

GOVERNOR GREG GIANFORTE
DIRECTOR BRENDAN BEATTY

Date: February 14, 2024

To: Software Developers

Concerning: Publication 1, ESA/ESW/LTCG Worksheets

The Publication-1 worksheets recently went under major changes. With the change to the MCA for 2024, it's imperative you make this update as the whole tax system is changing and estimates are most likely going to be off because of the new rates and structures.

Thank you for your cooperation.
