

GOVERNOR GREG GIANFORTE
DIRECTOR BRENDAN BEATTY

Date: November 17, 2023

To: Tax Software Developers

Subject: Individual Schema Update

We have uploaded an updated version of the Montana Individual Schema. It was discovered that the enumeration **TE** was missing from the RecaptureTaxCd elements. This has been corrected.

Additionally, we are now open for ATS testing of Individual Income Taxes.

Thank you,

Information Governance Unit
