The credit may also be claimed for funds borrowed by the pass-through entity to make a qualified investment if a shareholder, partner or member to whom the credit is allocated has an unlimited and continuing legal obligation to repay the borrowed funds but the allocation may not exceed such shareholder's, partner's or member's pro-rata equity share of the pass-through entity even if the taxpayer's legal obligation to repay the borrowed funds is in excess of such pro-rata share of such borrowed funds.
