

Instructions for Form 5323**2022 City of Detroit Income Tax Withholding Monthly/Quarterly Return****Purpose**

The purpose of this form is for an employer to file a City of Detroit Income Tax Withholding return and make payments on behalf of an employee. This form is used to make either monthly or quarterly payments, as applicable.

IMPORTANT: See the **2022** City of Detroit Income Tax Withholding Guide available online at www.michigan.gov/citytax for additional details on an employer's withholding obligations.

Due Date

Employers are required to file a return on a monthly or quarterly basis, and may elect to make their payments electronically or by paper check. Employers filing a paper return and making a payment by paper check should include payment with the return. Employers filing electronic payments must also file a return. Employers choosing to e-file the return and make a payment by paper check should include payment with a *City of Detroit Income Tax Withholding E-file Payment Voucher* (Form 5322). See Form 5322 for additional instructions.

Monthly returns: The *City of Detroit Income Tax Withholding Monthly/Quarterly Return* (Form 5323) and payments (if applicable) are due on the 15th day of the month following the month in which the tax was withheld.

Quarterly returns: Form 5323 and payments (if applicable) are due on the 15th day of the month following each quarter. **For the 2022 tax year, these due dates are April 15, July 15 and October 15, 2022, and January 15, 2023.**

Monthly and Quarterly filers are also required to file the *City of Detroit Income Tax Withholding Annual Reconciliation Return* (Form 5321). See Form 5321 for additional instructions.

NOTE FOR ALL TAXPAYERS: If the taxpayer inserts a "0.00" (zero) on any line for reporting withholding tax, the taxpayer is certifying that no tax is owed for that period. If it is determined that tax is owed, the taxpayer will be liable for the deficiency as well as penalty and interest. Form 5323 **must be filed** even if there is no tax liability for the period.

If filing of City Withholding tax is no longer required, Form 5321 must be completed to discontinue. See Form 5321 for additional instructions.

Electronic Filing

Filing of tax returns and payments electronically is accurate, convenient and secure. E-file returns have significantly less chance of error and are processed faster than paper returns. When e-filing, do not mail a paper copy of Form 5323, unless requested by Treasury to do so.
