

**INSTRUCTIONS FOR FILING  
ESTIMATED TAX VOUCHERS****2022**

**WHAT'S NEW FOR 2022**—The standard deduction will increase to **\$2,770.00** for 2022. Individuals, estates, or trusts who electronically file their return will now have the option to have their estimated tax payment(s) debited from their bank account.

**WHO MUST MAKE PAYMENTS**—Individuals, estates, or trusts who can reasonably expect to have income of more than \$5,000 from which no Kentucky income tax will be withheld may be required to make estimated tax payments as required by KRS 141.305. Payments may be made through withholding, a credit forward from the previous year's income tax return or estimated tax payments. The worksheet on the reverse should be used to determine the amount which should be paid through estimated tax payments. **If the amount of estimated tax for the year is \$500 or less, no payment is required.**

**General Rule**

In most cases, you must pay estimated tax for 2022 if both of the following apply.

- 1 You expect to owe at least \$500 in tax for 2022, after subtracting your withholding and refundable credits.
- 2 You expect your withholding and refundable credits to be less than the smaller of:
  - (a) 90% of the tax to be shown on your 2022 tax return; or
  - (b) 100% of the tax shown on your 2021 tax return. Your 2021 tax return must cover all 12 months.

Note: These percentages may be different if you are a farmer, fisherman, or higher income taxpayer. See *Special Rules*.

**EXCEPTION**—You don't have to pay estimated tax payments for 2022 if you had no Kentucky tax liability for the full 12-month 2021 tax year. You had no liability for 2021 if your total tax was zero or you didn't have to file a Kentucky tax return.

**SPECIAL RULES**

There are special rules for farmers, fisherman, and certain higher income taxpayers.

**FARMERS AND FISHERMAN**—If at least two-thirds of your gross income for 2021 or 2022 is from farming, substitute 66 <sup>2</sup>/<sub>3</sub>% for 90% in (2a) under *General Rule*.

**HIGHER INCOME TAXPAYERS**—If your Kentucky adjusted gross income for 2021 was more than \$150,000 (\$75,000 if your filing status for 2022 is married filing separately), substitute 110% for 100% in (2b) under *General Rule*. This rule does not apply to farmers.

**FAMILY SIZE TAX CREDIT**—The Family Size Tax Credit is based on modified gross income (MGI) and the size of the family. If your total MGI is \$35,245 or less you may qualify for Kentucky Family Size Tax Credit.

**Note:** This credit is not applicable to fiduciary returns.

"Modified gross income" used to calculate the Family Size Tax Credit means the greater of:

Federal adjusted gross income adjusted to include interest income derived from municipal bonds (non-Kentucky) and lump-sum pension distributions not included in federal adjusted gross income;

**OR**

Kentucky adjusted gross income adjusted to include lump-sum pension distributions not included in federal adjusted gross income.

**PASS-THROUGH ENTITIES AND INDIVIDUAL OWNERS OF DISREGARDED SINGLE MEMBER LLCs**

—All pass-through entities and individual owners of disregarded single member LLCs that file on Schedules C, E or F for federal income tax purposes are treated the same for Kentucky income tax purposes as they are treated for federal income tax purposes except for the differences between Kentucky law and federal law. Individuals with income from pass-through entities or disregarded single member LLCs that file Schedule C, E or F for federal income tax purposes may be required to make individual estimated tax payments.

**WHEN TO PAY**—Taxpayers may pay the full amount of estimated tax in one payment on the earliest applicable due date, or they may pay in installments. Installments for calendar year 2022 are due April 18, June 15, September 15, 2022, and January 17, 2023. Any credit from a 2021 income tax return should be applied to the amount owed before any payments are made. Installment payments should not be made until the amount of the credit has been used. A voucher should be filed only when a payment is required.

**FARMERS AND FISHERMAN**—If at least two-thirds of your gross income for 2021 or 2022 is from farming or fishing, you can do one of the following:

- Pay all of your estimated tax by January 17, 2023.
- File your 2022 Form 740 or Form 740-NP by March 1, 2023, and pay the total tax due. In this case, 2022 estimated tax payments aren't required to avoid a penalty.

**ANNUALIZED INCOME INSTALLMENTS**—If you receive your income unevenly throughout the year (for example, because you operate your business on a seasonal basis or you have a large capital gain late in the year), you may be able to lower or eliminate the amount of your required estimated tax payment for one or more periods by using the annualized income installments method. See chapter 2 of federal publication 505 for details.

Period When Estimate Required or Change Occurs	Due Date	Number of Equal Installments
January 1–April 1	April 18, 2022	4
April 2–June 1	June 15, 2022	3
June 2–September 1	September 15, 2022	2
September 2–December 31*	January 17, 2023	1

\*If the change occurs after September 1, 2022, the voucher is not required if the 2022 Kentucky income tax return is filed and the tax shown to be due is paid on or before January 31, 2023.

**Failure to make required estimated installments by the specified dates may result in penalty due.**

**FISCAL YEAR FILERS**—If you pay tax for a fiscal year instead of a calendar year, your due date is the 15th day of the fourth, sixth and ninth months of your fiscal year and the 15th day of the first month of the following fiscal year.

**PENALTY FOR UNTIMELY ESTIMATED PAYMENT**—Failure to pay estimated tax installments on or before the due date will result in assessment of penalty on the late payment. This penalty will be calculated using the rate provided by KRS 131.183.

**HOW TO USE ESTIMATED TAX VOUCHERS**—Enter your name, address and Social Security number(s)/FEIN in the spaces provided. In the payment block, enter the amount of payment. Do not enter amounts paid through a credit from a previous year.

**HOW TO PAY**—You may pay your estimated tax installments using the following options:

- Pay by check using Form 740-ES. Make check payable to Kentucky State Treasurer, and write your Social Security Number on the face of the check. If you chose to pay your first installment with Form 740, please prepare a separate check for the amount shown on the Form 740-ES voucher and include the voucher marked "Installment 1".
- Form 8879-K, you may authorize the Kentucky Department of Revenue to debit all four of your installments on the dates due. This option must be initiated at the time of the filing and is only available for electronic filers.
- Pay by ACH debit, you may access the Department of Revenue's secure website [revenue.ky.gov](http://revenue.ky.gov).
