RESIDENCE DEFINED

RESIDENT...

An Oklahoma resident is a person domiciled in this state for the entire tax year. "Domicile" is the place established as a person's true, fixed, and permanent home. It is the place you intend to return whenever you are away (as on vacation abroad, business assignment, educational leave or military assignment). A domicile, once established, remains until a new one is adopted.

PART-YEAR RESIDENT...

A part-year resident is an individual whose domicile was in Oklahoma for a period of less than 12 months during the tax year.

NONRESIDENT...

A nonresident is an individual whose domicile was not in Oklahoma for any portion of the tax year.

MEMBERS OF THE ARMED FORCES...

Residency is established according to military domicile as established by the Soldiers' and Sailors' Civil Relief Act.

When the spouse of a military member is a civilian and has the same legal residency as the military member, the spouse may retain such legal residency. They file a joint resident tax return in the military members' State of Legal Residency (if required) and are taxed jointly under nonresident rules as they move from state to state. If the non-military spouse does not have the same legal residency as the military member, then the same residency rules apply as would apply to any other civilian. The spouse would then comply with all residency rules where living.

A nonresident who is stationed in Oklahoma on active duty is exempt from Oklahoma Income Tax unless and until the military member chooses to establish a permanent residence in Oklahoma. This exemption applies only to military pay earned in Oklahoma by the servicemember; it does not include income earned by performing other services in the state. The earnings of the spouse of the servicemember may be exempt; see the "Nonresident Spouse of United States Military Servicemember" section.

RESIDENT/NONRESIDENT...

A nonresident filing a joint federal return with an Oklahoma resident spouse may have options for filing the Oklahoma return(s). See "Filing Status" in the "Top of Form Instructions" on pages 7 and 8 for further information.

HOW NONRESIDENTS AND PART-YEAR RESIDENTS ARE TAXED

The Oklahoma taxable income of a part-year individual or nonresident individual shall be calculated as if all income were earned in Oklahoma, using Form 511NR. The Federal Adjusted Gross Income (AGI) will be adjusted using the Oklahoma adjustments allowed in 68 Oklahoma Statutes (OS) Section 2358, to arrive at AGI from all sources. The AGI from all sources is used to determine the taxable income. The tax is then calculated. At this point, the tax is prorated using a percentage of the AGI from Oklahoma sources divided by the AGI from all sources. This prorated tax is the Oklahoma tax.

WHO MUST FILE?

• RESIDENT...

Every resident individual whose gross income from both within and outside of Oklahoma exceeds the standard deduction plus personal exemption is required to file an Oklahoma income tax return.

• PART-YEAR RESIDENT...

Every part-year resident, during the period of residency, has the same filing requirements as a resident. During the period of nonresidency, an Oklahoma return is also required if the Oklahoma part-year resident has gross income from Oklahoma sources of \$1,000 or more.

• NONRESIDENT...

Every nonresident with Oklahoma source **gross** income of \$1,000 or more is required to file an Oklahoma income tax return.

Note: If you do not have an Oklahoma filing requirement but had Oklahoma tax withheld or made estimated tax payments, see the section “Not Required to File” on page 5 for further instructions.

SOCIAL SECURITY NUMBER (SSN)

The request for your SSN is authorized by Section 405, Title 42, of the United States Code. You **must** provide this information. It will be used to establish your identity for tax purposes only.

Electronic Checks

Did you know you can pay your balance directly from your checking account electronically through the Oklahoma Tax Commission website?

Log on to www.tax.ok.gov and visit the “**Online Services**” link to make a payment electronically.

Other tax types are also accepted through this system, including estimated tax payments.

NONRESIDENT SPOUSE OF UNITED STATES MILITARY SERVICEMEMBER

Under the Federal Military Spouses Residency Relief Act (hereinafter the Act), a nonresident spouse of a nonresident servicemember may be exempt from Oklahoma income tax on income from services performed in Oklahoma if all of the following facts are true:

- the servicemember is present in Oklahoma in compliance with military orders;
- the spouse is in Oklahoma to be with the servicemember; and
- the spouse maintains the same domicile as the servicemember.

The “What is Oklahoma Source Income?” section on page 4 shows examples of the types of income which may be considered from Oklahoma sources, therefore subject to tax by Oklahoma, and types of income which are protected under the Act and therefore not subject to tax by Oklahoma.

If there is at least \$1,000 of gross income from Oklahoma sources, such as Oklahoma rental or royalty income, complete the Oklahoma Form 511NR according to the “Select Line Instructions”.

If all of the income earned in Oklahoma is protected under the Act, and Oklahoma taxes were withheld, complete the Oklahoma Form 511NR according to the “Not Required to File” section found on page 5.

If the nonresident spouse of a United States Military Servicemember is claiming the exemption provided for under the Act, they must furnish copies of the servicemember’s military W-2, the spouse’s W-2, the Leave and Earnings Statement (LES), and copies of their federal income tax return and the resident state’s return to avoid delays in the processing of their Oklahoma income tax return.

Frequently Asked Questions (FAQs) relating to Individual Income Tax Issues for Military can be found on our website at: www.tax.ok.gov.

Oklahoma Use Tax

If you purchased items for use in Oklahoma from retailers who do not collect Oklahoma sales tax, you owe Use Tax on those items.

For more information on Use Tax see page 13.

Pay your use tax!

ESTIMATED INCOME TAX

You must make equal* quarterly estimated tax payments if you can reasonably expect your tax liability to exceed your withholding by \$500 or more and expect your withholding to be less than the smaller of:

1. 70% of your current year's tax liability, or
2. The tax liability shown on your return for the preceding taxable year of 12 months.

Taxpayers who fail to make timely estimated tax payments may be subject to interest on underpayment. If at least 66-2/3% of your gross income for this year or last year is from farming, estimated payments are not required. If claiming this exception, see line 28.

Form OW-8-ES, for filing estimated tax payments, is available on our website at www.tax.ok.gov.

Estimated payments can be made through the Oklahoma Tax Commission (OTC) website by e-check or credit card. Visit the "Online Services" section at www.tax.ok.gov.

*For purposes of determining the amount of tax due on any of the respective dates, taxpayers may compute the tax by placing taxable income on an annualized basis. See Form OW-8-ES-SUP on our website at www.tax.ok.gov.

WHAT IS OKLAHOMA SOURCE INCOME?

The sources of income taxable to a **nonresident** are:

- (1) Salaries, wages and commissions for work performed in Oklahoma.
- (2) Income from an unincorporated business, profession, enterprise or other activity as the result of work done, services rendered, or other business activities conducted in Oklahoma.*
- (3) Distributive share of the Oklahoma part of partnership, estate or trust income, gains, losses or deductions.*
- (4) Distributive share from Sub-chapter S Corporations doing business in Oklahoma.*
- (5) Net rents and royalties from real and tangible personal property located in Oklahoma.
- (6) Gains from the sales or exchanges of real and tangible personal property located in Oklahoma.
- (7) Income received from all sources of wagering, games of chance or any other winnings from sources within this state. Proceeds which are not money shall be taken into account at fair market value.

* This includes Limited Liability Companies (LLCs).

Note: Salaries, wages and commissions for work performed in Oklahoma by a qualifying nonresident spouse of a military servicemember may not be subject to tax in Oklahoma and be protected under the Military Spouses Resident Act. (Civilian income earned in Oklahoma by the servicemember is not protected and is subject to Oklahoma tax.) Other examples of potentially protected income are:

WHAT IS OKLAHOMA SOURCE INCOME?

(CONTINUED)

- Personal service business income earned by the qualifying nonresident spouse. Examples of personal service business income include the business of a doctor, lawyer, accountant, carpenter or painter (these are examples only, and are not intended to be exclusive or exhaustive). A personal service business generally does not include any business that makes, buys, or sells goods to produce income.
- Income received from all sources of wagering, games of chance or any other winnings from sources within Oklahoma by the qualifying nonresident spouse. (Such income received by the servicemember is not protected and is subject to Oklahoma tax.)

The Oklahoma source income of a **part-year** resident is the sum of the following:

- (1) All income reported on your federal return for the period you are a resident of Oklahoma, except income from real and tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state; and
- (2) the Oklahoma source income for the period you were a nonresident of Oklahoma.

The Oklahoma source income of a **resident** filing with a part-year resident or nonresident spouse will include all income reported on your federal return except income from real or tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state.

Where's My Refund?

After filing your individual income tax return check the status of your refund by visiting **OkTAP**

**Oklahoma
Taxpayer
Access Point**

OkTAP is the Oklahoma Tax Commission's web-based resource that allows taxpayers or their designated representatives access to their accounts online.

You'll need to provide the last 7 digits of your Social Security Number or Individual Taxpayer Identification Number, the ZIP Code on the return and the exact dollar amount of the refund.

<http://oktap.tax.ok.gov>

DUE DATE

Generally, your Oklahoma income tax return is due April 15th. However:

- If you file electronically (through a preparer or the internet), your due date is extended to April 20th. Any payment of taxes due on April 20th must be remitted electronically in order to be considered timely paid. If the balance due on an electronically filed return is not remitted electronically, penalty and interest will accrue from the original due date.

- If the Internal Revenue Code of the IRS provides for a later due date, your return may be filed by the later due date and will be considered timely filed. You should write the appropriate “disaster designation” as determined by the IRS at the top of the return, if applicable. If a bill is received for delinquent penalty and interest, you should contact the OTC at the number on the bill.

- If the due date falls on a weekend or legal holiday when the OTC offices are closed, your return is due the next business day. Your return must be postmarked by the due date to be considered timely filed.

NOT REQUIRED TO FILE

NO OKLAHOMA FILING REQUIREMENT...

Nonresidents who do not have an Oklahoma filing requirement, as shown in the section “Who Must File?”, but had Oklahoma tax withheld or made estimated tax payments should complete the Form 511NR.

Complete the Form 511NR as follows:

1. Fill out the top portion of the Form 511NR according to the “Top of Form Instructions” on pages 7 and 8. Be sure and place an ‘X’ in the box “Not Required to File”.

2. If you are a nonresident who is not required to file because your gross Oklahoma source income is less than \$1,000, complete Schedule 511NR-1, lines 1-19 of the “Federal Amount” column as per your federal income tax return. Then complete lines 1-18 of the “Oklahoma Amount” column; enter your gross income from Oklahoma sources and not the net income as would be reflected in your Federal Adjusted Gross Income. Return to page 1 of Form 511NR and complete lines 1 and 2.

3. Complete lines 25 through 44 that are applicable to you. Sign and mail in Form 511NR, pages 1-3 only. Do not mail in pages 4 and 5. Include page 6 only if you have an entry on line 37 “Donations from your refund”. Be sure to include your W-2s, 1099s or other withholding statements to substantiate any Oklahoma withholding.

If you filed a federal income tax return, **provide** a copy.

View FAQs or Email the OTC a Question

WHAT IS AN EXTENSION?

A valid extension of time in which to file your federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the federal extension must be provided with your Oklahoma return. If your federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504-I.

90% of the tax liability must be paid by the original due date of the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.

NET OPERATING LOSS

The loss year return must be filed to establish the Oklahoma Net Operating Loss.

Use the 511NR-NOL schedules.

When there is a federal net operating loss (NOL), an Oklahoma NOL must be computed as if all the income were earned in Oklahoma. The figures from the “Federal Amount” column are used for this computation. The loss is carried as an Oklahoma NOL and deductible in the “Federal Amount” column.

The true Oklahoma NOL is computed using the figures from the “Oklahoma Amount” column and shall be allowed without regard to the existence of a Federal NOL. The loss is carried as an Oklahoma NOL and deductible in the “Oklahoma Amount” column.

For tax years 2009 and subsequent, the years to which an NOL may be carried shall be determined solely by reference to Section 172 of the Internal Revenue Code (IRC.)

An NOL resulting from a farming loss may be carried back in accordance with and to the extent of IRC Section 172(b) (G). However, the amount of the NOL carryback shall not exceed the lesser of: \$60,000, or the loss properly shown on the Federal Schedule F reduced by half of the income from all other sources other than reflected on Schedule F. You can choose to treat the NOL as if it were not a farming loss. If you make this choice, the carryback period will be determined by reference to IRC Section 172 and the amount of the NOL carryback will not be limited. An election may be made to forego the carryback period. A written statement of the election must be part of the original timely filed Oklahoma loss year return. However, if you filed your return on time without making the election, you may still make the election on an amended return filed within six months of the due date of the original return (excluding extensions). Attach the election to the amended return. Once made, the election is irrevocable.

The Federal NOL allowed in the current tax year reported on Schedule 511NR-1, line 15 (other income), shall be added on Schedule 511NR-A, line 3 (Oklahoma additions) in the appropriate column. Enter as a positive number. The Oklahoma NOL(s) shall be subtracted on Schedule 511NR-B, line 9 (Oklahoma subtractions) in the appropriate column. There is also a space provided to enter the loss year(s).

WHEN TO FILE AN AMENDED RETURN

Generally, to claim a refund, your amended return must be filed within three years from the date tax, penalty and interest was paid. For most taxpayers, the three year period begins on the original due date of the Oklahoma tax return. Estimated tax and withholdings are deemed paid on the original due date (excluding extensions).

If your net income for any year is changed by the IRS, an amended return shall be filed within one year. Part-year residents and nonresidents shall use Form 511NR. Place an "X" in the box at the top of the Form 511NR indicating the return to be an amended return. Enter any amount(s) paid with the original return plus any amount(s) paid after it was filed on line 31. Enter any refund previously received or overpayment applied on line 33. Complete Schedule 511NR-G "Amended Return Information" on Form 511NR, page 6. **Provide a copy of Federal Form 1040X, Form 1045, RAR, or other IRS notice, correspondence, and/or other documentation.**

Important: Provide a copy of IRS refund check or statement of adjustment.

If you discover you have made an error on your Oklahoma return, we may be able to help you correct the return. For additional information, contact our Taxpayer Assistance Division at (405) 521-3160.

BEFORE YOU BEGIN

You must complete your federal income tax return before beginning your Oklahoma income tax return. You will use the information entered on your federal return to complete your Oklahoma return.

Remember, when completing your Oklahoma return, round all amounts to the nearest dollar.

Example:

\$2.01 to \$2.49 - round down to \$2.00

\$2.50 to \$2.99 - round up to \$3.00

Want a Form that Does the Math?

The OTC has just the form for you. Visit our website at www.tax.ok.gov. Download the "2-D Calculating Form 511NR" from the income tax forms area of the website.

As you fill in your form on your computer screen, this form will be doing the calculating for you. Once finished, simply print out two copies before closing the document. Mail one to the OTC and keep the other for your files.

By using this form type, your return will have a 2-D barcode at the top and will be processed faster. Faster processing means a faster refund to you.

ALL ABOUT REFUNDS

Taxpayers have two quick, convenient ways to check the status of their refund without having to speak to an OTC representative. You can check on your refund for the current tax year by one of the following ways:

- Visit the OTC website at www.tax.ok.gov and click on the "Check On A Refund" link, which will lead you to our Taxpayer Access Point (OkTAP). Once on this page, you will be required to enter the last seven digits of the primary social security number on the return, the ZIP Code on the return as well as the amount of the anticipated refund.
- Call (405) 521-3160 and enter the same information as prompted by our interactive automated phone system.

Note: If your return was e-filed, you can generally begin checking on your refund about four days after the return was accepted by the OTC. If your return was paper filed, you should allow three weeks to begin checking on your refund. Once processed, allow five working days for the deposit to be made to a bank account. For debit card refunds, allow five to seven working days for delivery.

If you do not choose to have your refund deposited directly into your bank account, you will receive an Oklahoma debit card.

See page 15 for information on the debit card and page 36 for more information on direct deposit.

A debit card or direct deposit are not your only options to receive your refund. If timely filing, you may have any amount of overpayment applied to your next year's estimated tax. Refunds applied to the following year's Oklahoma estimated income tax (at the taxpayer's request) may not be adjusted after the original due date of the return.

HELPFUL HINTS

- File your return by the same due date as your federal income tax return. See page 5 for information regarding extended due date for electronically filed returns.
- If you need to file for an extension, use Form 504-I and then later, file Form 511NR.
- After filing, if you have questions regarding the status of your refund, call (405) 521-3160.
- If you fill out any portion of Schedules 511NR-A through 511NR-G, you are required to provide those pages with your return. Failure to include the pages will result in a delay of your refund.
- Do not provide any correspondence other than those documents and schedules required for your return.

Tax Tips:

- ✓ Check your calculations carefully.

In this case the taxpayer must either:

- File as Oklahoma married filing separate. The Oklahoma resident, filing a joint federal return with a nonresident civilian spouse, may file an Oklahoma return as married filing separate. The resident will file on Form 511 using the married filing separate rates and reporting only his/her income and deductions. If the nonresident civilian has an Oklahoma filing requirement, he/she will file on Form 511NR, using married filing separate rates and reporting his/her income and deductions. Form 574 "Allocation of Income and Deductions" must be filed with the return(s). You can obtain this form from our website at www.tax.ok.gov.

OR

- File as if both the resident and the nonresident civilian were Oklahoma residents on Form 511. Use the "married filing joint" filing status, and report all income.

25 Oklahoma Use Tax

(For taxpayers who lived at least part of the tax year in Oklahoma)

Every state with a sales tax has a companion tax for purchases made outside the state. In Oklahoma, that tax is called “use tax”. If you have purchased items for use in Oklahoma from retailers who do not collect Oklahoma sales tax whether by mail order, catalog, television shopping networks, radio, Internet, phone or in person, you owe Oklahoma use tax on those items. Use tax is paid by the buyer when the Oklahoma sales tax has not been collected by the seller. Individuals in Oklahoma are responsible for paying use tax on their out-of-state purchases.

Examples of items that are subject to sales tax include books, compact discs, computer equipment, computer software, electronics, clothing, appliances, furniture, sporting goods and jewelry. When an out-of-state retailer does not collect Oklahoma sales tax, the responsibility of paying the tax falls on the purchaser.

Use tax is calculated at the same rate as sales tax, which varies by city and county. The state sales tax rate is 4.5% (.045) plus the applicable city and/or county rates. If you do not know the exact amount of Oklahoma use tax you owe based on your city and county sales tax rate, you can either:

1. Use the tax table on page 14 or multiply your Adjusted Gross Income from line 7 by 0.056% (.00056).

or

2. Use one of the worksheets below to calculate your Oklahoma use tax. Complete Worksheet One if you kept records of all of your out-of-state purchases.

Oklahoma Use Tax (continued)

Complete Worksheet Two if you did not keep records of all of your out-of-state purchases.

Worksheet Two has two parts. The first part is a calculation of the amount due on items that cost less than \$1,000 each and the second part is a calculation of the amount due on items that cost \$1,000 or more each. The first calculation is based on a Use Tax Table that reflects the estimated amount of use tax due by taxpayers with varying amounts of Federal Adjusted Gross Income. The estimated amount is 0.056% (.00056) of Federal Adjusted Gross Income. If you believe that estimate from the table is too high for your out-of-state purchases, you may estimate the amount you owe.

If you paid another state’s sales or use tax on any purchase, that amount may be credited against the Oklahoma use tax due on that purchase.

Note: Your use tax worksheets may be reviewed. If it is determined that you owe more use tax than what is shown on your return, you may be subject to an assessment for the additional use tax.

See Page 14 for the Oklahoma Use Tax Table

If at least 66-2/3% of your gross income is from farming, estimated payments are not required. If claiming this exception, you must place an 'X' in the box on this line and **provide** a complete copy of your federal return.

Note: See page 4, "Estimated Income Tax" for information on who is required to make estimated tax payments.

37 Donations (Original return only)

Schedule 511NR-F provides you with the opportunity to make a financial gift from your refund to a variety of Oklahoma organizations. Note that this reduces your refund if you choose to donate. The donation will be forwarded to the appropriate agency. See Schedule 511NR-F for more information.

Place the line number of the organization from Schedule 511NR-F in the box on line 37. If giving to more than one organization, put a "99" in the box on line 37.

39 Amount to be Refunded

If you do not choose direct deposit or the direct deposit fails to process, you will be issued a debit card. See "All About Refunds" on page 6 for more information.

41 Support the Oklahoma General Revenue Fund (Original return only)

A donation to this fund may be made on a tax due return. For information regarding this fund, see Schedule 511NR-F information.

42 Underpayment of Estimated Tax Interest

You were required to make estimated tax payments if your income tax liability exceeds your withholding by \$500 or more. To avoid the 20% Underpayment of Estimated Tax Interest, timely filed estimated tax payments and withholding are required to be the smaller of:

- 70% of the current year tax liability,
or
- 100% of your prior year tax liability.

The income tax liability is the Oklahoma income tax due less all credits except amounts paid on withholding, estimated tax and extension payments.

Note: No underpayment of estimated tax interest shall be imposed if the income tax liability shown on the return is less than \$1,000. If you do not meet one of the above exceptions, you may complete Form OW-8-P or the OTC will figure the interest and send you a bill.

43 Delinquent Penalty and Interest

After the original due date of the return, compute 5% penalty on the income tax due (line 40 minus line 25). Compute interest on the income tax due at 1.25% per month from the original due date of the return. An extension does not extend the date for payment of tax.

Note: If you have a valid extension of time to file your tax return, delinquent penalty is not due if 90% of your income tax was paid by the original due date of the return. Delinquent interest is due on any income tax not paid by the original due date of the return.

If an **amended return** is filed before the due date for filing the original return, including any extensions, the tax shown on the amended return is used to determine the amount of underpayment. If the amended return is filed after the due date, including extension, the tax shown on the amended return will not be used to compute the amount of underpayment.

Title 68, Oklahoma Statutes, provides that any term used in this Act shall have the same meaning as when used in a comparable context in the Internal Revenue Code, except when specifically provided for in the Oklahoma Statutes or rules.

The Oklahoma Tax Refund Debit Card!

If you do not choose direct deposit, you will receive a debit card for your income tax refund.

GET YOUR REFUND FASTER - USE DIRECT DEPOSIT!

Complete the direct deposit box on the tax return to have your refund directly deposited into your account at a bank or other financial institution. If you do not have your refund deposited directly into your bank account, you will receive a debit card.

- 1** Place an 'X' in the appropriate box as to whether the refund will be going into a checking or savings account. Keep in mind you will not receive notification of the deposit.
- 2** Fill out the routing number. The routing number must be nine digits. Using the sample check shown below, the routing number is **120120012**. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will fail to process.
- 3** Enter your account number. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check shown below, the account number is **2020268620**.

NOTE: Verify your routing and account numbers are correct. If the direct deposit fails to process, your refund will be mailed to you on a debit card.

WARNING! Due to electronic banking rules, the OTC will not allow direct deposits to or through foreign financial institutions. If you use a foreign financial institution, you will be issued a paper check.
