

Form R-6982, *Schedule of Tax Paid if Paid by Owner*, must be attached to the CIFT-620 of the entity that made the pass-through entity tax election. As required by Louisiana Administrative Code 61:I.1001(C)(3)(c), the form reflects how much tax would have been due if the entity had passed the income through to its owners and the tax had been paid at the owner level.

To calculate the LA income tax that would have been paid by the owner, calculate the tax at the following rates:

- a. two percent upon the first \$16,000 of Louisiana taxable income (The first \$25,000 is reduced by the combined personal exemption-standard deduction for married individuals of \$9,000);
- b. four percent upon the amount of Louisiana taxable income above \$25,000 but not in excess of \$100,000; and
- c. six percent upon the amount of Louisiana taxable income above \$100,000.

Taxes paid on this return (Line 2 of CIFT-620)
