INSTRUCTIONS FOR INCOME APPORTIONMENT FORMULA — SCHEDULED

The income apportionment percentage is to be applied by NONRESIDENT partners to their distributive share of business income if business activity of the partnership is conducted both within and without the City of Detroit. In order to use the separate accounting method, permission must be requested in writing from the administrator not more than 90 days after the beginning of the taxpayer's year.

Line 1a, 2a, 3a: In line 1a, enter the average net book value of the real and tangible personal property owned and located in the City of Detroit. In line 2a, enter the average net book value of all real and tangible personal property owned by the business, regardless of location.

The average net book value of real and tangible personal property may be determined by adding the net book values at the beginning of the year and the net book values at the end of the year and dividing the sum by two. If this method will not properly reflect the average net book value of tangible property owned during the year, any other method that will accurately reflects it will be permitted.

Line 1b, 2b, 3b: In line 1b, enter the gross annual rent multiplied by 8 for rented real property located in the City of Detroit. In line 2b, enter the gross annual rent multiplied by 8 for all rented real property regardless of location.

Gross annual rent should include money and other consideration given for the use or possession of real property rented or leased, including public warehouse storage charges.

Line 1d, 2d, 3d: In line 1d, enter the amount of compensation paid to employees for work done or for services performed within the City of Detroit during the year. In line 2d, enter the total compensation paid to all employees during the year.

In line 1c, 2c, 3c, 4c, 5c, 6c, 7c, 8c, enter the amount of gross receipts from sales made or services rendered in the City of Detroit during the year. In line 2e, enter the total gross receipts from all sales made or services rendered during the year. Rental income is considered services rendered and is included in gross receipts.

Instructions for the computation of salaries, interest or guaranteed payments to be included in Schedule L, Column 3.
