Maine EZ Pay

Pay your income tax withholding electronically at www.maine.gov/revenue. Electronic payments eliminate the necessity of filing Form 941P-PV-ME (payment voucher for withholding for nonresident members of a pass-through entity).

Maine EZ Pay is an online application that allows Maine taxpayers to make payments online, quickly and easily. To avoid having to make payments earlier than necessary, payments may be scheduled in advance and will automatically be withdrawn on the payment date the taxpayer selects.

Taxpayers must pre-register online with personal and bank account information. Payments will be withdrawn from the checking or savings account that is set up in the registration. For more information, see www.maine.gov/revenue (click on Electronic Services).

Use this voucher only for Maine withholding for nonresident members of a pass-through entity that is due on your electronically filed tax return. **This voucher is not required if you have already paid electronically.**

Make checks payable to **Treasurer, State of Maine**. Mail your completed payment voucher and payment to:
Maine Revenue Services, P.O. Box 9101, Augusta, ME 04332-9101.
