Concerning: 2023 Jobs Growth Credit, Form JGI

The 2023 Jobs Growth Credit, Form JGI, is a supplemental form with significant updates. We have provided the below overview for your preparation in development of these changes.

The JGI has undergone a redesign with multiple new lines. This form will be a required supplement when taxpayers claim this credit.

This form is a binary attachment and is not required for testing.

Further details will be provided in the JGI document and supporting forms' documentation at a further date.

Thank you,

Information Governance Unit
