

Gross Receipts Worksheet

Complete the appropriate parts below based on the person's organization type. Part 1 is for an Individual or Fiduciary; Part 2 is for a C Corporation (or a person filing federal returns as a C Corporation); and Part 3 is for a Partnership or S Corporation (or a person filing a federal return as a Partnership or an S Corporation). Parts 4 and 5 apply to all filers, independent of their organization type.

Gross receipts is not necessarily derived entirely from the federal return, however, this worksheet will calculate gross receipts as defined by law in most circumstances. Taxpayers and tax professionals are expected to be familiar with uncommon situations within their experience, which produce gross receipts not identified by specific lines on this worksheet, and report that amount on the most appropriate line. The Michigan Department of Treasury may adjust the figure resulting from this worksheet to account properly for such uncommon situations. Complete and attach this worksheet to your return. Unitary Business Groups (UBGs) must complete and attach a worksheet for each member.

Gross receipts, before applying the statutory exceptions, consists solely of positive amounts derived from transactions or events. Therefore, if any of the federal return items utilized in Part 1, Part 2 or Part 3 is a net result of both negative and positive transactions, it must be recalculated for use here by counting only the positive elements represented in that net figure.
