b) or 6(b). **Federal Schedule D (Form 1120) filed with the federal return and the Kentucky Schedule D must be attached to Form 720U.**
2. If the amount reported on Schedule U3, Line 9 is a gain, enter this amount on Schedule U4, Line 25. If the amount reported on Schedule U3, Line 9 is a loss, enter this amount on Schedule U4, Line 8. Convert federal Form 4797 and other applicable federal forms to Kentucky forms by entering **Kentucky** at the top center of the form and compute the Kentucky gain or (loss) from the sale of business property listing Kentucky basis. Report the apportionable amounts as part of the Combined Totals on Schedule U7, Section A, Line 3 or Line 4. Report the allocable amounts in the appropriate taxpayer member's column(s) on Schedule U7, Section A, Lines 7(b) or 8(b). **Federal Form 4797 filed with the federal return and the Kentucky Form 4797 must be attached to Form 720U.**

**GENERAL INFORMATION**

**Internal Revenue Code Reference Date**—Kentucky’s Internal Revenue Code (IRC) reference date is December 31, 2018, exclusive of any amendments made subsequent to that date, other than amendments that extend provisions in effect on December 31, 2018, that would otherwise terminate, for purposes of computing corporation and individual income tax, except for depreciation differences per KRS 141.0101. **KRS 141.010(21)(b)**

**Kentucky Tax Registration Application**—The designated filer of the combined group is required to have a Kentucky Corporation/LLET Account Number. If applicable, they must complete the Kentucky Tax Registration Application, Form 10A100, to register for a Kentucky Corporation/LLET Account Number. This account number will be used for remitting the corporation income tax per KRS 141.040 and the LLET per KRS 141.0401.

**Who Must File—LLET and Corporation Income Tax**

**LLET**—The limitations imposed and protections provided by the United States Constitution or Pub. L. No. 86-272 do not apply to the tax imposed by KRS 141.0401. A Kentucky Unitary Combined Corporation Income Tax and LLET Return (Form 720U) must be filed by every corporation (a) organized under the laws of this state; (b) having its commercial domicile in this state; (c) owning or leasing property in this state; (d) having one or more individuals performing services in this state; (e) maintaining an interest in a pass-through entity doing business in this state; (f) deriving income from or attributable to sources within this state, including deriving income directly or indirectly from a trust doing business in this state, or deriving income directly or indirectly from a single member limited liability company that is doing business in this state and is disregarded as an entity separate from its single member for federal income tax purposes; or (g) directing activities at Kentucky customers for the purposes of selling them goods or services. **KRS 141.040, KRS 141.0401, and KRS 141.010(13)**

**Corporation Income Tax**—Except for the limitations imposed and protections provided by the United States Constitution or Pub. L. **Note:** For taxable periods beginning on or after January 1, 2019, every corporation doing business in Kentucky that is a member of a unitary business must file a combined report (Form 720U) per KRS 141.202(3), unless they elect to file a consolidated return as part of an affiliated group by submitting Form 722.

**Intercompany Eliminations**—Intercompany transactions should be eliminated in the calculation of combined income and gross receipts.

**Disregarded Entities**—A limited liability company (LLC) is treated in the same manner as it is treated for federal income tax purposes. Therefore, a single member LLC that is disregarded for federal income tax purposes must be included in the return filed by its single member (parent entity). All disregarded entities included in the return should be listed on the Schedule DE and attached to the return. **KRS 141.010(13) and KRS 141.200(10)**

**Pass-through Entities**—Corporations that are a member of a unitary business that are doing business in Kentucky solely as a partner or member in a pass-through entity will file Form 720U per KRS 141.010, KRS 141.120, KRS 141.202 and KRS 141.206. (See Schedule U6, Kentucky Unitary with Pass-through Entity Apportionment Schedule).

**Other Entities**—Foreign Sales Corporations (FSCs) and interest-deferred or interest-charged Domestic International Sales Corporations (DISCs) are subject to Kentucky income tax to the same extent as other corporations.

Additionally, certain organizations which must file special returns for federal purposes, e.g., homeowners' associations, political organizations, real estate investment trusts, and regulated investment companies must file Form 720 or 720U (if a member of a unitary business).

**Corporations Not Required to File**—Corporations which are exempt by law from Kentucky income tax and LLET include insurance companies, corporations exempted by IRC §501, and religious, educational, charitable, and like corporations not conducted for profit. **KRS 141.040 and KRS 141.0401**

**Required Forms and Information**—Each corporation must enter all applicable information on Form 720U, enclose a schedule for each line item or line item instruction which states "attach schedule," and include the following Kentucky forms or schedules, if applicable.

4. Form 851—Affiliations Schedule

**Electronic Funds Transfer (EFT)**—The Department of Revenue accepts electronically filed Corporation Income Tax/Limited Liability Entity Tax estimated tax voucher payments and extension payments for corporation income tax and limited liability entity tax. Before filing by EFT, the corporation must have a valid six-digit Kentucky Corporation/LLET account number and have registered with the Department of Revenue to file EFT. **Using an incorrect account number, such as an account number for withholding tax or sales and use tax, may result in the payment being credited to another taxpayer's account.** When making EFT payments online, use the taxable year ending, NOT the due date of the payment.

For more information, contact the Department of Revenue at 800-839-4137 or 502-564-6020. The EFT registration form is available at [www.revenue.ky.gov](http://www.revenue.ky.gov).

**Members with Different Accounting Periods**—If the tax year of a member differs from the tax year of the combined group, the designated filer must elect to determine the portion of that member's income by either: (1) preparing separate income statement from the books and records for the months included in the combined group's taxable year; or (2) including all of the income for the year that ends during the combined group's taxable year. The same method must be used for each member with a different accounting period. Once an election is made under this section by attaching a statement to the return, it shall be the only method that may be used with respect to members of the combined group unless the designated filer receives approval for a change in method from the department by petition for alternative apportionment as established in 103 KAR 16:330. **103 KAR 16:400**

**Mailing/Payment**—Only include payment for Corporation income tax and/or LLET.

**Mail the return with payment to:**

Kentucky Department of Revenue  
Frankfort, KY 40620-0021

Make the check(s) payable to the **Kentucky State Treasurer.**

**Mail returns with no tax due or refund requests to:**

Kentucky Department of Revenue  
Frankfort, KY 40618-0010

**Filing/Payment Date**—A Kentucky Unitary Combined Corporation Income Tax and LLET Return must be filed and payment must be made on or before the 15th day of the fourth month following the close of the taxable year. **KRS 141.160, KRS 141.220, and 103 KAR 15:050**

If the filing/payment date falls on a Saturday, Sunday, or a legal holiday, the filing/payment date is deemed to be on the next business day. **KRS 446.030**

**Kentucky Extension**—A seven-month extension of time to file a Kentucky Unitary Combined Corporation Income Tax and LLET Return (Form 720U) may be obtained by filing Form 720EXT by the original due date of the return. If a payment is made with an extension, Kentucky Form 720EXT must be used. For further information, see the instructions for Form 720EXT. **103 KAR 15:050**

**Federal Extension**—A corporation or limited liability pass-through entity granted an extension of time for filing a federal income tax return will be granted the same extension of time for filing a Kentucky income and LLET return for the same taxable year if a copy of the federal Form 7004 for the designated filer corporation is attached to the Kentucky return when it is filed. **A copy of the federal extension submitted after the return is filed does not constitute a valid extension and late filing penalties will be assessed.** A copy of the federal Form 7004 for the designated filer corporation should not be mailed to the Department of Revenue before filing the return.

**NOTE: An extension of time to file a return does not extend the date for payment of tax.**

**Consolidated and Unitary Combined Returns**—An extension of time for filing a consolidated or unitary combined Kentucky corporation income tax and LLET return by the parent or designated filer corporation also constitutes an extension of time to file for each member of an affiliated group (consolidated) or combined group (unitary combined).

**Corporation Estimated Taxes**

**The Corporation Income/Limited Liability Entity Tax Estimated Tax Voucher, Form 720ES**, is used to submit estimated tax payments for corporation income tax and LLET. See **Electronic Funds Transfer (EFT)**. If the corporation is required to make estimated tax payments and needs Form 720ES vouchers, contact the Department of Revenue at 502-564-3658.

**Corporation Estimated Tax Payments**—A corporation must make estimated tax installments if its combined tax liability per KRS 141.040 and KRS 141.0401 can reasonably be expected to exceed \$5,000. Estimated tax installments are required as follows:

If the estimated tax is reasonably expected to exceed \$5,000, 25% of the estimated tax must be paid by the 15th day of the 4th month, 15th day of the 6th month, 15th day of the 9th month, and the 15th day of the 12th month of the tax year.

**Recalculating Estimated Tax**—If after the corporation or pass-through entity calculates and pays its estimated tax, it finds that its tax liability for the year will be more or less than originally estimated, it may have to recalculate its required installments. If earlier installments were underpaid, the corporation or pass-through entity may owe a penalty. An immediate payment should be made to reduce the amount of penalty resulting from the underpayment of earlier installments, whether caused by a change in estimate, failure to make a payment, or a mistake.

**Penalty**—Failure to make estimated installments, pay an estimated installment in full, or pay estimated installments timely will result in an addition to tax that will be considered a penalty under KRS 141.044. The tax interest rate plus 2 percent identified under KRS 131.183 is the underpayment rate used to calculate the penalty. The entity should use Form 2220-K to determine the penalty. **KRS 141.044 and KRS 141.990**

**Amended Return**—To correct Form 720U as originally filed, file an amended Form 720U and check the appropriate box on page 1, item C. Do not submit federal Form 1139 to apply for a refund of Kentucky corporation income tax resulting from net operating loss carryback or a capital loss carryback. Failure to submit the required Kentucky amended forms will result in delays in processing refunds requested on amended returns.

**Net Operating Losses**—For tax years beginning on or after January 1, 2005, the net operating loss carryback deduction will not be allowed. Any net operating losses must be carried forward.

**Internal Revenue Service Audit Adjustments**—A corporation that has received final adjustments resulting from an Internal Revenue Service audit must submit copies of the “final determinations of the federal audit” and pay any tax due within 180 days of the conclusion of the federal audit. Use Form 720U for reporting federal audit adjustments and computing additional tax due or refunds, check the Amended return-RAR box, and attach the complete Revenue Agent Report (RAR). The Department may issue a bill for a timely filed RAR return up to one year after it is filed. If a taxpayer fails to report or underreports RAR adjustments, the Department can issue a bill up to six years after the final determination date. A taxpayer may request a refund based upon an RAR adjustment by the later of four years after the date the tax was paid or up to one year after the RAR adjustments were required to be reported to the Department. **KRS 141.211 and KRS 134.580**

**Mail return with federal audit adjustments (RAR) to:**

Corporate Governmental Programs Section  
P. O. Box 1074, Station 68  
Frankfort, Kentucky 40602-1074

**Interest**—Interest at the tax interest rate plus two percent is applied to corporation income tax and LLET liabilities not paid by the date prescribed by law for filing the return (determined without regard to extensions thereof). See page 3 for the current year rate.

**Penalties—Refer below.**

**Failure to file the Kentucky Unitary Combined Corporation Income Tax and LLET Return by the filing date including extensions**—2 percent of the tax due for each 30 days or fraction thereof that the return is late (maximum 20 percent). The minimum penalty is \$10 for each tax. **KRS 131.180(1)**

**Failure to pay at least 75 percent of income tax and/or LLET determined due by the payment due date**—2 percent of the tax due for each 30 days or fraction thereof that the payment is overdue (maximum 20 percent). The minimum penalty is \$10 for each tax. **KRS 131.180(2)**

**Failure to make estimated installments, pay an estimated installment in full, or pay estimated installments timely**—The addition to tax is considered a penalty under KRS 141.044. The underpayment rate is the tax interest rate plus 2 percent identified under KRS 131.183. **KRS 141.044**

**Failure or refusal to file a Kentucky Unitary Combined Corporation Income Tax and LLET Return or furnish information requested in writing**—5 percent of the tax assessed for each 30 days or fraction thereof that the return is not filed or the information is not submitted (maximum 50 percent). The minimum penalty is \$100. **KRS 131.180(3)**

**Negligence**—10 percent of the tax assessed. **KRS 131.180(6)**

**Fraud**—50 percent of the tax assessed. **KRS 131.180(7)**

**Cost of Collection Fees**—25 percent on all taxes which become due and owing for any reporting period, regardless of when due. These collection fees are in addition to all other penalties provided by law. **KRS 131.440(1)(b)**

**Records Retention**—The Department of Revenue deems acceptable virtually any records retention system which results in an essentially unalterable method of records storage and retrieval, provided: (a) authorized Department of Revenue personnel are granted access, including any specialized equipment; (b) taxpayer maintains adequate back-up; and (c) taxpayer maintains documentation to verify the retention system is accurate and complete.

## INSTRUCTIONS FOR SCHEDULE U5

KENTUCKY UNITARY COMBINED APPORTIONMENT  
& ALLOCATION SCHEDULE

**General**—A corporation that is taxable in this state and another state must apportion and allocate net income to Kentucky per KRS 141.120. A pass-through entity doing business within and without the state must compute an apportionment fraction per KRS 141.206(11)(b). Public service companies (defined in KRS 136.120) and financial organizations (defined in KRS 141.120(1)(c)) must apportion and allocate net income per KRS 141.121(5). The apportionment fraction for a Provider, as defined in KRS 141.121, continues to be calculated using a three (3)-factor formula as provided in KRS 141.901 for tax years beginning on or after January 1, 2018. Regulatory guidance on the sourcing of receipts in accordance with KRS 141.120 has been provided in 103 KAR 16:270. Visit <https://legislature.ky.gov/Law/kar/Pages/default.aspx> to view this regulation along with the latest on regulatory proposals.

A corporation must use the statutory formula unless the corporation has been required or granted approval in writing by the Department of Revenue to use an alternative method per KRS 141.120(12) or the corporation qualifies for and elects an alternative apportionment per KRS 141.121(4). A copy of the letter from the Department of Revenue requiring or granting approval to use a method other than the statutory formula or a statement electing an alternative apportionment method per KRS 141.121(4) must be attached to the return when filed.

**General information**—Enter the name, Federal Identification Number, and the Kentucky Corporation/ LLET account number of the designated filer of the combined return.

**NOTE: The Combined Totals column should reflect the total amounts for the entire combined group, not just the group members recorded on a single page. If a return contains multiple pages of the schedule, the Combined Totals figures should match on each page.**

**Specific Instructions**

Enter the name and FEIN for the designated filer and each member of the group included in the unitary combined return. If there are more than three (3) members of the group, use more than one (1) Schedule U5.

**Check the box and complete Schedule U6 if the corporation is a partner or member of a limited liability pass-through entity or general partnership doing business in Kentucky.** Per KRS 141.121(6), a corporation: (a) That owns an interest in a limited liability pass-through entity; or (b) That owns an interest in a general partnership shall

include the proportionate share of receipts of the limited liability pass-through entity or general partnership when apportioning income. The phrases "an interest in a limited liability pass-through entity" and "an interest in a general partnership" shall extend to each level of multiple-tiered pass-through entities.

**Section A**

**Line 1**—Enter the combined totals column amount from Schedule U4, Line 34.

**Line 2**—Enter any income, less any expense or loss, other than the apportionable income of the combined group.

**Line 3**—Subtract Line 2 from Line 1 to calculate the combined group's Kentucky apportionable income or loss from the unitary business.

**Line 4**—If applicable, enter the 3-factor apportionment code for each member that is a provider in each column. If the entity is a provider as defined in KRS 141.121(1)(e), enter one of the following two-digit codes in the space provided. The apportionment fraction for a provider continues to be calculated using a 3-factor formula as provided in KRS 141.901 for tax years beginning on or after January 1, 2018. Failure to include a valid code will delay the processing of the tax return and may result in a tax notice for assessment of taxes and penalties.

**Providers should figure their apportionment factor using Schedule A and attach a copy to the Form 720U. The property and payroll factors of all members of the combined group should be included in the denominator of each provider member's apportionment calculation.**

REASON CODE	PROVIDER BUSINESS
31	Communications service as defined in KRS 136.602;
32	Cable service as defined in KRS 136.602;
33	Internet service as defined in 47 U.S.C. sec. 151; or
34	Other (attach statement)

**Lines 5(a), 5(c), 6(a) and 6(c)—Receipts**—Total receipts include all gross receipts, other than non-apportionable receipts. Receipts of tangible personal property sales are assigned to Kentucky if the property is delivered or shipped to a purchaser in Kentucky, regardless of the f.o.b. point or other conditions of sale. Receipts of tangible personal property sales to the U.S. government are assigned to Kentucky if the property is shipped from Kentucky.

KRS 141.120(11) provides that receipts other than receipts of tangible personal property sales are assigned to Kentucky if the taxpayer's market for the sales is in Kentucky.

The following are general guidelines for assigning receipts to Kentucky, but should not be considered all-inclusive. Receipts are assigned to Kentucky in the following instances:

- A. Real property that is sold, rented, leased, or licensed to the extent the property is located in Kentucky.
- B. Tangible personal property that is rented, leased, or licensed to the extent the property is located in Kentucky.
- C. A service that is provided to the extent the service is delivered to a location in Kentucky.
- D.
  1. Intangible property that is rented, leased, or licensed if and to the extent the property is used in Kentucky, provided that intangible property utilized in marketing a good or service to a customer is used in Kentucky if that good or service is purchased by a consumer who is in Kentucky; and
  2. Intangible property that is sold, if and to the extent the property is used in Kentucky, provided that:
    - i. A contract right, government license, or similar intangible property that authorizes the holder to conduct a business activity in a specific geographic area is used in this state if the geographic area includes all or part of this state;
    - ii. Receipts from intangible property sales that are contingent on the productivity, use, or disposition of the intangible property shall be treated as receipts from the rental, lease, or licensing of the intangible property under KRS 141.120(11)(a)4.a.; and
    - iii. All other receipts from a sale of intangible property shall be excluded from the numerator and denominator of the receipts factor.

**Receipts Factor**—For members that are not providers, the taxpayer member's apportionment fraction, as determined under KRS 141.120, includes the taxpayer's sales associated with the combined group's unitary business in this state in the sales factor numerator, and the sales of all members of the combined group, including the sales of the taxpayer member, associated with the

combined group's unitary business wherever located in the denominator. **KRS 141.202(6)(b)**

**Line 5(a)**—Enter Kentucky receipts of each member, including provider members. Members that are exempt from Kentucky's corporate income tax (through operation of P.L. 86-272 or other exemption) should not include their Kentucky receipts on this line. Members exempt from Kentucky's corporate income tax should report a 0% apportionment factor.

**Line 5(b)**—Enter member's intercompany eliminations.

**Line 5(c)**—Enter the member's (including provider member's) share of Kentucky receipts of pass-through entities from Schedule U6, Column K. Attach Schedule U6 to the Form 720U.

**Line 5(d)**—Add Line 5(a) less Line 5(b) plus Line 5(c) to calculate Kentucky receipts.

**Line 6(a)**—Enter the total receipts of each member, including provider members.

**Line 6(b)**—Enter member's intercompany eliminations.

**Line 6(c)**—Enter the member's (including provider member's) share of total receipts of pass-through entities from Schedule U6, Column I. Attach Schedule U6 to the Form 720U.

**Line 6(d)**—Add Line 6(a) less Line 6(b) plus Line 6(c) to calculate total receipts.

**Line 7**—Divide Line 5(d) of each column by Line 6(d) of the CombinedTotals Column (round to the fourth decimal place) to calculate each member's apportionment factor. Each 3-factor apportionment member should complete a separate Schedule A and enter the apportionment fraction from Schedule A, Part I, Line 12 here and attach a copy to the 720U.

## Section B

**Line 1**—Enter the amount from Section A, Line 3. This is the combined group's Kentucky apportionable income or loss from the unitary business.

**Line 2**—Enter the Kentucky charitable contribution deduction of the combined group. To determine the contribution deduction for Kentucky purposes, the percentage limitations per IRC Sec. 170 must be applied using the group's combined Kentucky apportionable income. If the contribution deduction is the same for both federal and Kentucky, do not make an entry on this line. Any contribution amounts remaining after applying the limitation are treated as a nonapportionable expense allocable to the member that incurred the expense,

subject to IRC limitations (see Sch U5, Section D, Line 4).

**Line 3**—Subtract Line 2 from Line 1 to calculate the combined group's apportionable income or loss after the charitable contribution deduction.

**Line 4**—Multiply Line 3 by the apportionment factor from Section A, Line 7, for each member, to calculate the member's Kentucky taxable share of the combined group's apportionable income or loss.

**Section C—Nonapportionable Income and Allocation (if applicable)**

Apportionable income arises from transactions and activities in the regular course of the corporation's trade or business and includes income from tangible and intangible property if the acquisition, management, or disposition of the property is or was related to the operation of the taxpayer's trade or business.

Classifying income by categories (such as interest, rents, royalties, and capital gains) does not determine whether income is apportionable or non-apportionable. For example, gain or loss recognized on the sale of property may be apportionable income or non-apportionable income depending upon its relationship to the corporation's trade or business.

Non-apportionable income means all income other than apportionable income less all direct or indirect expenses attributable to the production of this income. Rents and royalties from real or tangible personal property, capital gains, interest, or patent or copyright royalties, to the extent that they constitute nonapportionable income, shall be allocated as provided in KRS 141.120 (5) through (8).

**NOTE:** Provider members use Schedule U5, Section C to determine their non-apportionable income, not Schedule A.

**Nonapportionable Income or Loss**

**Line 1(a)**—Enter the total nonapportionable interest for each member.

**Line 1(b)**—Enter the total nonapportionable rents for each member.

**Line 1(c)**—Enter the total nonapportionable royalties for each member.

**Line 1(d)**—Enter the total net gain or loss on sale or exchange of capital assets for each member.

**Line 1(e)**—Add Lines 1(a) through 1(d) and enter the total.

**Line 1(f)**—Enter expenses related directly or indirectly to the acquisition, management, or disposition of assets that contribute to the production of non-apportionable income. Attach a schedule.

**Line 2**—Subtract Line 1(f) from Line 1(e) to calculate the net nonapportionable income or loss for each member and the combined group's total. The combined totals amount should match the amount reported on Section A, Line 2.

**Kentucky Nonapportionable Income or Loss**

**Line 3(a)**—Enter the Kentucky nonapportionable interest for each member.

**Line 3(b)**—Enter the Kentucky nonapportionable rents for each member.

**Line 3(c)**—Enter the Kentucky nonapportionable royalties for each member.

**Line 3(d)**—Enter the Kentucky net gain or loss on the sale or exchange of capital assets for each member.

**Line 3(e)**—Add Lines 3(a) through 3(d) and enter the total.

**Line 3(f)**—Enter Kentucky expenses related directly or indirectly to the acquisition, management, or disposition of assets that contribute to the production of Kentucky nonapportionable income. Attach a schedule.

**Line 4**—Subtract Line 3(f) from Line 3(e) to calculate the Kentucky net nonapportionable income or loss for each member.

**Line 5**—Enter the income or loss of any distinct business activity conducted wholly by the taxpayer member separately apportioned. Attach statement of explanation to the 720U.

**Section D**

**Line 1**—Add Section C, Lines 4 and 5 and Schedule U7, Section A, Line 9 to calculate each member's net nonapportionable and separately apportioned income or loss.

**Line 2**—Enter the amount from Section B, Line 4. This is the member's Kentucky taxable share of the combined group's apportionable income or loss.

**Line 3**—Add Lines 1 and Line 2 to calculate each member's net income or loss.

**Line 4**—Enter the charitable contribution deduction remaining to be allocated to each member. This is calculated by figuring each group member's pro rata

share of the combined group's total remaining charitable contribution amount after the deduction on Section B, Line 2. The pro rata share of each member is treated as a nonapportionable expense allocable to the member that incurred the expense, subject to the IRC Sec. 170 income limitations applied to the nonapportionable income of that member. Any disallowed amounts can be carried forward.

Any carryover deduction shall be treated as originally incurred in the subsequent year by the same member.  
**KRS 141.202(8)(f)**

**Line 5**—Subtract Line 4 from Line 3 to calculate taxable net income or loss for each member.

**Line 6**—Enter the net operating loss deduction for each member from Schedule U10, Section D, Line 16. See KRS 141.202(5)(c)1.—4.

**Line 7**—Subtract Line 6 from Line 5 to calculate taxable net income or loss after NOLD for each member.

**Line 8**—Multiply Line 7 by 5% to calculate the income tax due for each member.

**Enter the sum of all columns in the Combined Totals column. The Combined Totals column should reflect the totals for the entire group, not just the members listed on a particular page.**

## INSTRUCTIONS FOR SCHEDULE U6

**Purpose of Schedule**—This schedule is used to calculate the distributive share of a pass-through entity's income that is to be included in the apportionable income of a member of a combined group, and to calculate the share of the receipts of a pass-through entity to be included in the apportionment calculation of a member of the combined group.

KRS 141.202(6)(b) states that the apportionment factor of a taxpayer member of a combined group includes the apportioned share of the sales of any pass-through entity of which the taxpayer member is a partner, member, or shareholder. KRS 141.202(8)(d) requires a corporation that is a member of a unitary group that receives distributive share income from a pass-through entity to include such income in the group's income to the extent that such income is derived from the unitary business.

**General information**—Enter the name, Federal Identification Number, and the Kentucky Corporation/LLET account number of the designated filer of the combined return.

**Column A**—Enter the name of the pass-through entity that derives income from its participation in the unitary business.

**Column B**—Enter the FEIN of the pass-through entity.

**Column C**—Enter the name of the corporate member of the combined group that is a partner, member, or shareholder of the pass-through entity.

**Column D**—Enter the FEIN of the corporate partner, member, or shareholder.

**Column E**—Enter the partner, member, or shareholder corporation's distributive share of the pass-through entity's unitary income included in the income of the combined group.

**Column F**—Enter the total amount of the pass-through entity's unitary income.

**Column G**—Divide the amount in Column E by the amount in Column F.

**Column H**—Enter the total receipts of the pass-through entity related to the unitary business.

**Column I**—Multiply the amount from Column G by the amount in Column H. This is the amount of the pass-through entity's unitary receipts that the corporate partner, member, or shareholder must include in the denominator of its receipts factor calculation on Schedule U5, Section A, Line 6(b).

**Column J**—Enter the pass-through entity's Kentucky apportionment factor from the Kentucky Schedule K-1.

**Column K**—Multiply the amount from Column I by the factor in Column J. This is the amount of the pass-through entity's unitary receipts that the corporate partner, member, or shareholder must include in the numerator of its receipts factor calculation on Schedule U5, Section A, Line 5(b).

## INSTRUCTIONS FOR SCHEDULE U7

### KENTUCKY UNITARY COMBINED NET GAINS AND LOSSES

**Purpose of Schedule**—This schedule is used to calculate the amounts of apportioned and allocated net gains and losses to be included in the taxable net income of the members of a combined group.

KRS 141.202(8)(g) requires gain or loss from the sale or exchange of capital assets, property described by Section 1231(a)(3) of the IRC, and property subject to an involuntary conversion to be removed from the total separate net income of each member of a combined group and apportioned and allocated separately. Apportionable and allocable amounts within each class of gain/loss should be netted using the rules of Sections 1231 and

1222 of the IRC. **Note:** A member that is exempt from income tax via P.L. 86-272 should multiply the amount on Line 1, Line 2, Line 3, and Line 4 by a 0% Kentucky apportionment fraction.

Apportionable gains and (losses) reported on Line 1 and Line 2 and non-apportionable gains and (losses) reported on Lines 5(b) and 6(b) should be calculated using Kentucky basis and reported on Kentucky Schedule D. Apportionable gains and (losses) reported on Line 3 and Line 4 and non-apportionable gains and (losses) reported on Line 7(b) and 8(b) should be calculated using Kentucky basis and reported on Kentucky Form 4797.

**Line 5(b)**—Enter the nonapportionable amount of short term capital gains or (losses) allocated to Kentucky.

**Line 5(c)**—If the taxpayer member belongs to another combined group, enter the member's apportioned net short term capital gains or (losses) from Schedule U7, Line 5(a) from the other group's combined return.

**Line 5(d)**—Add Lines 5(a) through 5(c) to calculate the taxpayer member's total net short term capital gain or (loss).

**Line 6(a)**—Multiply the amount in Line 2 by each taxpayer member's separately calculated apportionment factor from Schedule U5, Section A, Line 7.

**Line 6(b)**—Enter the nonapportionable amount of long term capital gains or (losses) allocated to Kentucky.

**Line 6(c)**—If the taxpayer member belongs to another combined group, enter the member's apportioned net long term capital gains or (losses) from Schedule U7, Line 6(a) from the other group's combined return.

**Line 6(d)**—Add Lines 6(a) through 6(c) to calculate the taxpayer member's total net long term capital gain or (loss).

**Line 7(a)**—Multiply the amount in Line 3 by each taxpayer member's separately calculated apportionment factor from Schedule U5, Section A, Line 7.

The resulting Kentucky-sourced income or loss (if the loss is not subject to the limitations of Section 1211 of the IRC) should be entered on this line and added to the amount reported for net nonapportionable and separately apportioned income on Schedule U5, Section D, Line 1. **Note: A member's Kentucky-sourced loss that is subject to the limitations of Section 1211 of the Internal Revenue Code is a short term capital loss and may be carried forward by the member that incurred the loss.**

## INSTRUCTIONS FOR SCHEDULE U8

**Purpose of Schedule**—This schedule is used to compute the limited liability entity tax (LLET) for members of a combined group. If a member of a combined group is a partner, member, or shareholder of a limited-liability pass-through entity or general partnership doing business in Kentucky, complete Schedule L-C, Limited Liability Entity Tax Continuation Sheet before completing this schedule. KRS 141.0401(2) requires every corporation and every limited liability pass-through entity doing business in Kentucky to pay a LLET on all Kentucky gross receipts or Kentucky gross profits, unless the entity is exempt from LLET per KRS 141.0401(6).

**Short-Period Computation of LLET**—For short-period returns, annualizing gross receipts or gross profits is not permitted. A minimum \$175 is due per taxable year. Taxable year is defined as the period for which a return is made. **KRS 141.010(36)**

**Note: Public Law 86-272 does not protect companies from LLET liability. If a member of the combined group is excluded from the income tax calculations on the combined return because it is protected by P.L. 86-272, it may still be subject to LLET if it is doing business in Kentucky as defined by KRS 141.010(13).**

**General information**—Enter the name, Federal Identification Number, and the Kentucky Corporation/LLET account number of the designated filer of the combined return.

In each column heading, enter the name and FEIN of a member of the combined group doing business in Kentucky.

### Section A—Kentucky Receipts

**Line 1(a)**—Enter member's intercompany eliminations.

**Line 2**—Enter the member's share of total additional Kentucky gross receipts from Schedule L-C, Section A, Column B, Line 2 from the limited liability pass-through entity(ies) or general partnership(s) doing business in Kentucky of which the member is a partner, member, or shareholder.

**Line 3**—Line 1 less Line 1(a) plus Line 2. This is Total Kentucky gross receipts net of intercompany eliminations.

**Line 4**—Enter the member's Kentucky Cost of Goods Sold from Schedule COGS, Column A, Line 8. For an entity engaged in activities other than manufacturing, producing, reselling, retailing, or wholesaling, no cost of goods sold deduction can be claimed. **KRS 141.0401(1)(d)**

## INSTRUCTIONS FOR SCHEDULE U10

**Purpose of Schedule**—This schedule is used to compute the amount of Kentucky net operating loss (NOL) deduction that can be utilized by taxpayer members of a combined group and the NOL amounts that can be carried forward to succeeding tax periods.

KRS 141.202(5)(c) allows taxpayer members of a combined group to utilize Kentucky NOL deductions

against the amount of taxable income derived from the unitary business apportioned to this state, provided the group member was doing business in Kentucky in the year the loss was incurred. It also allows other taxpayer members of the combined group to deduct losses incurred by another taxpayer member of the group in certain situations. Under KRS 141.202(5)(c)2., the taxpayer member may share the net operating loss carryover with other taxpayer members of the combined group if the other taxpayer members were members of the combined group in the tax year that the loss was incurred. Furthermore, utilization of one taxpayer member's NOL by another taxpayer member is subject to a 50% limitation if the loss was incurred in a taxable year prior to the first year in which a combined return was required, per KRS 141.202(5)(c)3., or in a taxable year in which the taxpayer member that incurred the loss was not a member of the combined group, per KRS 141.202(5)(c)4.

Net operating losses generated in tax years beginning after December 31, 2017, may only offset up to 80% of taxable income, but any unused amounts are available for carryforward indefinitely per IRC Sec. 172.

**NOTE: If any members of the combined group were included in a Kentucky consolidated nexus group in 2018 or earlier with an NOL carryforward amount, the amounts of any unused NOL carryforward must be calculated on a post-apportionment basis and assigned pro rata to the loss corporations in the nexus group in the year the loss was generated. See 103 KAR 16:250 for further instructions and examples.**

**General information**—Enter the name, Federal Identification Number, and the Kentucky Corporation/LLET account number of the designated filer of the combined return. In each column heading, enter the name and FEIN, and the Kentucky Corporation/LLET account number of each taxpayer member.

As a Kentucky taxpayer, you have the right to expect the DOR to honor its mission and uphold your rights every time you contact or are contacted by the DOR.

Some Kentucky taxpayer rights are very specific, such as when and how to protest a Notice of Tax Due or the denial of a refund. Others are more general.

The following is a summary of your rights and the DOR's responsibilities to you as a Kentucky taxpayer.

## RIGHTS OF TAXPAYER

### Privacy

You have the right to privacy with regard to information you provide pertaining to returns, reports, or the affairs of your business.

### Assistance

You have the right to advice and assistance from the DOR in complying with state tax laws.

### Explanation

- ✓ basis of assessment of additional taxes, interest and penalties, or the denial or reduction of any refund or credit claim;

If you file a timely protest, you have a right to a conference to discuss the matter. If you are not satisfied with the Department's final ruling following your protest, you may appeal the final ruling to the Kentucky Board of Tax Appeals, pursuant to KRS 131.110(5) and KRS 49.220 et. seq. (See reverse for procedure to file a protest.)

See Form 20A100.

### Recordings

### Consideration

You have the right to consideration of:

- ✓ waiver of penalties or collection fees if "reasonable cause" for reduction or waiver is given ("reasonable cause" is defined in KRS 131.010(9) as: "an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the department pursuant to law or administrative regulation");
- ✓ installment payments of delinquent taxes, interest, and penalties;
- ✓ waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the DOR if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;

- ✓ publish clear and simple statements to explain tax procedures, remedies, your rights and obligations, and the rights and obligations of the DOR;
- ✓ notify you in writing when an erroneous lien or levy is released and, if requested, notify major credit reporting companies in counties where lien was filed;

- ✓ advise you of procedures, remedies, and your rights and obligations with an original notice of audit or when an original Notice of Tax Due is issued, a refund or credit is denied or reduced, or whenever a license or permit is denied, revoked, or canceled;
- ✓ notify you in writing prior to termination or modification of a payment agreement;
- ✓ furnish copies of the agent's audit workpapers and a written narrative explaining the reason(s) for the assessment;
- ✓ resolve tax controversies on a fair and equitable basis at the administrative level whenever possible;

- ✓ notify you by certified mail 20 days prior to submitting your name to the relevant agency for the revocation or denial of professional license, driver's license, or motor vehicle registration.

**PROTEST AND APPEAL PROCEDURE**

**Protest**

If you receive a Notice of Tax Due, or if the DOR notifies you that a tax refund has been reduced or denied, or the DOR denies your request for additional time to file a supporting statement, you have the right to protest. To do so:

- ✓ submit a written protest within 60 days from the original notice date (or 45 days if the original notice date is prior to 07/01/2018); notice of refund reduction or denial, or denial of a request for additional time to file a supporting statement;
- ✓ identify the type of tax involved and give the account number, Social Security number, or other identification number and attach a copy of the DOR Notice of Tax Due or refund denial to support that your protest is timely;
- ✓ explain why you disagree;
- ✓ attach any proof or documentation available to support your protest or request additional time to support your protest;
- ✓ sign your statement, include your daytime telephone number and mailing address; and
- ✓ mail to the Kentucky Department of Revenue, Frankfort, Kentucky 40620.

**Conference**

You have the right to request a conference to discuss the issue.

**Final Ruling**

If you do not want to have a conference or if the conference did not resolve your protest, you have the right to request a final ruling of the DOR so that you can appeal your case further.

**Appeal**

If you do not agree with the DOR's final ruling, you can file a written appeal with the Kentucky Board of Tax Appeals. If you do not agree with the decision of the Kentucky Board of Tax Appeals, you have the right to appeal their ruling to the Kentucky courts (first to the circuit court in your home county or in Franklin County, then to the Kentucky Court of Appeals, and finally to the Kentucky Supreme Court).

**NOTE:** The above protest and appeal procedures do not apply for real property which is valued by the local property valuation administrator (PVA). Contact the local PVA for information about how to appeal the valuation of real property.

**TAXPAYER OMBUDSMAN**

The DOR has a Taxpayer Ombudsman whose job is to serve as an advocate for taxpayers' rights. One of the main functions of the Ombudsman is to ensure that your rights as a Kentucky taxpayer are protected.

Also, an important function of the Taxpayer Ombudsman is to confer with DOR employees when you have a problem or conflict that you have been unable to resolve. However, it is not the role of the Ombudsman to intercede in an audit,

handle a protest, waive taxes, penalty or interest, or answer technical tax questions. To file a protest, see PROTEST AND APPEAL PROCEDURE. Please do not mail your protest to the Ombudsman.

The Taxpayer Ombudsman is your advocate and is there to make sure your rights are protected. If you think you are not being treated fairly or if you have a problem or complaint, please contact the Ombudsman for assistance.

The Taxpayer Ombudsman may be contacted by telephone at 502-564-7822 (between 8:00 a.m. and 5:00 p.m. weekdays). The mailing address is: Department of Revenue, Taxpayer Ombudsman, 501 High Street, Station 1, Frankfort, Kentucky 40601.
