TWO WAGE EARNER CREDIT WHEN BOTH SPOUSES WORK

Your filing status must be married filing jointly to claim this credit.

Line 12 TWO WAGE EARNER CREDIT (MARRIED COUPLE)

This credit can only be claimed by a **married couple filing jointly** when both spouses have earned income taxed to South Carolina. This credit is **not** allowed on returns with a filing status of single, married filing separately or head of household. Do not include gambling or bingo winnings reported on federal form W-2G.

Beginning in 2019, the multiplier used in computing the Two Wage Earner Credit increases by \$3,333.00 each year until fully phased-in for tax year 2023. For 2020, the credit is computed at .007 of the lesser of \$40,000 or the South Carolina qualified earned income of the spouse with the lower South Carolina qualified earned income for the taxable year.

Example - You earned a salary taxed to South Carolina of \$40,000. Your spouse earned \$17,000 taxed to South Carolina and had an IRA deduction taxed to South Carolina of \$1,000. Your SC qualified earned income is \$40,000 and your spouse's is \$16,000 (\$17,000 minus \$1,000). Because your spouse's qualified earned income is less than yours, the credit is based on your spouse's income. Therefore, the credit is \$112 (\$16,000 x .007).

Compute your earned income separately for yourself and your spouse. South Carolina earned income is generally income you receive for services you provide. It includes wages, salaries, tips, commissions and sub-pay. It also includes income earned from self-employment, business income or loss, partnership income or loss, farm income or loss and any other earned income taxed to South Carolina. Earned income does not include gambling or bingo winnings, interest, dividends, Social Security benefits, IRA distribution, unemployment compensation, deferred compensation or non-taxable income. It also does not include any amount your spouse paid you.

 Wages, salaries, tips, etc., taxed to South Carolina from South Carolina Schedule NR, Column B, line 1 or federal form (Do not include pensions or annuities.) Net profit or (loss) from self-employment (from Schedule C and on Schedule K-1 of Form 1065) and any other earned income taxed to South Carolina. 	(a) You 0 15,000	(b) Your Spouse 5,000

Line 4: Retirement deduction

An individual under the age of 65 may deduct up to \$3,000 of qualified retirement income. An individual age 65 or older may deduct up to \$10,000 of qualified retirement income.

A surviving spouse receiving qualified retirement income from a deceased spouse may deduct up to \$3,000 or \$10,000, whichever would have applied, based on age, had the deceased spouse lived. The surviving spouse retirement deduction is in addition to the individual retirement deduction from their own plan.

The retirement deduction can be claimed on this form to the extent it is not claimed on the SC1040 or the Schedule NR. If an age 65 and older deduction has been claimed on the SC1040 or the Schedule NR, do not include any individual retirement deduction on line 4.

Line 5: Age 65 and older deduction

Beginning in the tax year that a resident individual reaches age 65, a deduction of \$15,000 can be claimed against **any** South Carolina income. This deduction is reduced by the amount of any individual retirement deduction. The age 65 and older deduction is not reduced by any surviving spouse retirement deduction.

The age 65 and older deduction can be claimed on line 5 to the extent it is not claimed on the SC1040 or the Schedule NR.

For additional information on the retirement deduction and age 65 and older deduction, see the 1040 instructions at dor.sc.gov/forms.
