2020 Tax Software Provider State of Maine/Maine Revenue Services Letter of Intent

By submitting this Letter of Intent (LOI) to **State of Maine/Maine Revenue Services**, you are agreeing to meet our standards for software provider registration, all tax preparation software, and substitute forms.

Failure to meet the standards or requirements set forth in this LOI may result in the denial of your application or the removal of your organization as an approved software provider, and the rejection of all electronic or paper returns submitted using your products.

You must complete a separate LOI form for each unique product your company offers. If you submit an incomplete form, your request to participate in electronic or paper submissions may be denied.

This form must be completed and submitted to Efile Helpdesk, Efile.Helpdesk@maine.gov no later than January 1, 2021.

Rebranded software products

Complete this section only if your product is rebranded.

In order for the software to be considered rebranded, changes cannot be made to the software requirements and output(s). As the Software company selling and/or licenses your product to a third-party, it is your responsibility to make sure the rebranded product reflects the current software requirements and output(s). Enter the appropriate class code for the rebranded product in class code box below.

- **Class Code 1:** Software products sold/licensed to a third-party user and the third-party user has the ability to add their own logos and/or splash screens. They cannot modify calculations in the program.
- **Class Code 2:** Software products sold/licensed to a third-party user and the third-party has the ability to alter/change calculations in the program.

[Agency requirements](#)

This section identifies agency requirements expectations for communicating information to users of the software product.

Issue notification and resolution requirements

This section represents the **State of Maine/Maine Revenue Services** issue notification and issue resolution standards.

Issue notification-When the Industry Partner finds an issue within their software, they should notify Maine Revenue Services within 48 hours of the finding. We also would like to know how this issue is communicated to the customer using the software.

Resolution requirements- When there is an issue found within a software product and we reach out to the Industry Partner we suggest a resolution to be done within 48 hours. If more time is needed, please notify Maine Revenue as to when this issue will be resolved.

Production return submission requirements

All returns generated from this software must be electronically filed or printed from the initially approved software or a subsequent product update.

Product update requirements

Users/customers of desktop products who attempt to file 10 or more business days after a production release, must be required to download and apply the product update.

Schema requirements

Your software must adhere to the schema requirements included in the authentication and return header. Agency schema information and requirements can be found on the State Exchange System website.

Testing and submission requirements

All e-file ATS and substitute forms tests submitted during the approval process must be created in, and originate from, the actual software.

System security requirements

You are responsible for implementing appropriate security measures to protect taxpayers and their information in your system. This includes but is not limited to when it is on-line, off-line, at rest, and in transit. The **State of Maine/Maine Revenue Services** does not prescribe the security requirements for your system. Cyber security resources such as the National Institute of Standards and Technology or the Department of Defense Security Technical Implementation Guide are examples of national resources available to assist you with this process.

Validation of specific data element requirements

This section represents **State of Maine/Maine Revenue Services** requirements for validation of specific data elements. List the pre-populated data elements the taxpayer and/or tax professional must validate prior to completing the tax return.

Customer Communications

This section identifies information **State of Maine/Maine Revenue Services** is requiring the software providers to communicate with customers.

Disclosure and use of information language expectations

The following consent language must be added to electronic filing software to notify the user.

For Do-It-Yourself software:

By using a computer system and software to prepare and transmit return(s) electronically, I consent to the disclosure of all information pertaining to my use of the system and software to the **State of Maine/Maine Revenue Services** as applicable by law, and to the transmission of my tax return(s).

For Tax Professional software:

By using a computer system and software to prepare and transmit my client's return electronically, I consent to the disclosure of all information pertaining to my use of the system and software to create my client's return and to the electronic transmission of my client's tax return to the **State of Maine/Maine Revenue Services** as applicable by law.

For Business software:

By using a computer system and software to prepare and transmit this business return electronically, I consent to the disclosure of all information pertaining to the user of the system and software to create this business return and to the electronic transmission of this business tax return to **State of Maine/Maine Revenue Services**.

Driver's license/ID card expectations

State of Maine/Maine Revenue Services is providing the following expectations and information:

For e-file returns:

- Maine Revenue Services would appreciate receiving the DL/ID Card Information with the tax return, but it is not required

For printed/paper forms requesting the DL/ID Card information:

- Maine Revenue does not require the full DL/ID Card Information on the form(s)

Refund expectations

State of Maine/Maine Revenue Services is providing a URL and/or a statement about refund processing. Industry partners must use this statement and/or URL or other method prescribed by the agency in all products. The messages must be shown to end users within the software in a way to maximize the likelihood the message is read.

URL: <https://portal.maine.gov/refundstatus/refund>

Statement: Refund status is updated twice a week on Tuesday and Friday evenings

Taxes due expectations

State of Maine/Maine Revenue Services is providing a URL and/or a statement about taxes due, such as due dates and payment methods.

Industry partners must use this statement and/or URL or other method prescribed by the agency in all products. The messages must be shown to end-users within the software in a way to maximize the likelihood the message is read.

Statement: Estimate payments and ACH payments CANNOT be cancelled by the State of Maine once the return has been submitted.

Agency questions

1. Do you support unlinked jurisdictional returns?

- a. Yes
- b. No

2. What refund products or payment vehicles do you offer your customers? If you partner with an entity to provide refunds (e.g. Amazon.com or other pre-paid cards), please provide the names and bank routing numbers (RTNs) of each company. Attach a separate sheet if necessary.

3. Please provide the main contact names, phone numbers, and email addresses of the refund products or payment vehicles offered to your customers. Please attach an additional sheet if necessary.
