

2023 City Estimated Income Tax for Individuals

Final Draft 8/26/2022

NOTE: If you are married and plan to file your annual return as “married, filing separately,” DO NOT use preprinted vouchers containing the Social Security Numbers (SSN) for both you and your spouse; separate vouchers and payments must be submitted for each filer.

Who Must File Estimated Tax Payments

You must make estimated income tax payments if you expect to owe more than \$100 when you file your City Income Tax Return. If you owe more than \$100, you may not have to make estimated payments if you expect your 2023 withholding to be at least 70 percent of the lesser of your total 2023 tax or your total 2022 tax.

The requirements to make estimated payments apply to both city residents and nonresidents with a city tax liability.

Do not submit this form for any quarter that you do not have estimated tax due.

Payment Due Dates

File a *City Estimated Individual Income Tax Voucher* (Form 5123) by April 18, 2023 and pay at least one-fourth (1/4) of the estimated tax. The remaining estimated tax is due in three equal payments on the following dates: June 15, 2023; September 15, 2023; and, January 16, 2024.

NOTE: You will *not* receive reminder notices. Visit www.michigan.gov/citytax to obtain a form or call 517-636-5829 to have tax forms mailed to you.

Personalized Forms

If you made estimated payments last year, Treasury will send you personalized vouchers. To protect your privacy, your personalized vouchers contain only the last 4 digits of your SSN. If you are married and plan to file your annual return as “married filing separately,” DO NOT use preprinted vouchers containing both your and your spouse’s SSNs; separate vouchers and payments must be submitted for each filer.

Personalized forms shorten the processing time of your payment and reduce the chance of an error in your account. Do not use personalized forms if information on the form is incorrect and **DO NOT USE ANOTHER TAXPAYER’S VOUCHER OR PHOTOCOPY ANOTHER TAXPAYER’S FORM.** If you do, your payments could be applied to the wrong account. If you lose a form or have not made estimated payments previously, visit

www.michigan.gov/citytax to obtain a form or call 517-636-5829 to have tax forms mailed to you.

How to Pay Estimated Tax

Mail Your Payment

Visit www.michigan.gov/citytax to obtain Form 5123. Do not use estimated payment vouchers intended for another taxpayer. If you have made estimated tax payments and do not owe more tax for the year, you still must file a tax return.

Make your check payable to “State of Michigan - Detroit”. Print the last four digits of your Social Security number and “2023 City Estimate” on the front of your check.

Mail your payment to:

**Michigan Department of Treasury
P.O. Box 30738
Lansing, MI 48909**

Nonpayment, Late Payment, or Underpayment of Estimates

Failure to make required estimated tax payments or underpayment of estimated tax will result in assessment of penalty and interest. Treasury will compute your penalty and interest and send you a bill.

The interest rate is 1 percent above the adjusted prime rate and is adjusted on January 1 and July 1 of each year. Interest is charged from the original due date of the return to the date the balance of the tax is paid. The interest rate through June 30, 2023 is **x.xx** percent annually (0.000xxxxx daily rate). For interest rates after June 30, 2023, visit www.michigan.gov/citytax or call 517-636-5829.

The penalty for failure to make estimated payments is 1% per month on the unpaid balance, up to 25% of the total tax due.
